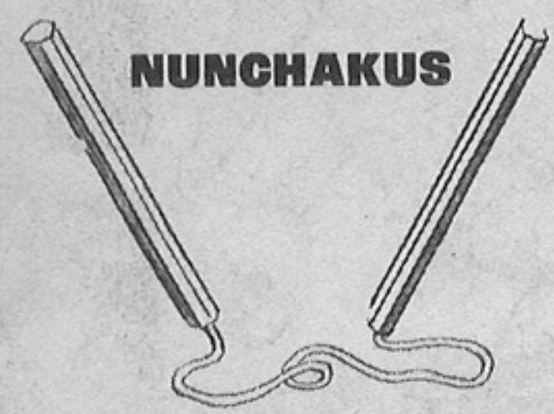
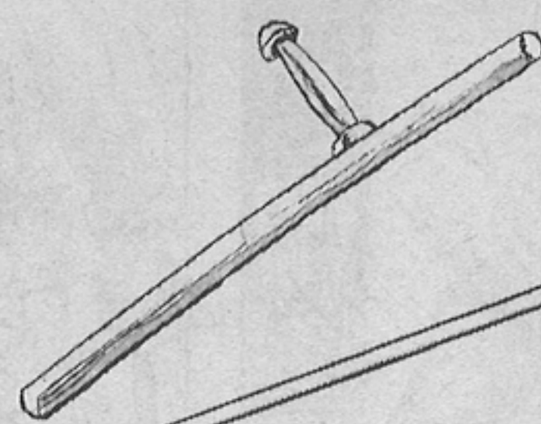
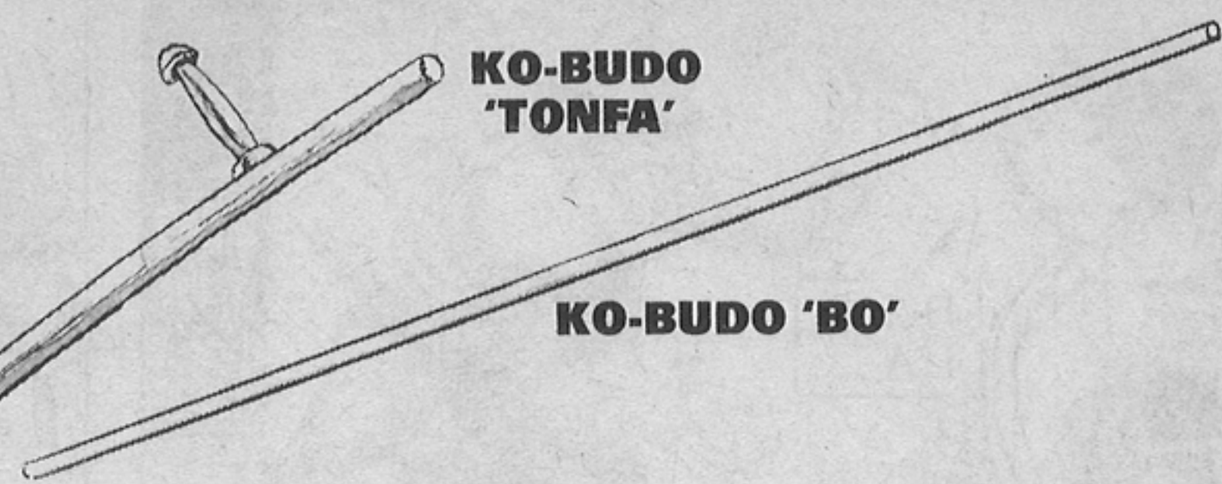
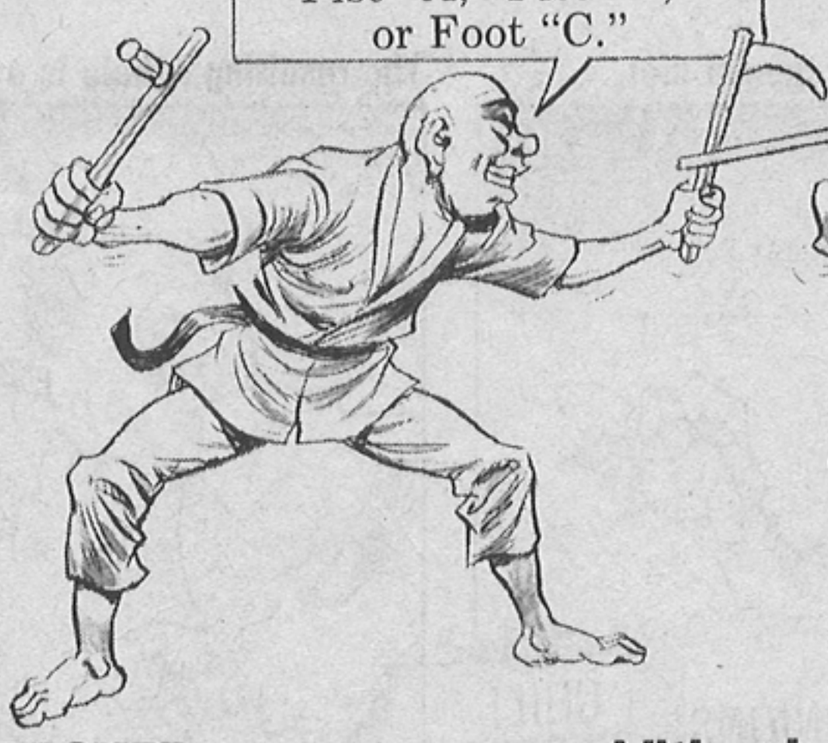
Karate, judo, and kung-fu experts do not rely solely on their hands and feet. There is a whole array of additional weapons and techniques that martial artists use to inflict mayhem . . .









CRACKED presents some additional . . .

MARTIAL ART WEAPONS AND TECHNIQUES YOU MAY NOT HAVE HEARD OF

THE OILJITSU
The oiljitsu stick works most effectively in Texas, Oklahoma and Arab nations.

As aggressor charges, subject hurls his pronged oiljitsu stick into ground . . .

. . . resulting oil squirt blinds attacker and renders him helpless.

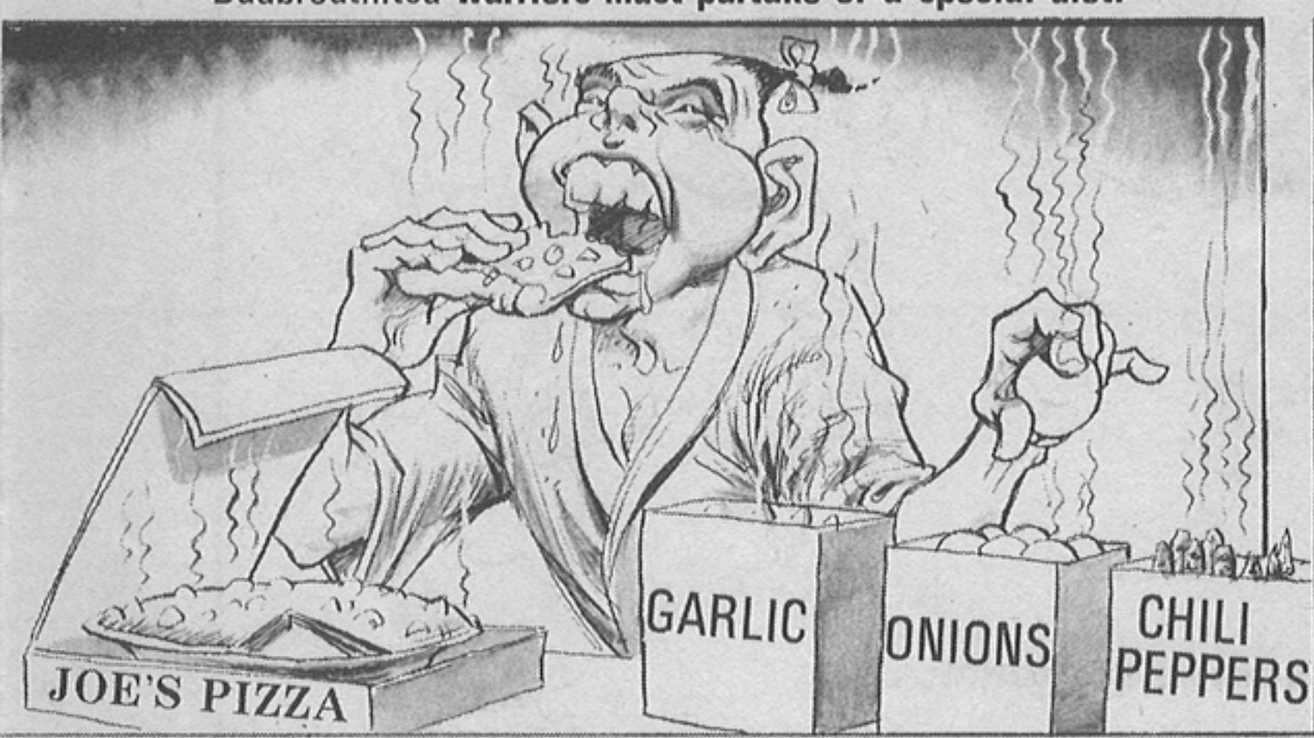
MARTIAL ART TECHNIQUES

HACHOOKAI

Hachookai experts learn to sneeze with cyclonic force.

BADBREATHITSU

Badbreathitsu warriors must partake of a special diet.



The resulting exhale is a real gasser.

JU-HOTSU

The art of ju-hotsu was recently developed by Japanese gas siphoners.

When ju-hotsu expert is threatened he merely exhales over lighted match.

KUNGSPIT-FU

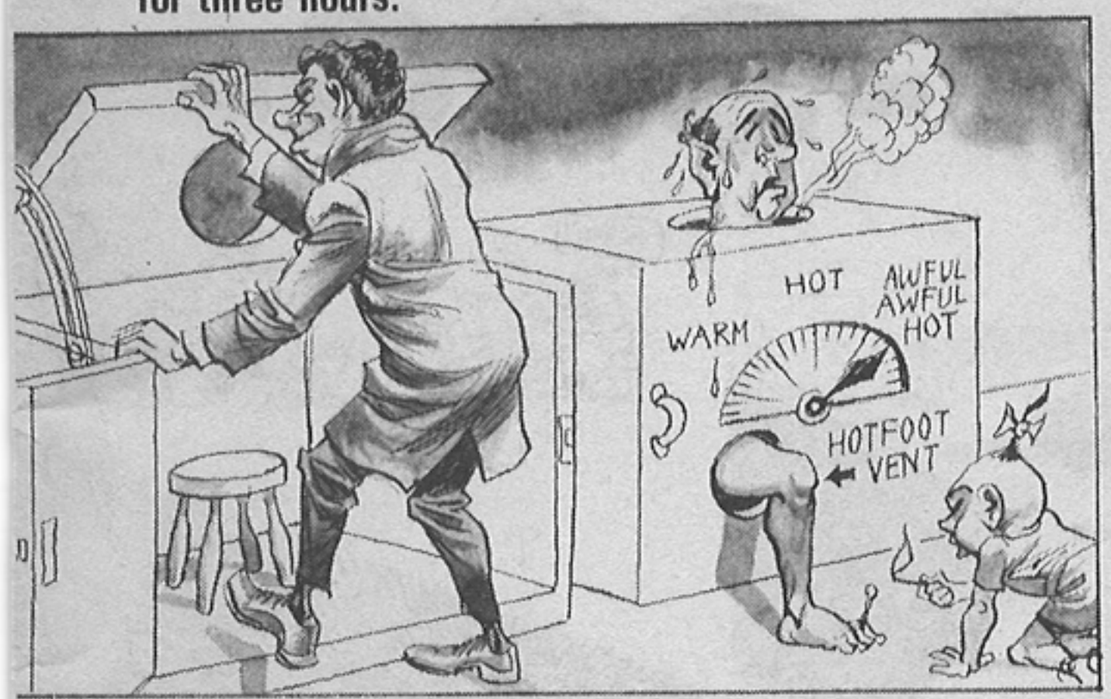
The Kungspit-fu expert is never seen without his trusty spitoon.

Kungspit-fu strategy calls for the ol' one-two!

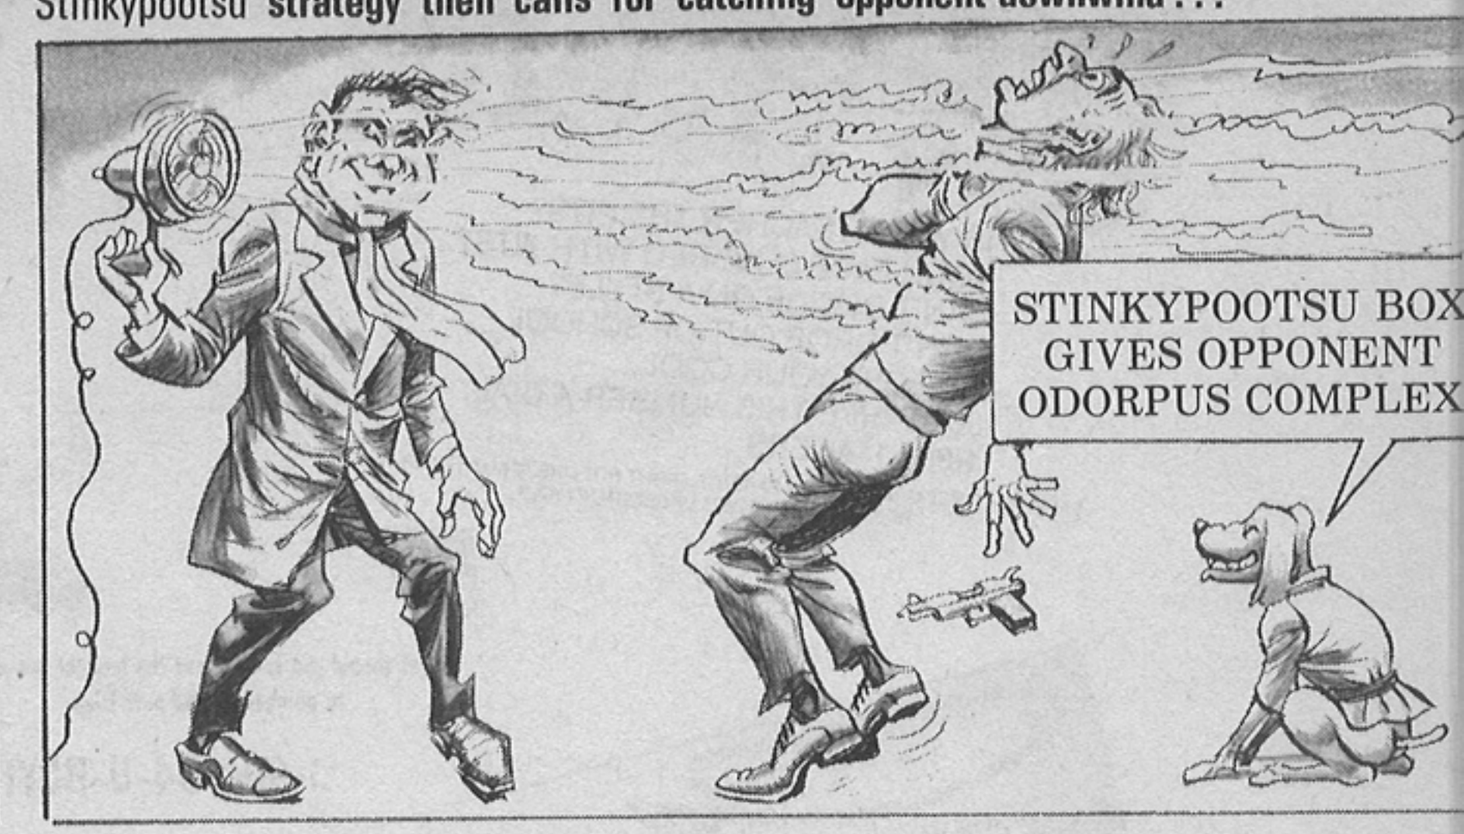
MARTIAL ART WEAPONS

THE STINKYPOOTSU BOX

Martial artist enters box fully clothed and remains in it for three hours.



Stinkypootsu strategy then calls for catching opponent downwind . . .



KUNG BALLOON-FU

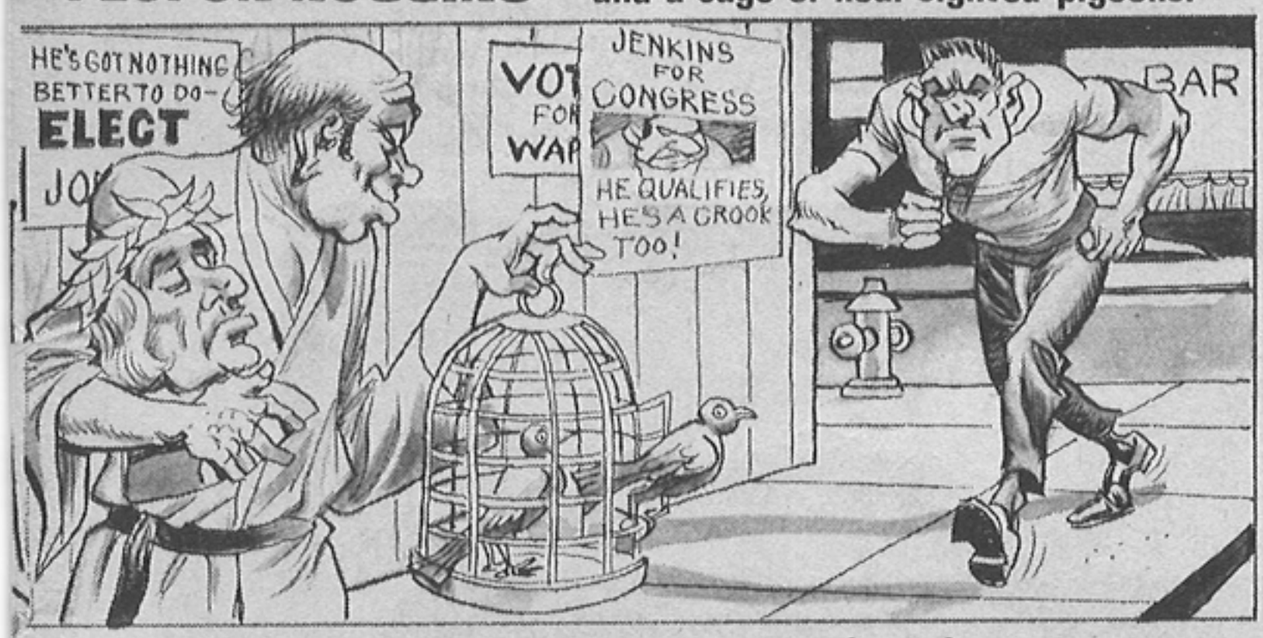
Kung balloon-fu is strictly a defensive martial art.

As aggressor approaches, subject reads speech prepared by Presidential press secretary . . .

. . . the resulting hot air lifts subject to safety.

THE PLOPON-NOGGINU

The Plopon-nogginu consists of a statue and a cage of near-sighted pigeons.

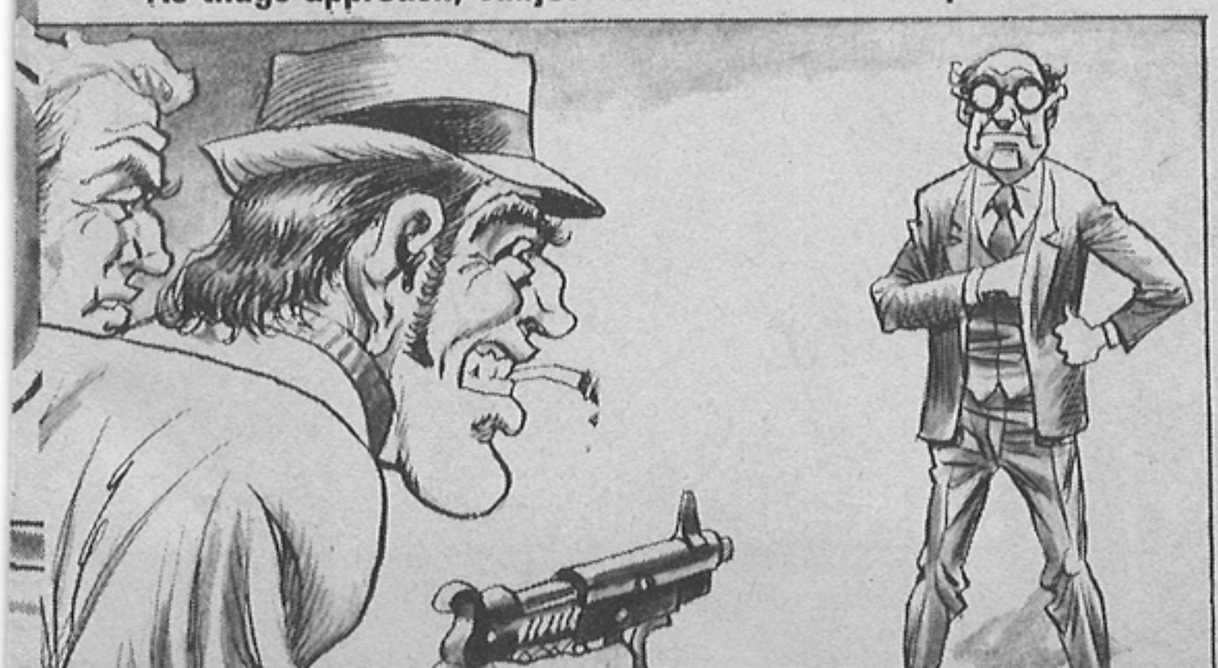


At the sight of an aggressor the pigeons are released . . .

The near-sighted pigeons miss the statue and accidentally incapacitate the attacker.

THE CRACKEDU

As thugs approach, subject reaches for his weapon.



At sight of CRACKED, thugs flee out of fear that subject's insanity may be contagious.

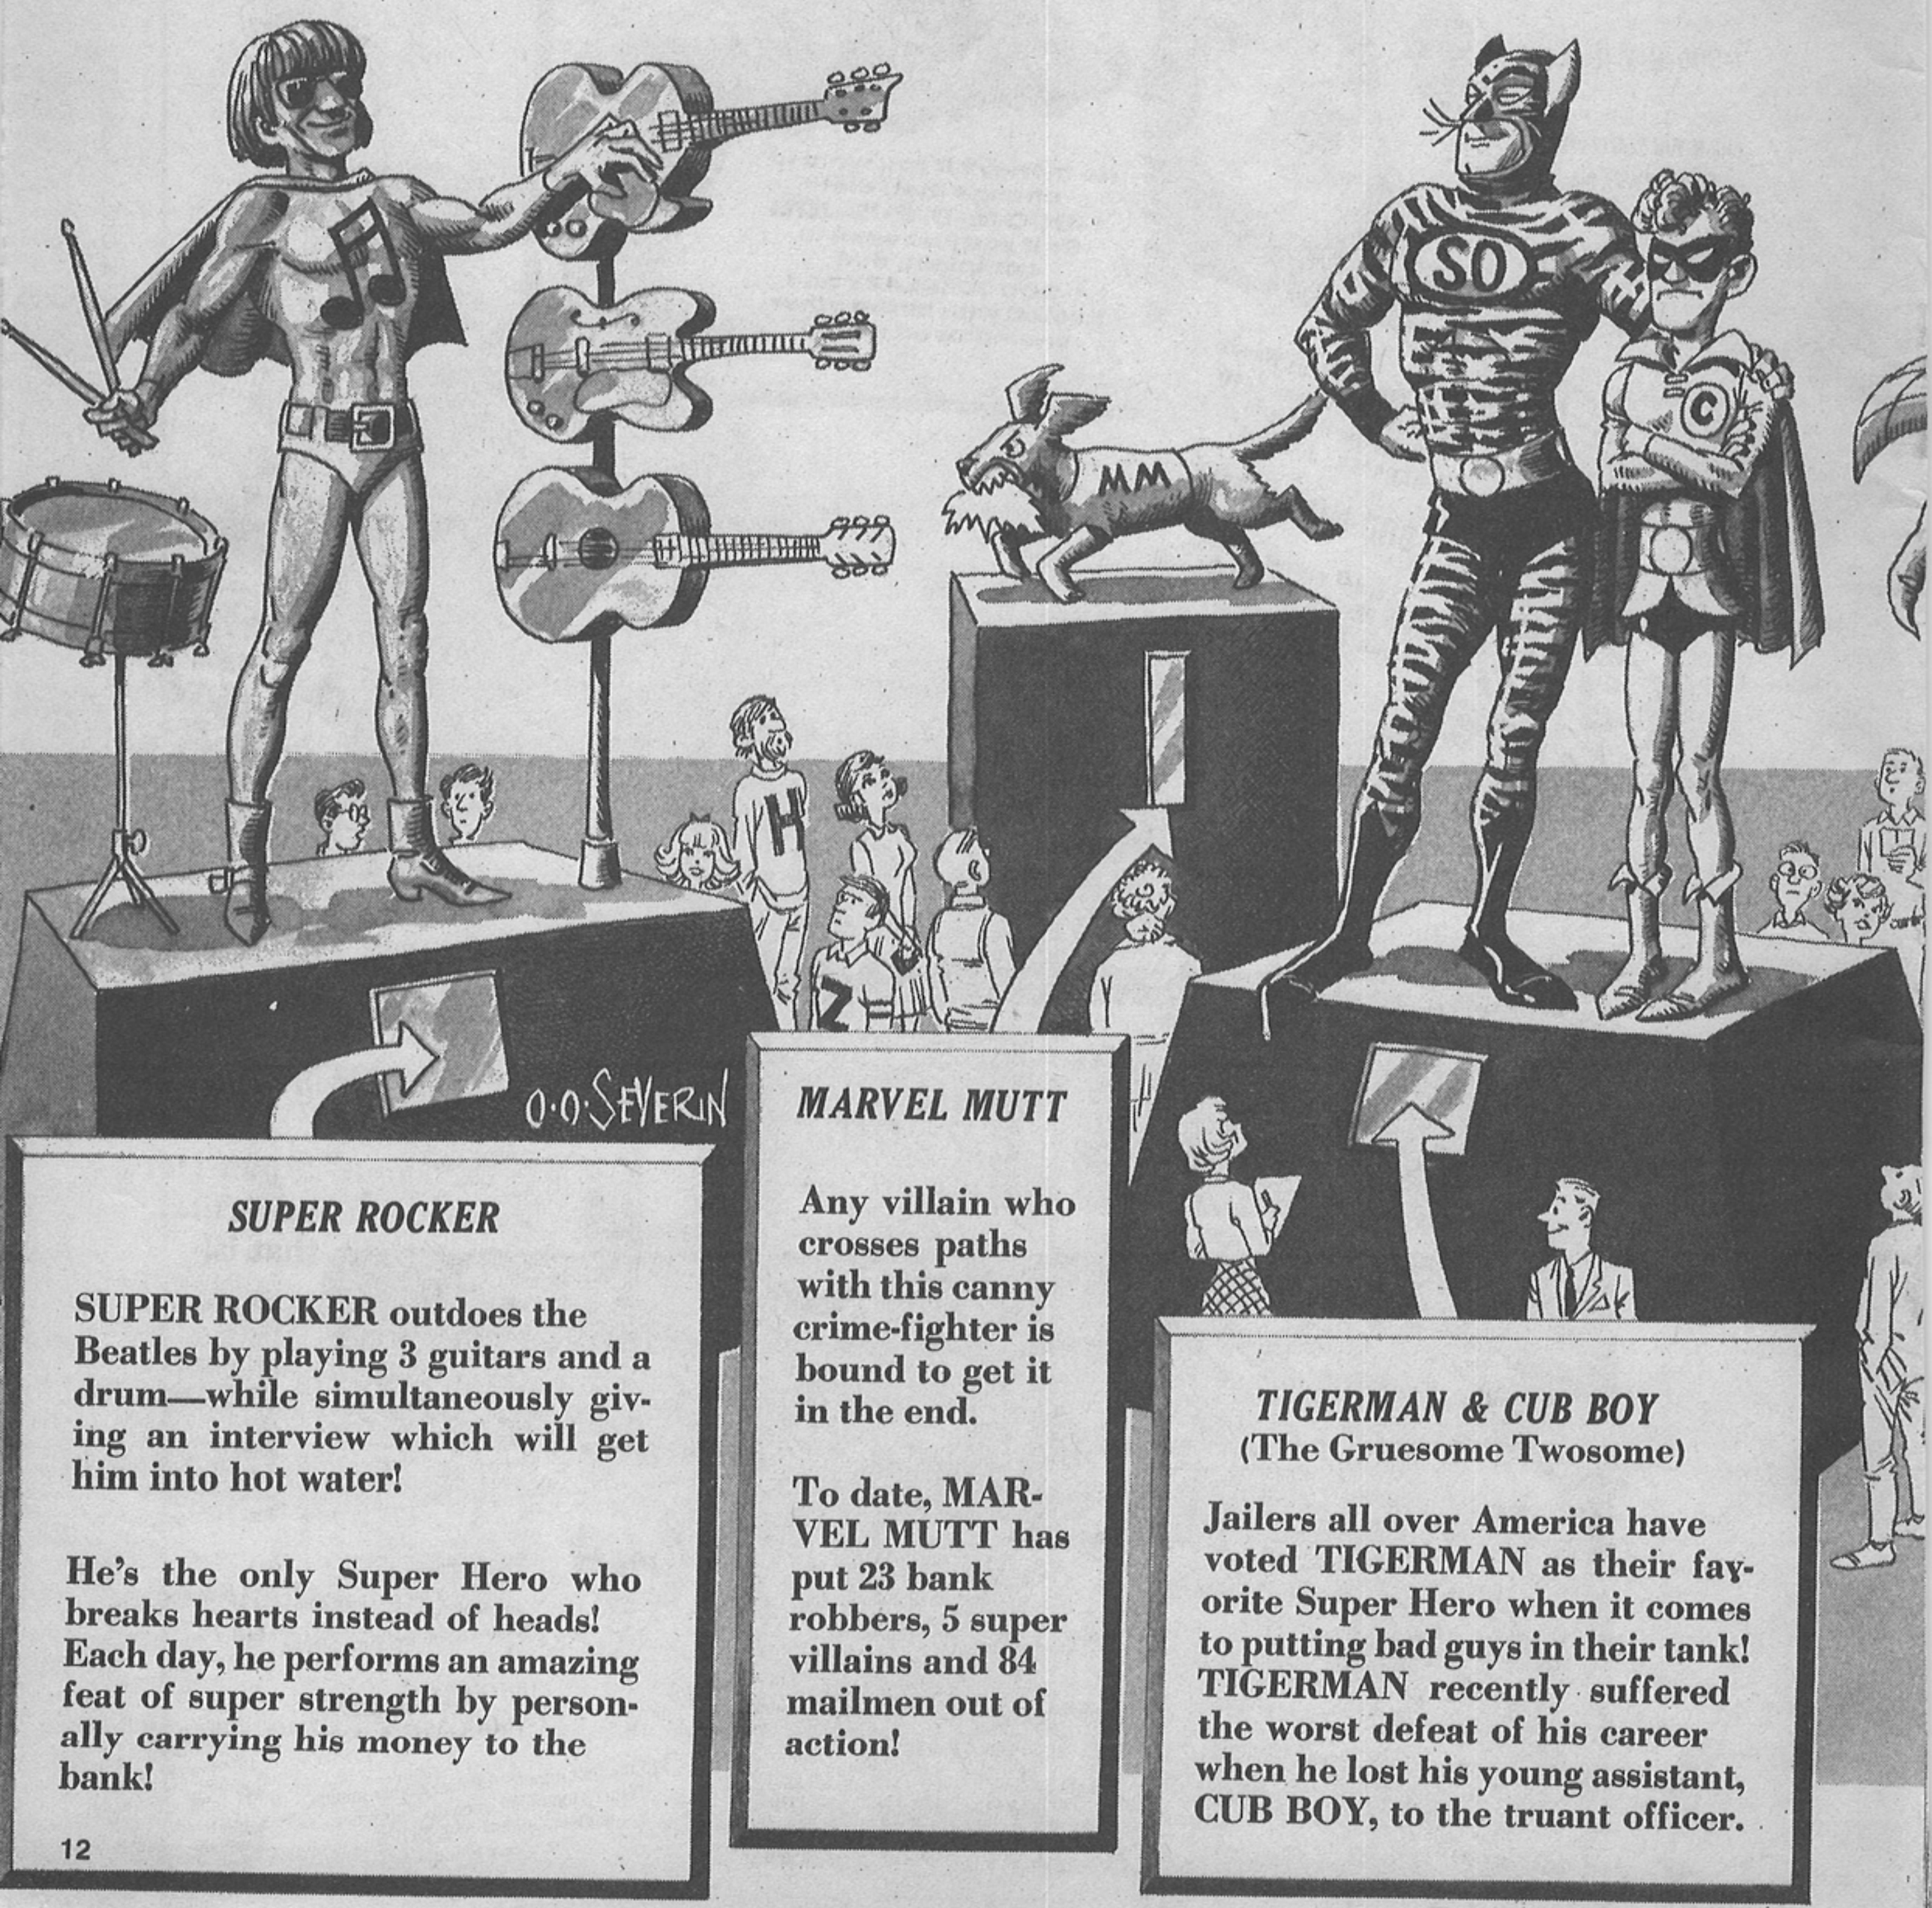
GALLERY OF GALLANT GOOD GUYS SECTION:

In every category, there are winners and there are losers. The same holds true in the field of Super Heroes. In this article, CRACKED has separated the "Super Hero Wheat" from the "Super Hero Chaff."

SUPER HERO



SUPER ROCKER

SUPER ROCKER outdoes the Beatles by playing 3 guitars and a drum—while simultaneously giving an interview which will get him into hot water!

He's the only Super Hero who breaks hearts instead of heads! Each day, he performs an amazing feat of super strength by personally carrying his money to the bank!

MARVEL MUTT

Any villain who crosses paths with this canny crime-fighter is bound to get it in the end.

To date, MARVEL MUTT has put 23 bank robbers, 5 super villains and 84 mailmen out of action!

TIGERMAN & CUB BOY
(The Gruesome Twosome)

Jailers all over America have voted TIGERMAN as their fayorite Super Hero when it comes to putting bad guys in their tank! TIGERMAN recently suffered the worst defeat of his career when he lost his young assistant, CUB BOY, to the truant officer.

Or, to put it more aptly, CRACKED has separated the Caped Crusaders who hit with a KAPOW!!! from the ones who hit with a SMEK! *CRACKED now brings you its . . .*

HALL OF FAME

PIZZAMAN

This amazing Caped Crusader can bring down villains at 50 yards by hurling his pies with deadly accuracy.

Unfortunately, PIZZAMAN hasn't been very active of late. He's taken to eating his own pies!

THE TEENY TERROR

This two-inch bundle of dynamite performs a very valuable service to busy Super Heroes. He delivers their coffee break orders!

J. BOGUS FARNSWORTH

This inventor has made life easier for the Caped Crusaders by concocting a special, underarm deodorant that permits Super Heroes to lift locomotives and still not offend!

SUPER MOD

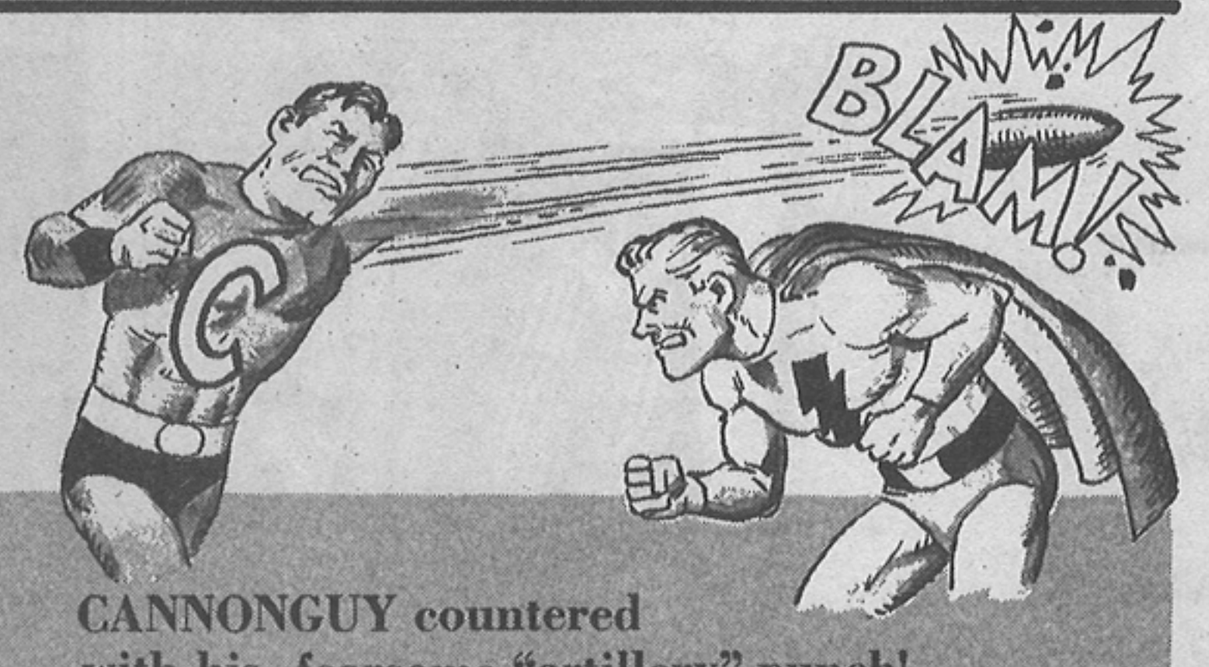
This "camp" Super Hero has never lost a fight—pillow fight, that is!

His dazzling Op Art cape stuns villains long enough to allow SUPER MOD to call the police.

SUPER MOD is the only Super Hero with his own portable, costume-changing phone booth. (He insists on never using the same costume twice for his capers!)

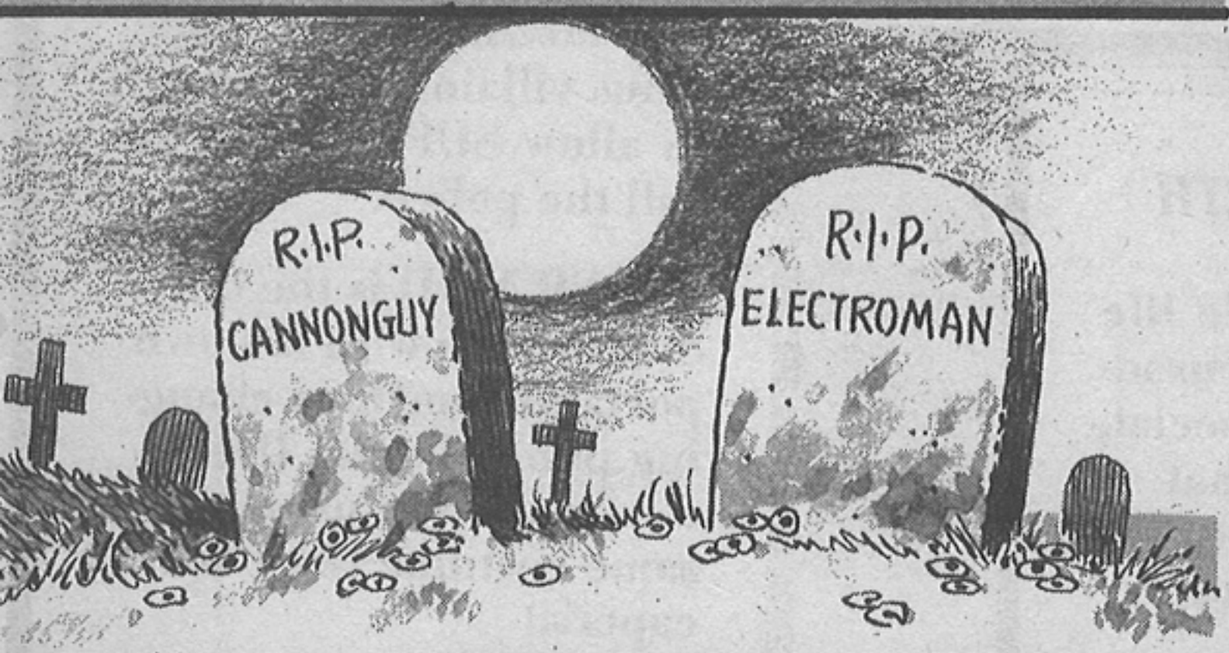
The most famous Super Hero battle of all time took place between ELECTROMAN and CANNONGUY. (The fight was over whose TV program had the highest ratings!)

ELECTROMAN unleashed his lightning punch!



CANNONGUY countered with his fearsome "artillery" punch!

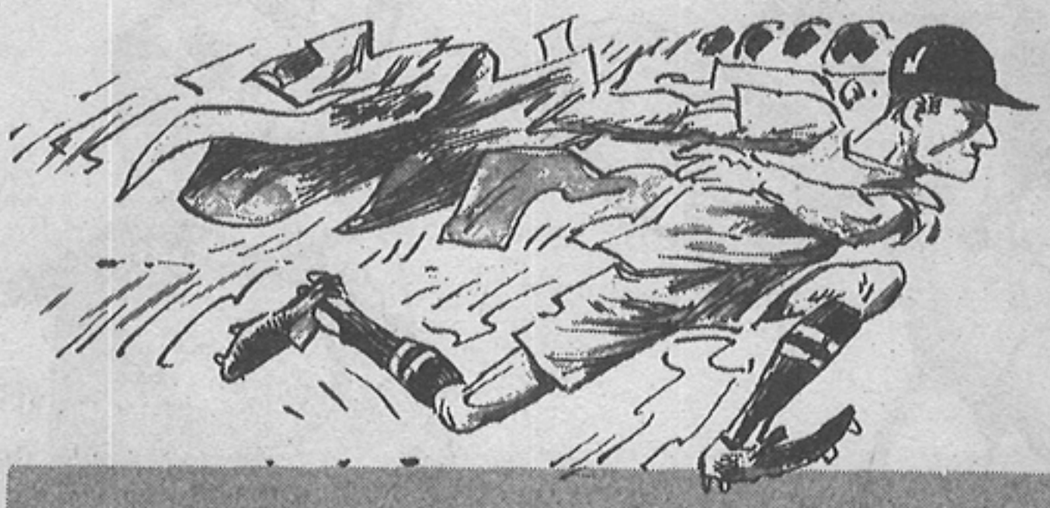
The fight was a brief one . . .



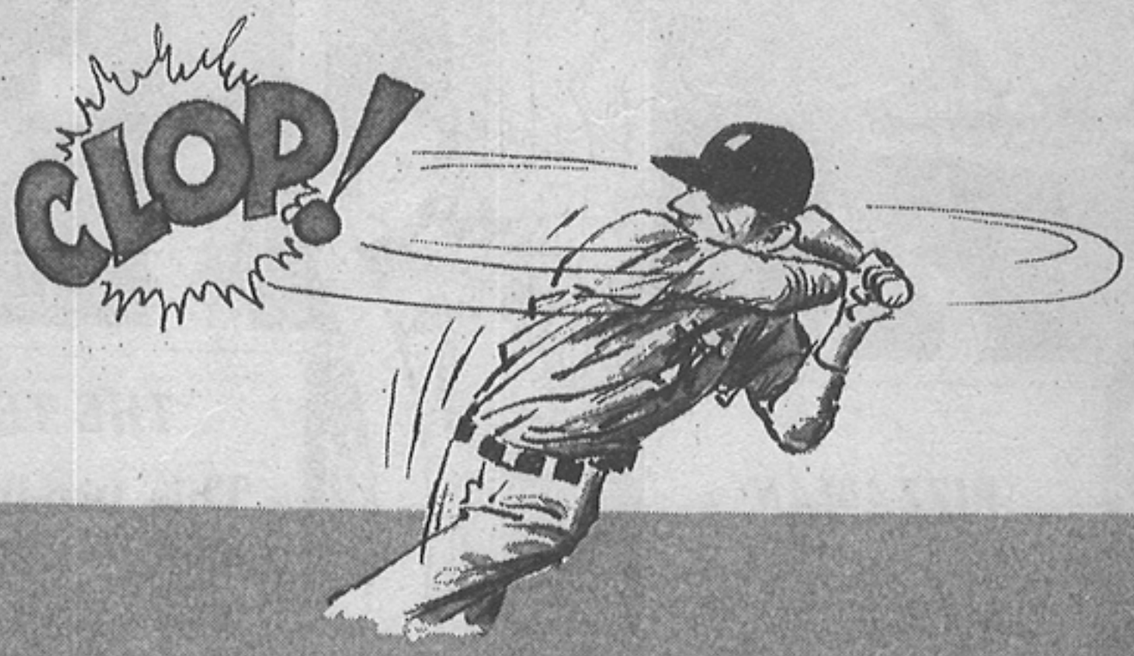
. . . And ended in a draw!

The most famous Super Hero feat of all time is performed by the BLUE STREAK.

The BLUE STREAK can throw a baseball . . .



. . . proceed to beat it to home plate . . .

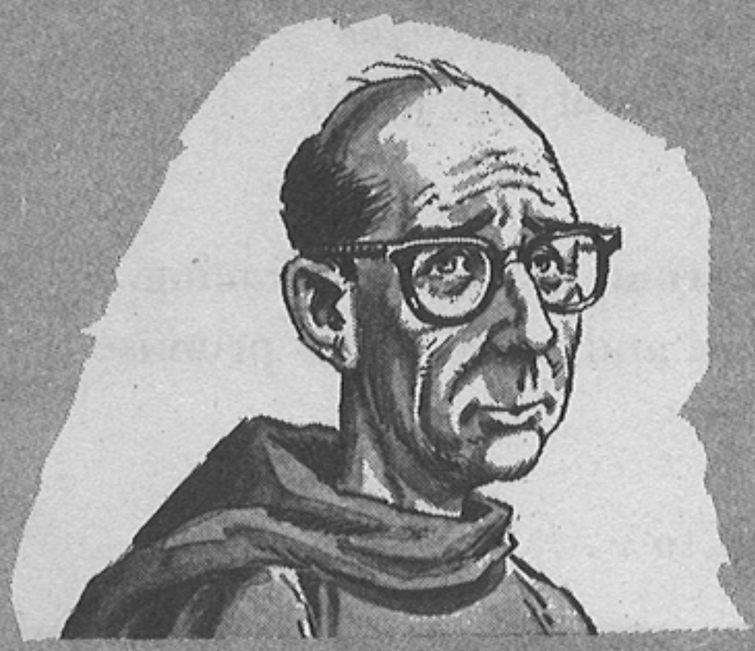


. . . In time to hit it, circle the bases . . .

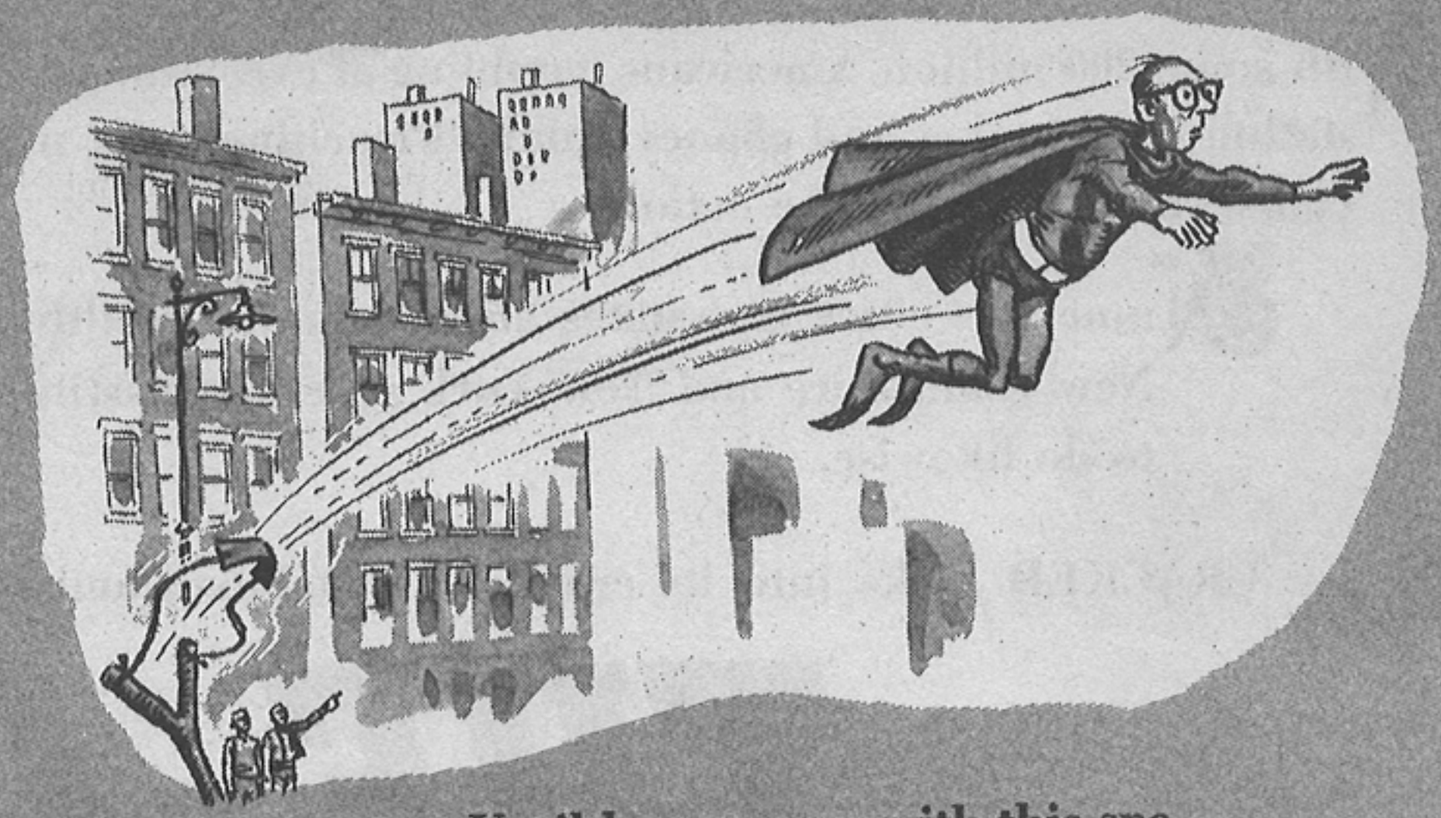
. . . Change into an Umpire's uniform, and call the ball "foul" even before the bat hits the ground!

Zsa Zsa Smythe is receiving a quart bottle of Mexican perfume from Sylvester. For Cousin Bentley's present, look at page 34.

On this page, CRACKED presents some of the Caped Crusaders who have been nominated for the Super Hero Hall of Fame, but who did not quite muster enough votes for admittance . . .

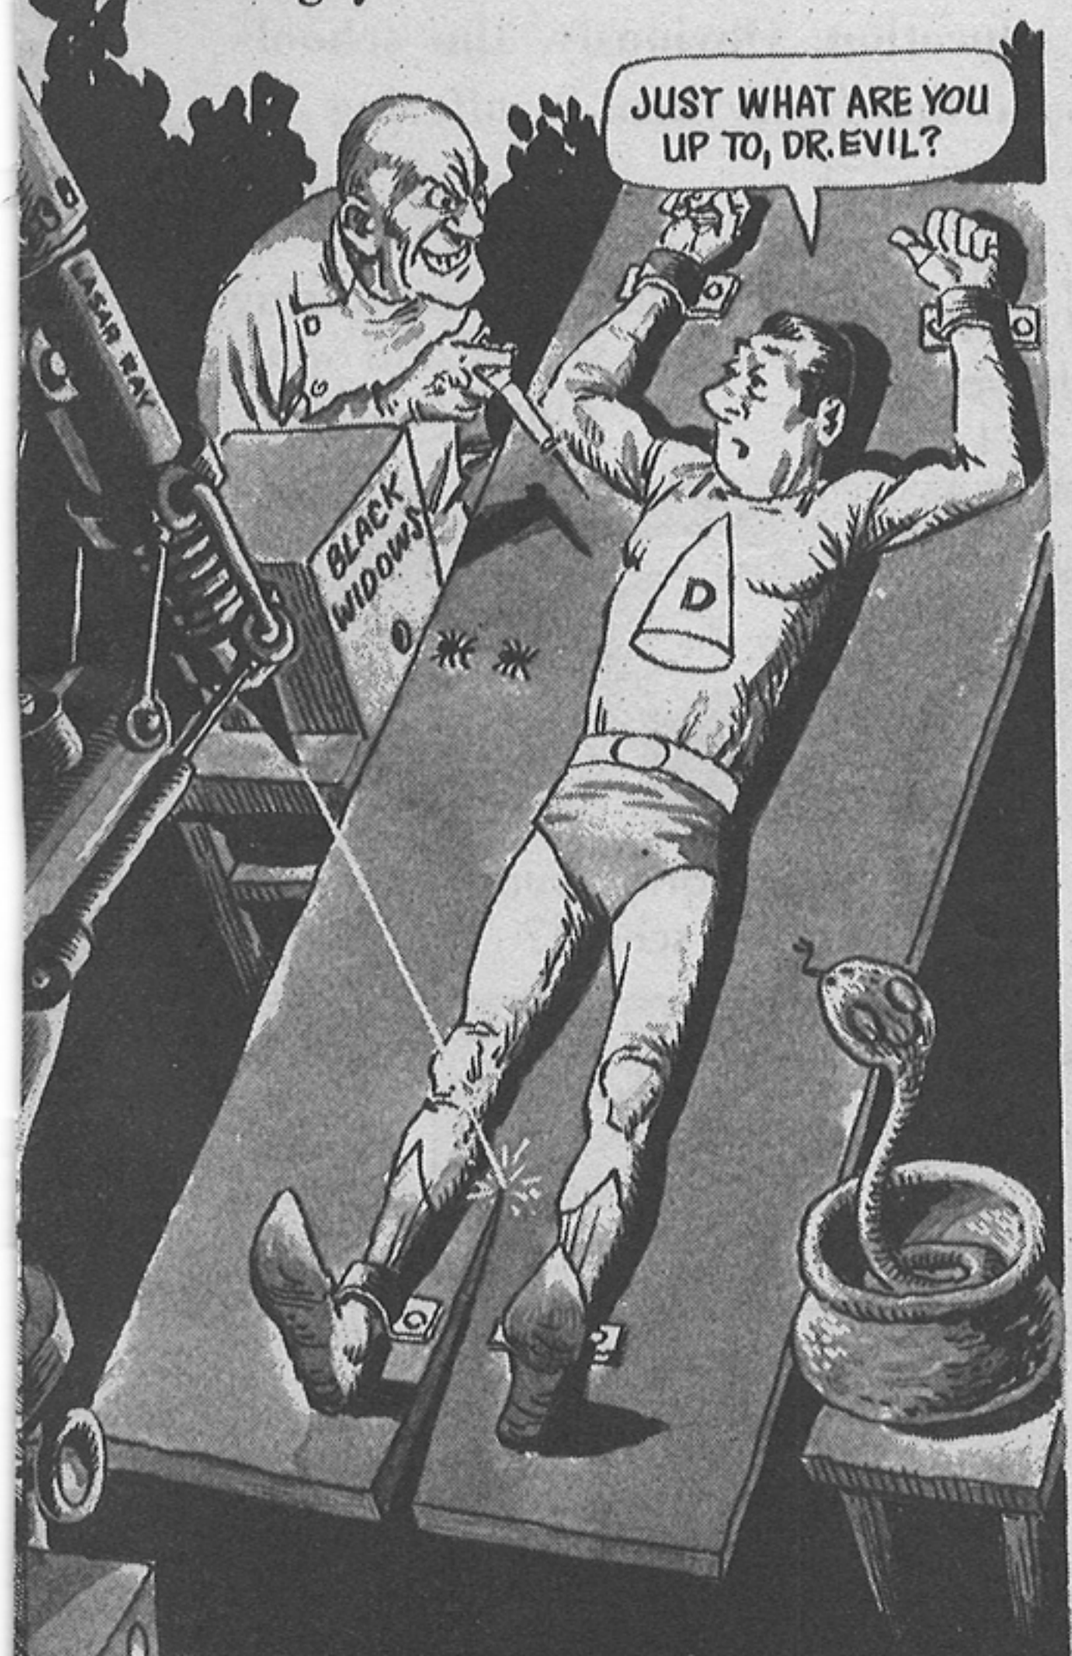


Leaping over tall buildings is quite a problem for CAPTAIN CORNELIUS—who even has trouble leaping over curbs . . .



. . . Until he came up with this special solution!

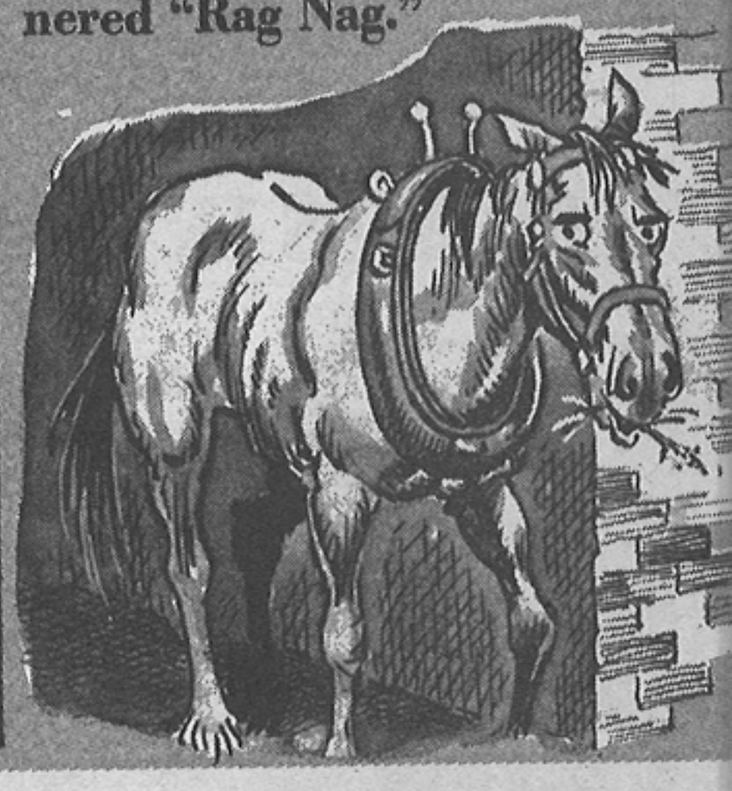
STUPORMAN has just one little problem that prevents him from becoming a top-notch crime fighter: He can't tell the good guys from the bad guys!



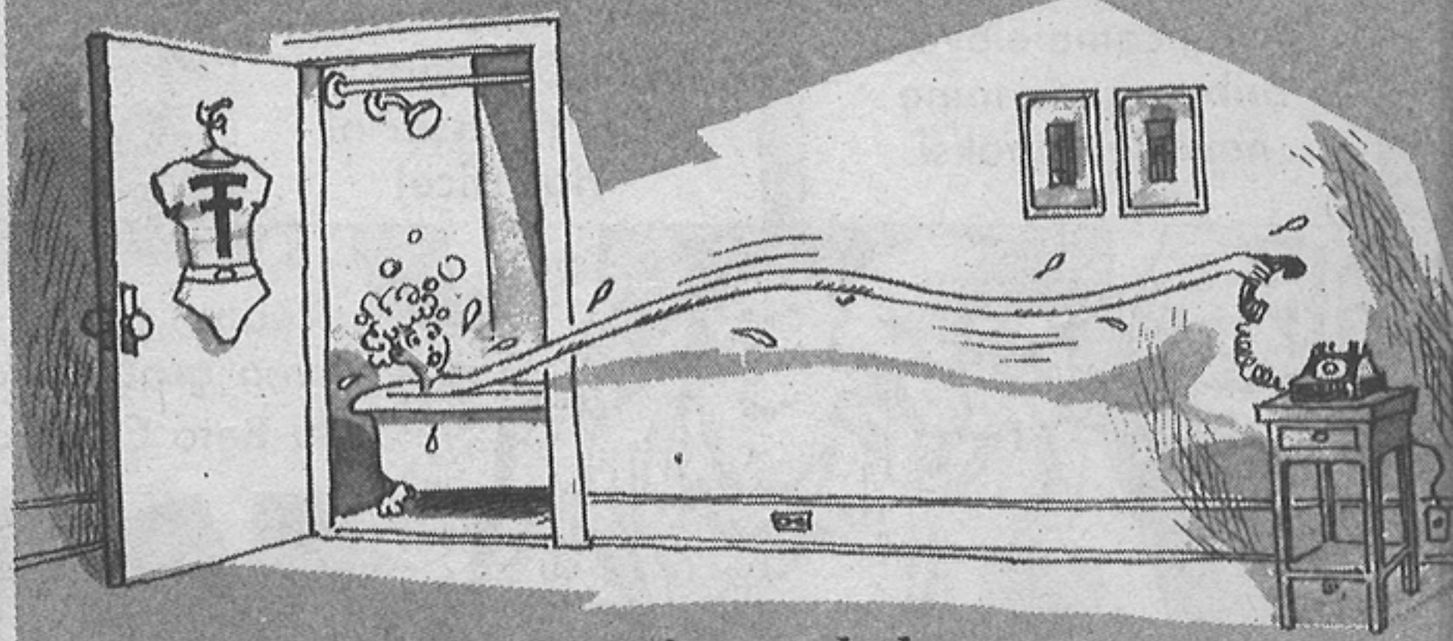
. . . He's also the only Super Hero who's never appeared on a bubble gum card!

SUPER STEED is much too big to use a phone booth for costume-changing.

. . . As a result, SUPER STEED must spend 98% of his precious, crime-fighting time looking for an alley where he can shuck off his disguise as the mild-mannered "Rag Nag."



TESSIE THE TEEN has amazing super stretching powers which permit her to answer the phone while taking a bath, and switch TV channels without getting up.



. . . The only thing she can't stretch, however, is her allowance!

OLD CRAPSHOOTERS NEVER DIE; THEY JUST FADE AWAY SECTION:

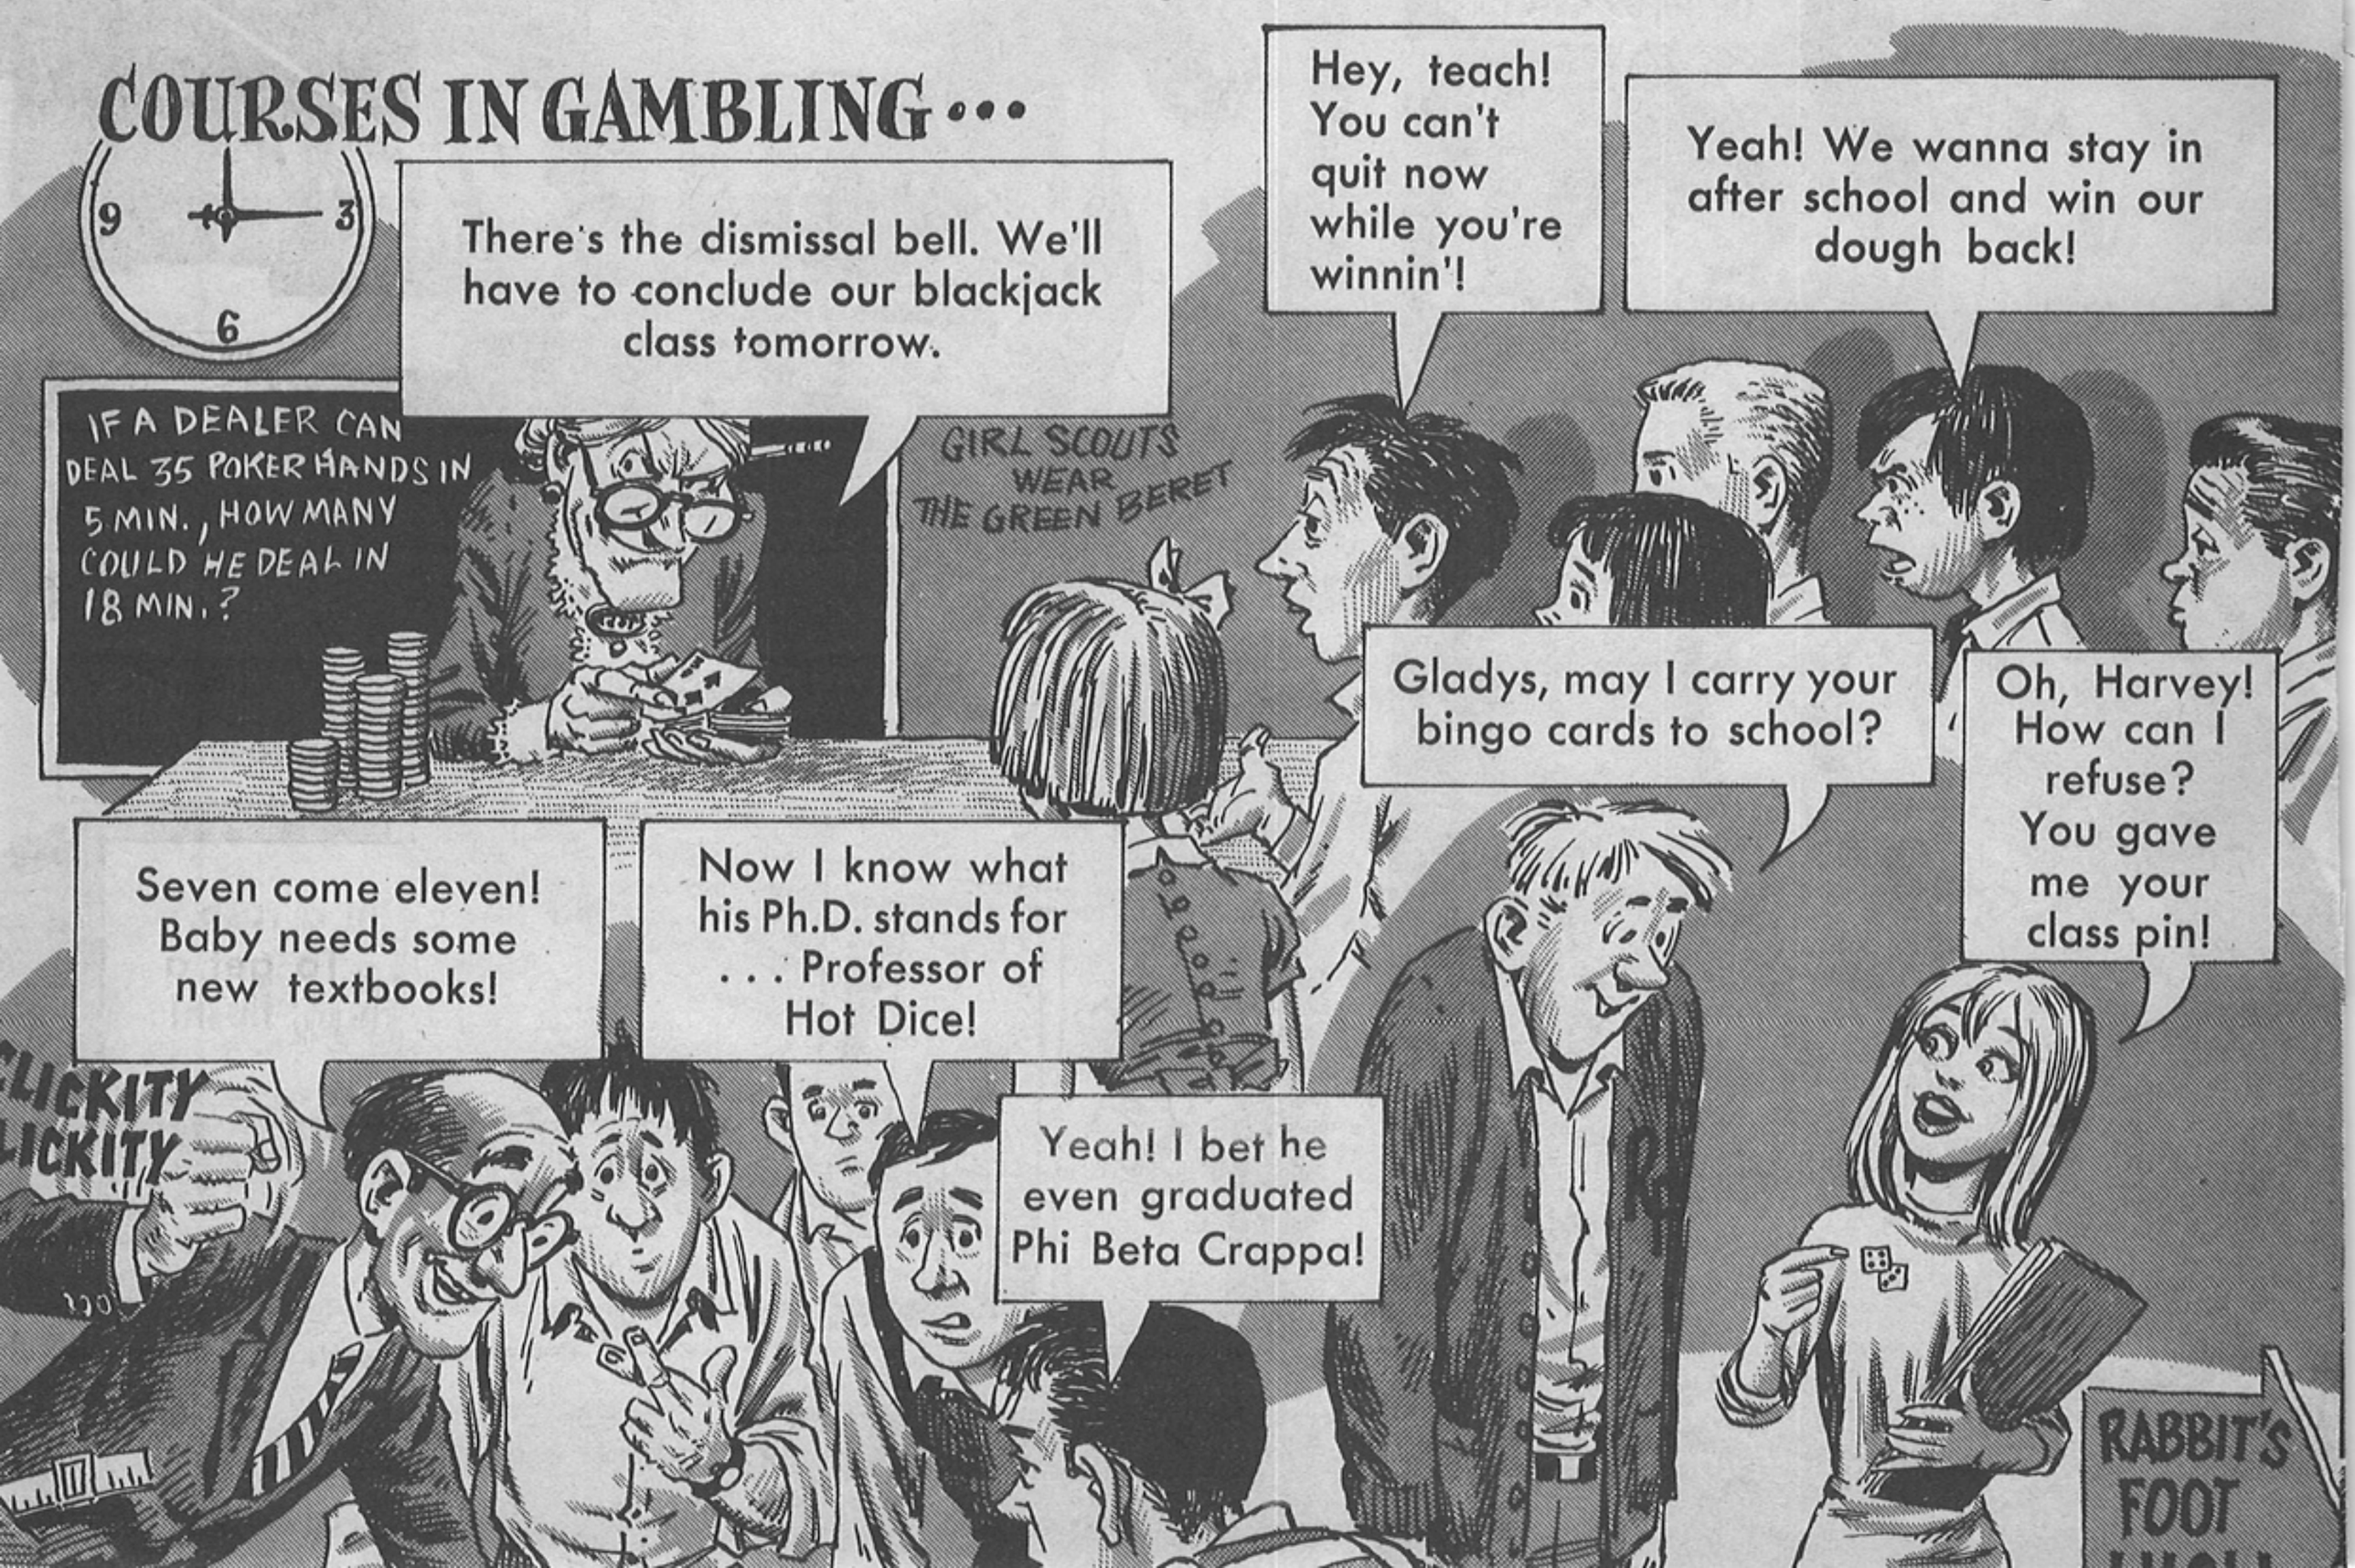
With some 200 million Americans gambling at everything from nags and numbers to gas station sweepstakes and chancy gumball machines, it's understandable that the politicians want a piece of the action.

Numerous cities and states already take a healthy rake-off from parimutual racing. New Hampshire and New York recently in stituted lotteries, and more states promise to do likewise.

CRACKED looks into its cracked crystal ball and sees no entl to . . .

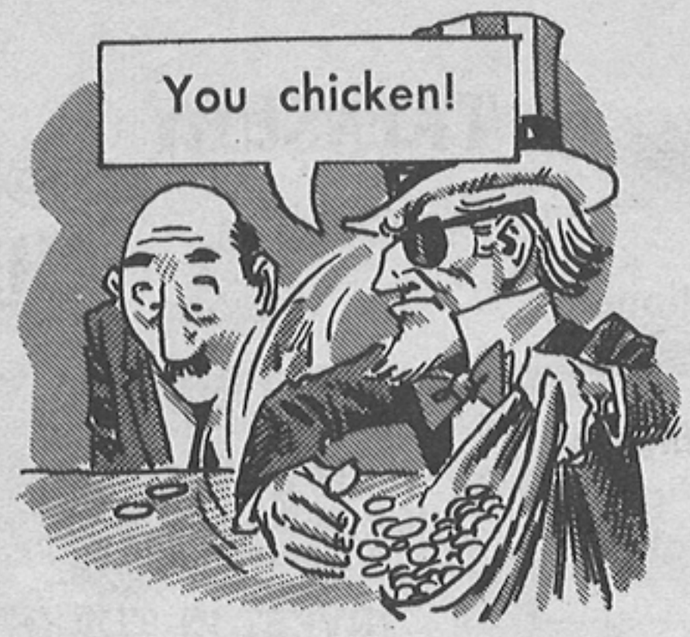
THE GOVERN GAMBOL IN

New York intends to use the proceeds of its lottery for education. Obviously, the schools that benefit from gambling will have to pay homage to the hand that feeds them by offering . . .



Even government tax laws encourage gambling in the stock market . . .

A hard-working, non-gambling millionaire must pay a whopping 90%+ of his income in taxes.



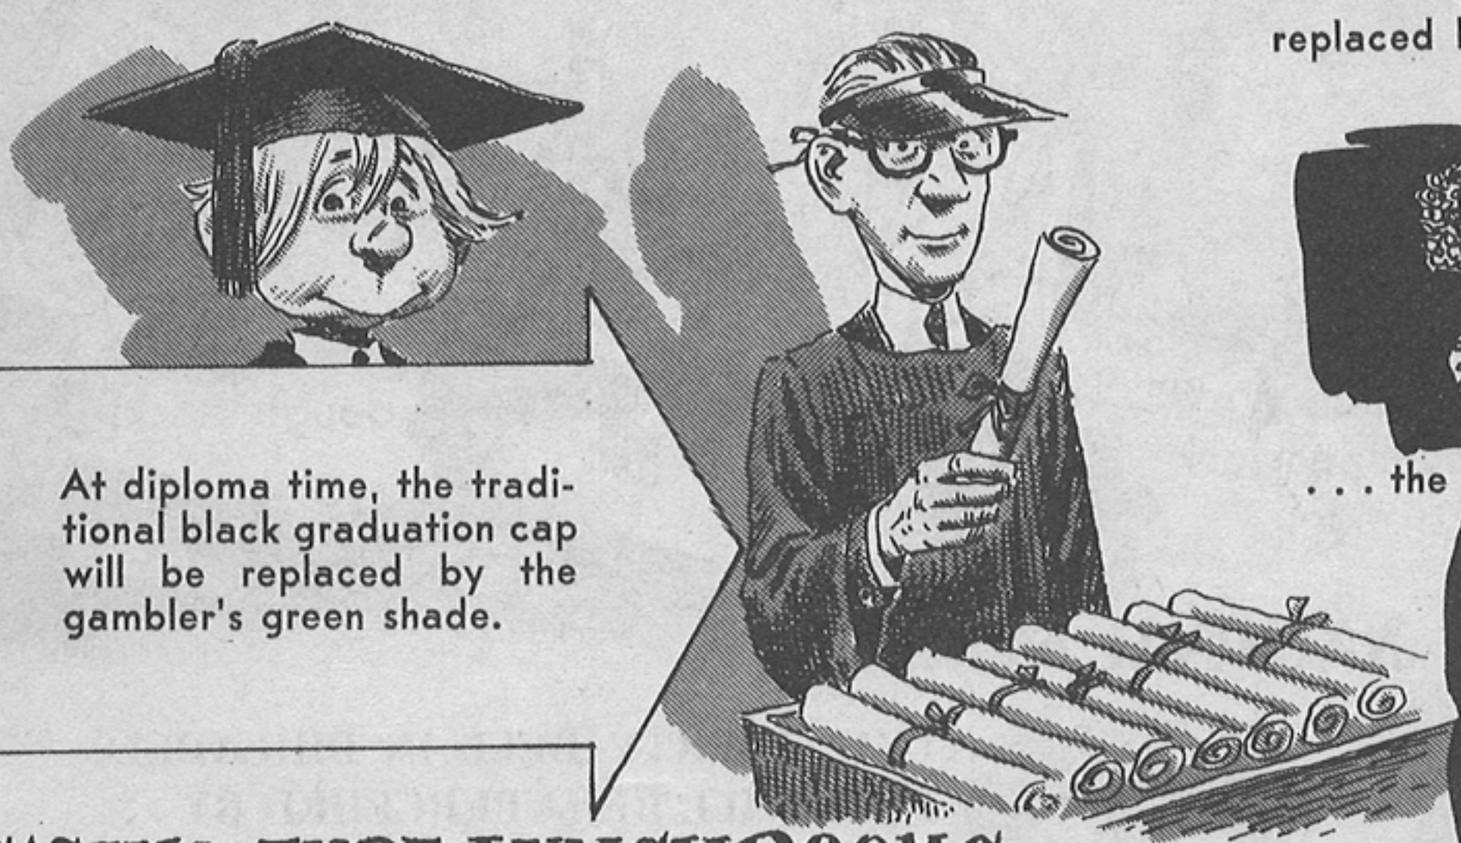
A millionaire who gambles on the stock market gets to keep at least 50% of his winnings.

MENT GAMBLING

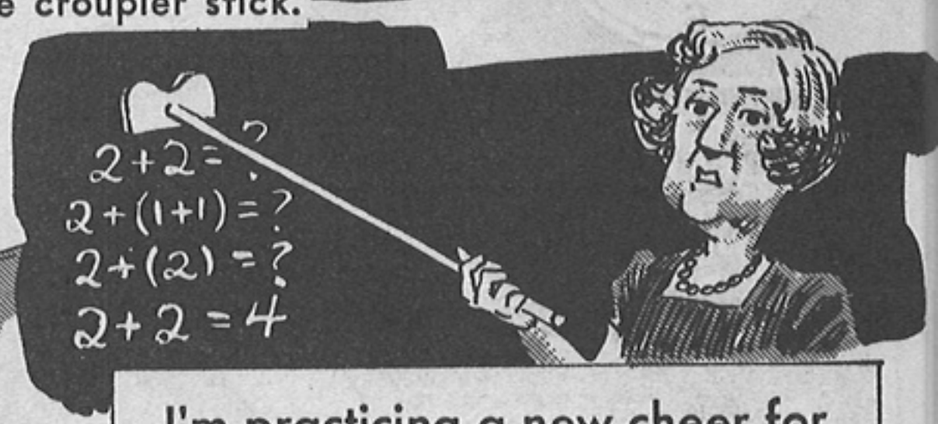
NEW TRADITIONS

Out of respect for the noble art of "wagering," the teacher's power symbol, the pointer, will be replaced by . . .

. . . the croupier stick.

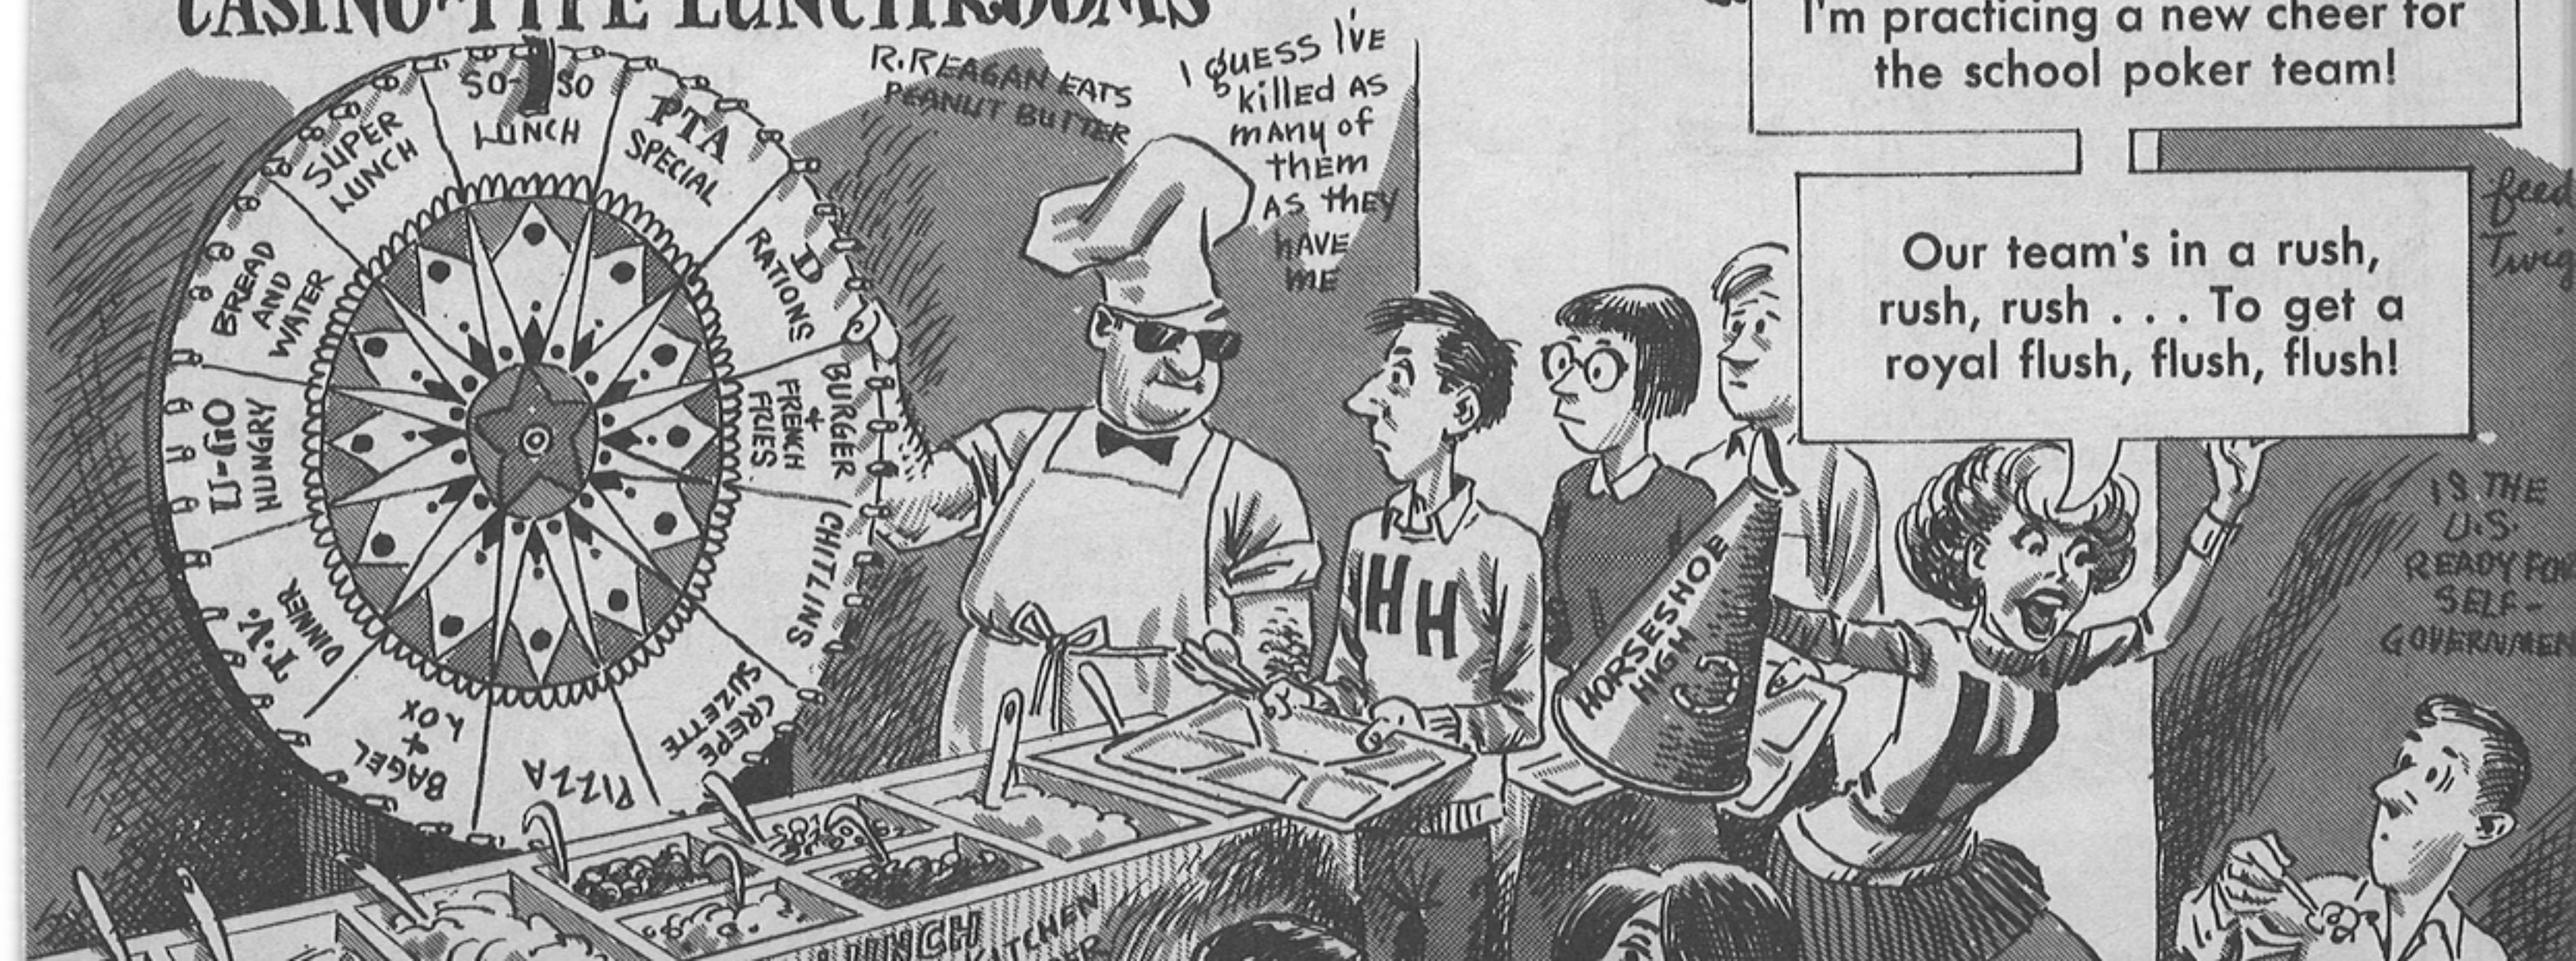


At diploma time, the traditional black graduation cap will be replaced by the gambler's green shade.



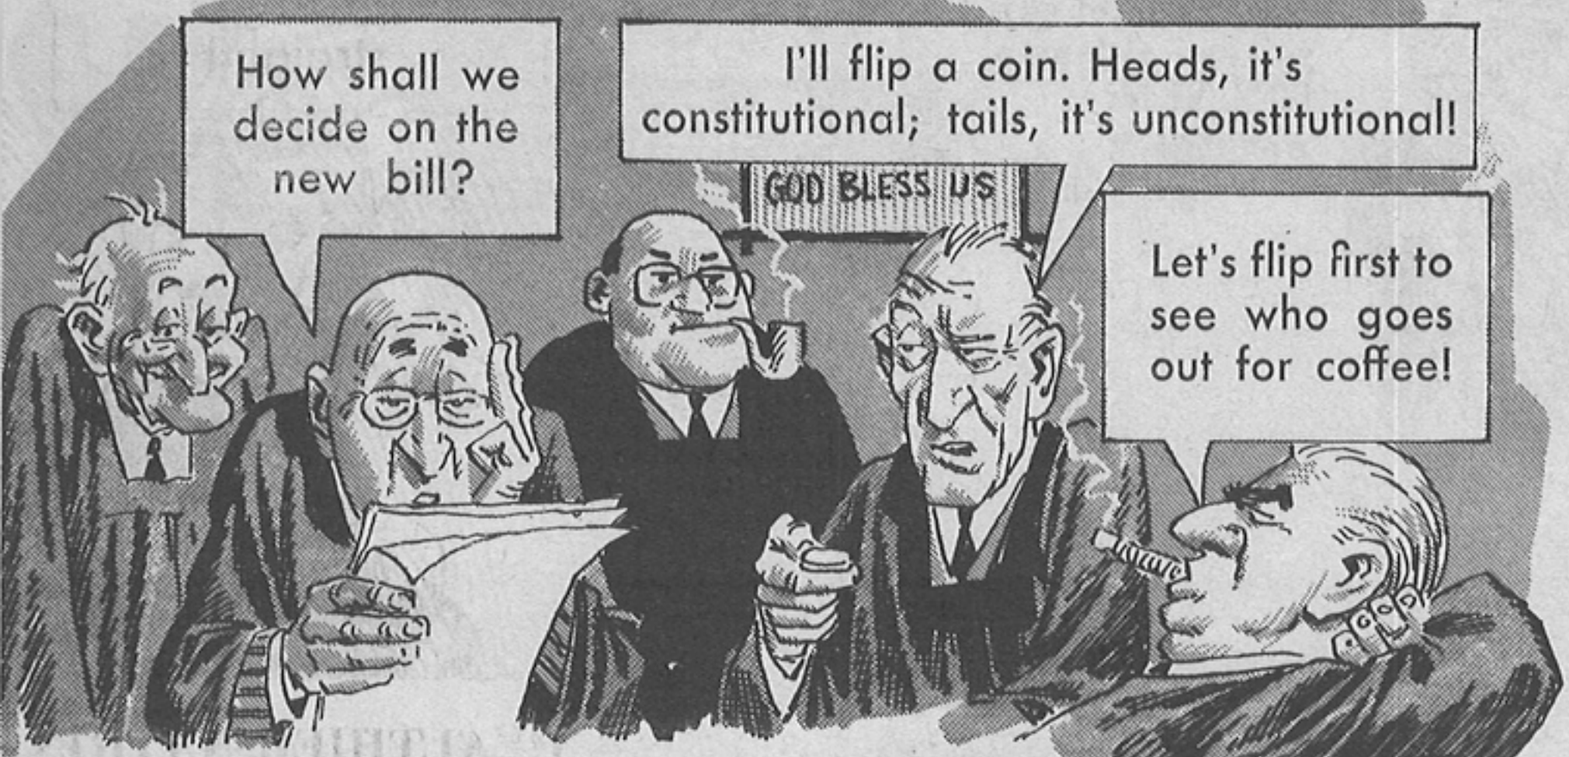
I'm practicing a new cheer for the school poker team!

CASINO-TYPE LUNCHROOMS

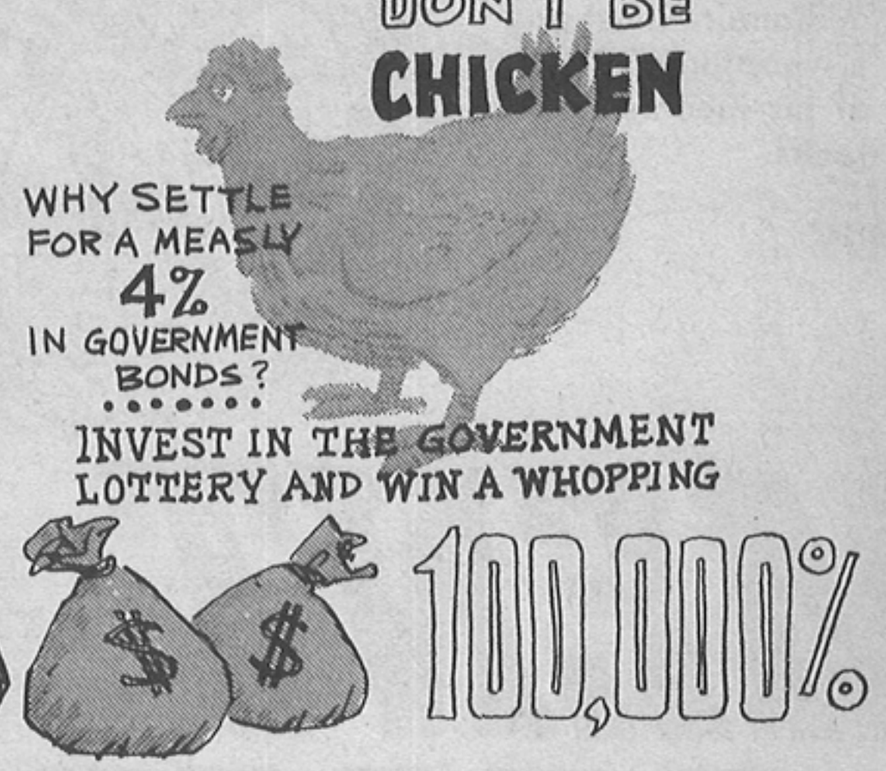


With the government's involving itself more and more in gambling, we can look for the following changes in federal institutions . . .

THE SUPREME COURT

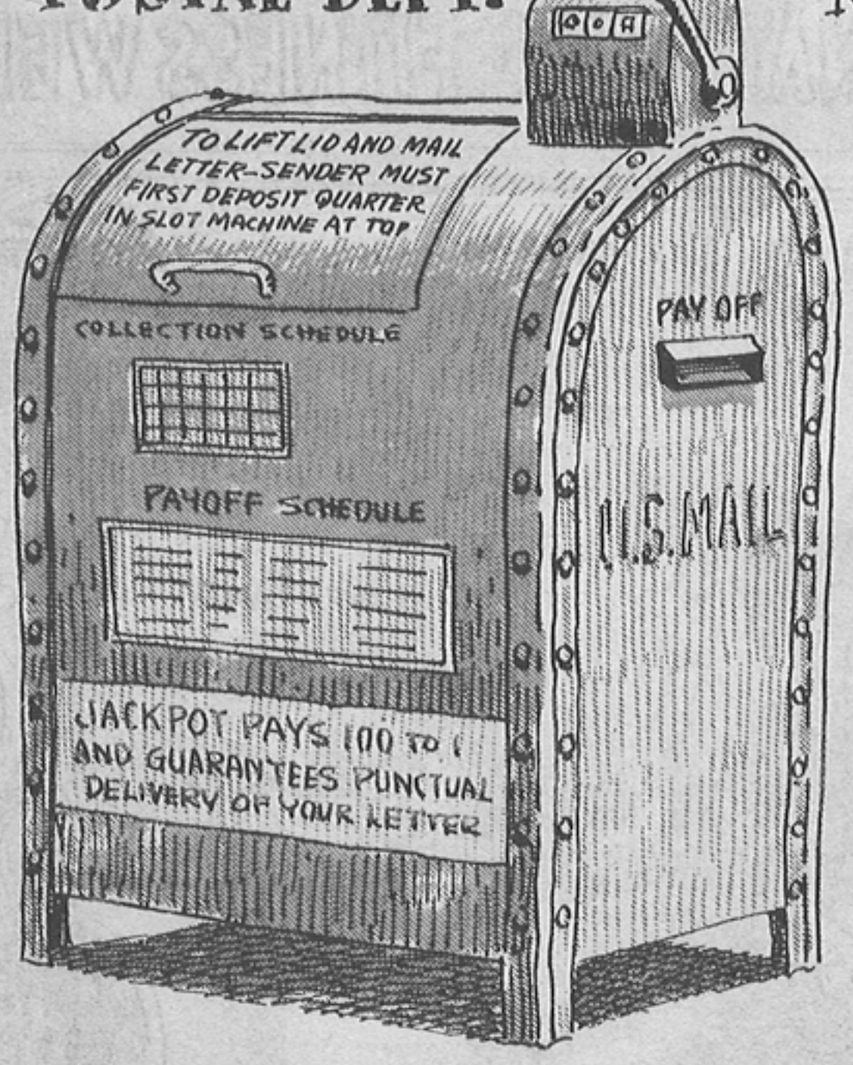


TREASURY



THE PRESIDENT'S CABINET

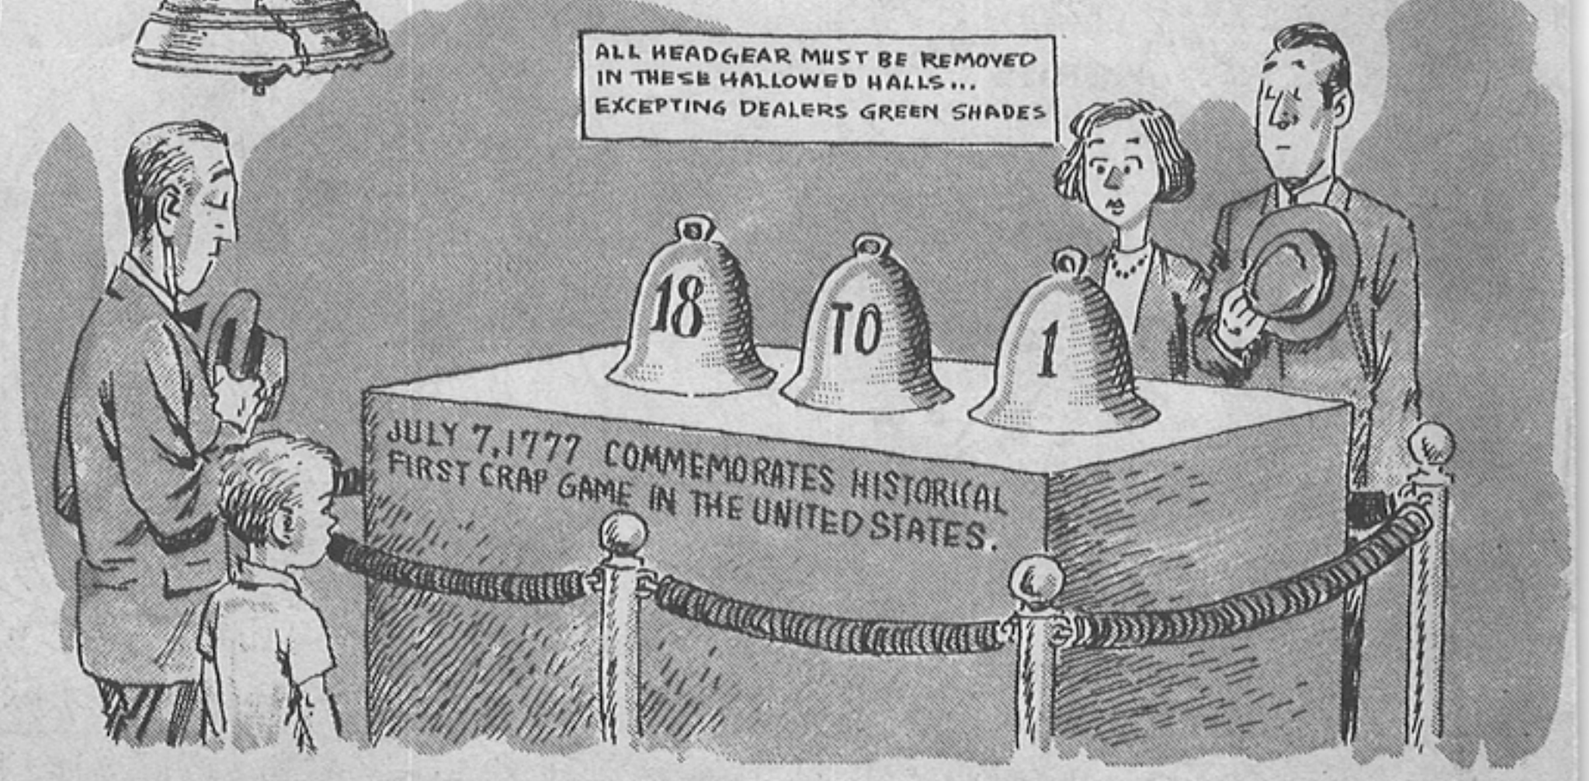
POSTAL DEPT.



NATIONAL SYMBOLS

THE LIBERTY BELL IN PHILADELPHIA WILL BE SUPERCEDED BY . . .

. . . THE THREE SLOT MACHINE BELLS IN LAS VEGAS.



THE PENTAGON

Wars will be fought on the poker table . . .

Just what I need to bury capitalists with . . . 5 spades!

General, the Russian Marshal's bluffing. See him the armored division and raise him two infantry divisions!

Hmpf! You'll never catch the Navy drawing to an inside straight!

ELECTIONS

Political candidates will be chosen on their gambling ability . . .

If elected, I guarantee there'll be a chicken in every pot, two cars in every garage, and three aces in every poker hand!

I'm willing to save the taxpayers the cost of an election by cutting cards with my opponent for the presidency!

CURRENCY

HEALTH

FOR A HEALTHIER NATION, WE URGE ALL AMERICANS TO PLAY CRAPS TWICE A DAY.

SCOOPING UP THE MONEY GIVES YOU VALUABLE ARM EXERCISE.

CRAP SHOOTER'S STANCE GIVES YOU KNEE AND LEG EXERCISE.

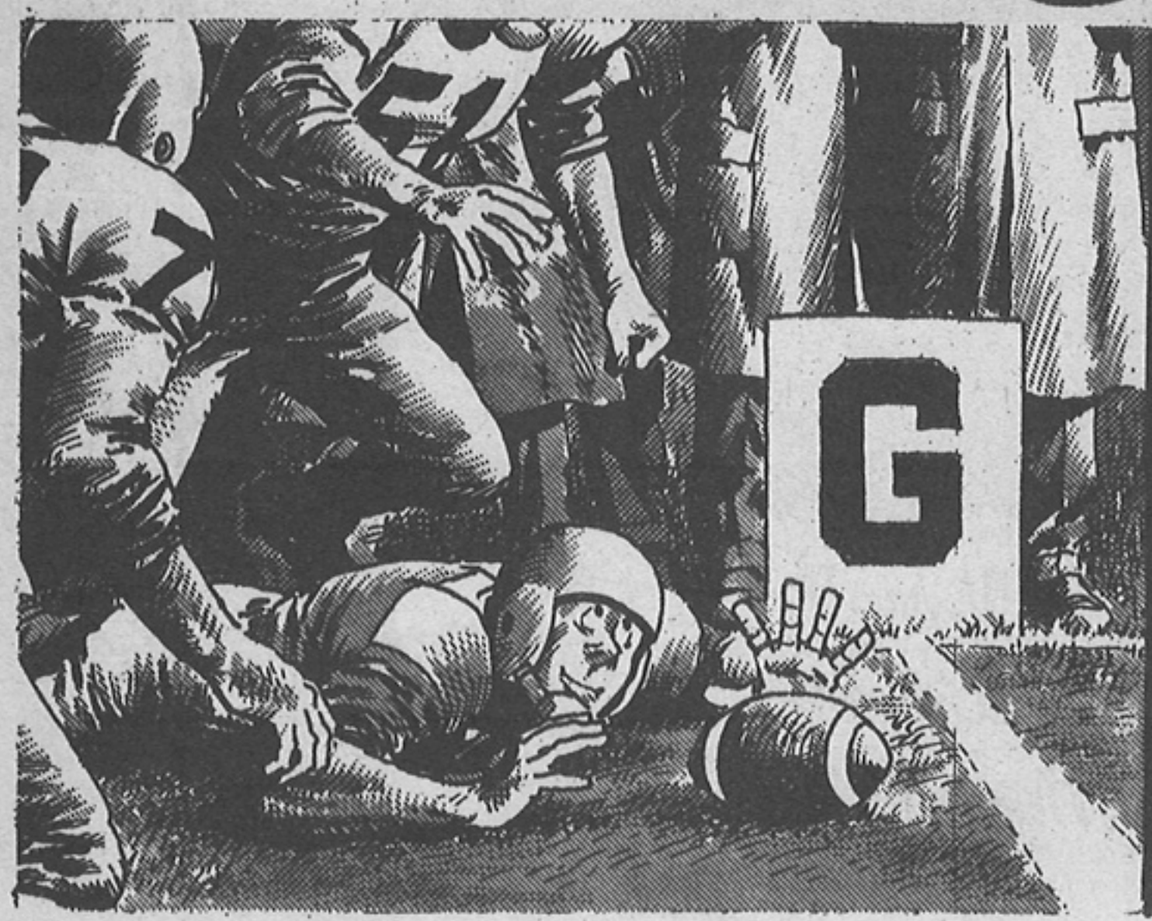
HEY, NELSON, BOY—PIPE THE STAMP, HAW!

We at CRACKED did some research recently and discoverea THAT newspaper picture editors find "the SCISSOR is mightier than the sword." It seems they use the scissor to crop photographs, thereby giving the impression of the whole truth in only half a shot. This can be a most powerful instrument in fooling most of the people most of the time. To show you what we mean here are a few . . .

PHOTOS



It's a sad day for No. 33 whose last-minute fumble has just cost his team a possible victory.

Sad day heck! The clod has just made an easy five grand by dumping the game. Appreciative gamblers in the stands are shown admiring No. 33's acting ability.

After the most romantic courtship Hollywood has ever seen, actress Rita Va Voom and director Roberto Stromboli prepare to set off on what also bids to be Hollywood's most romantic honeymoon.

. . . with an army of kids from their seven previous marriages.

THAT HAVE BEEN CROPPED

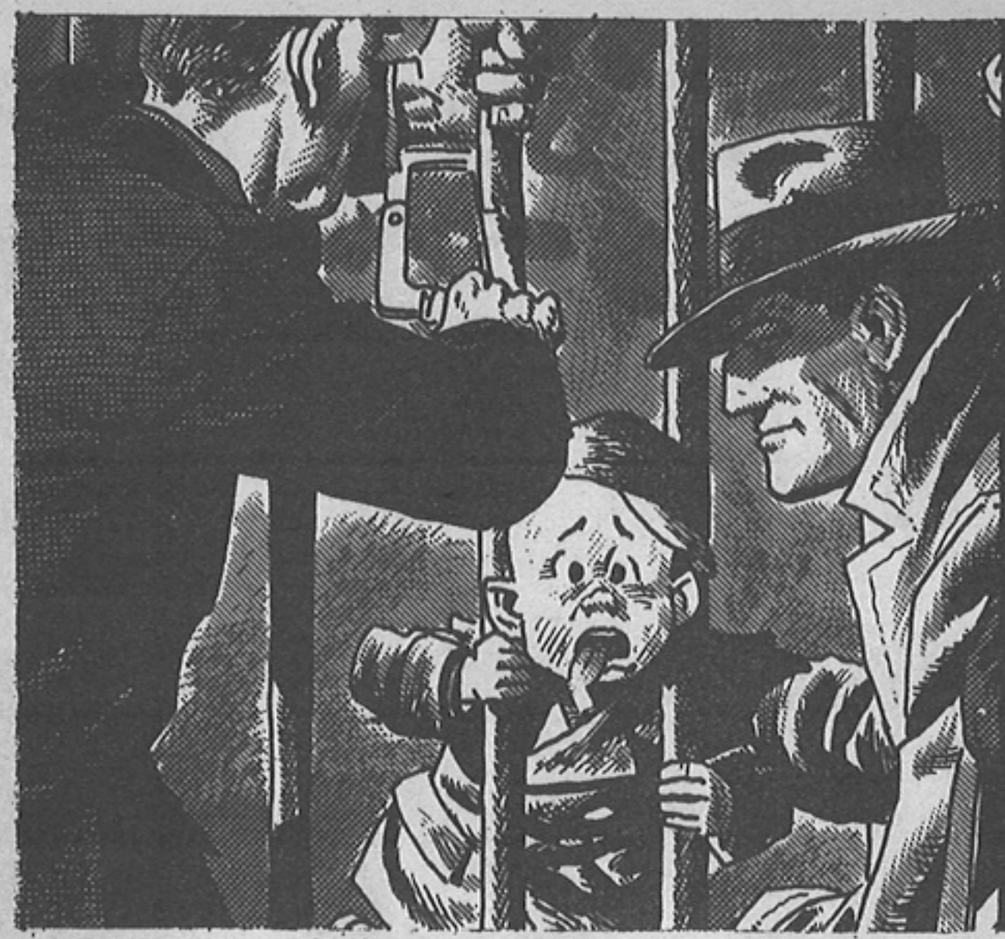
Kookie Cheesekake greets New York on her surprise arrival at Idlewild Airport.

This gal arrived two days ago and has been posing on the runway ever since. She's already held up 19 flights and irate guards are prepared to take drastic action.

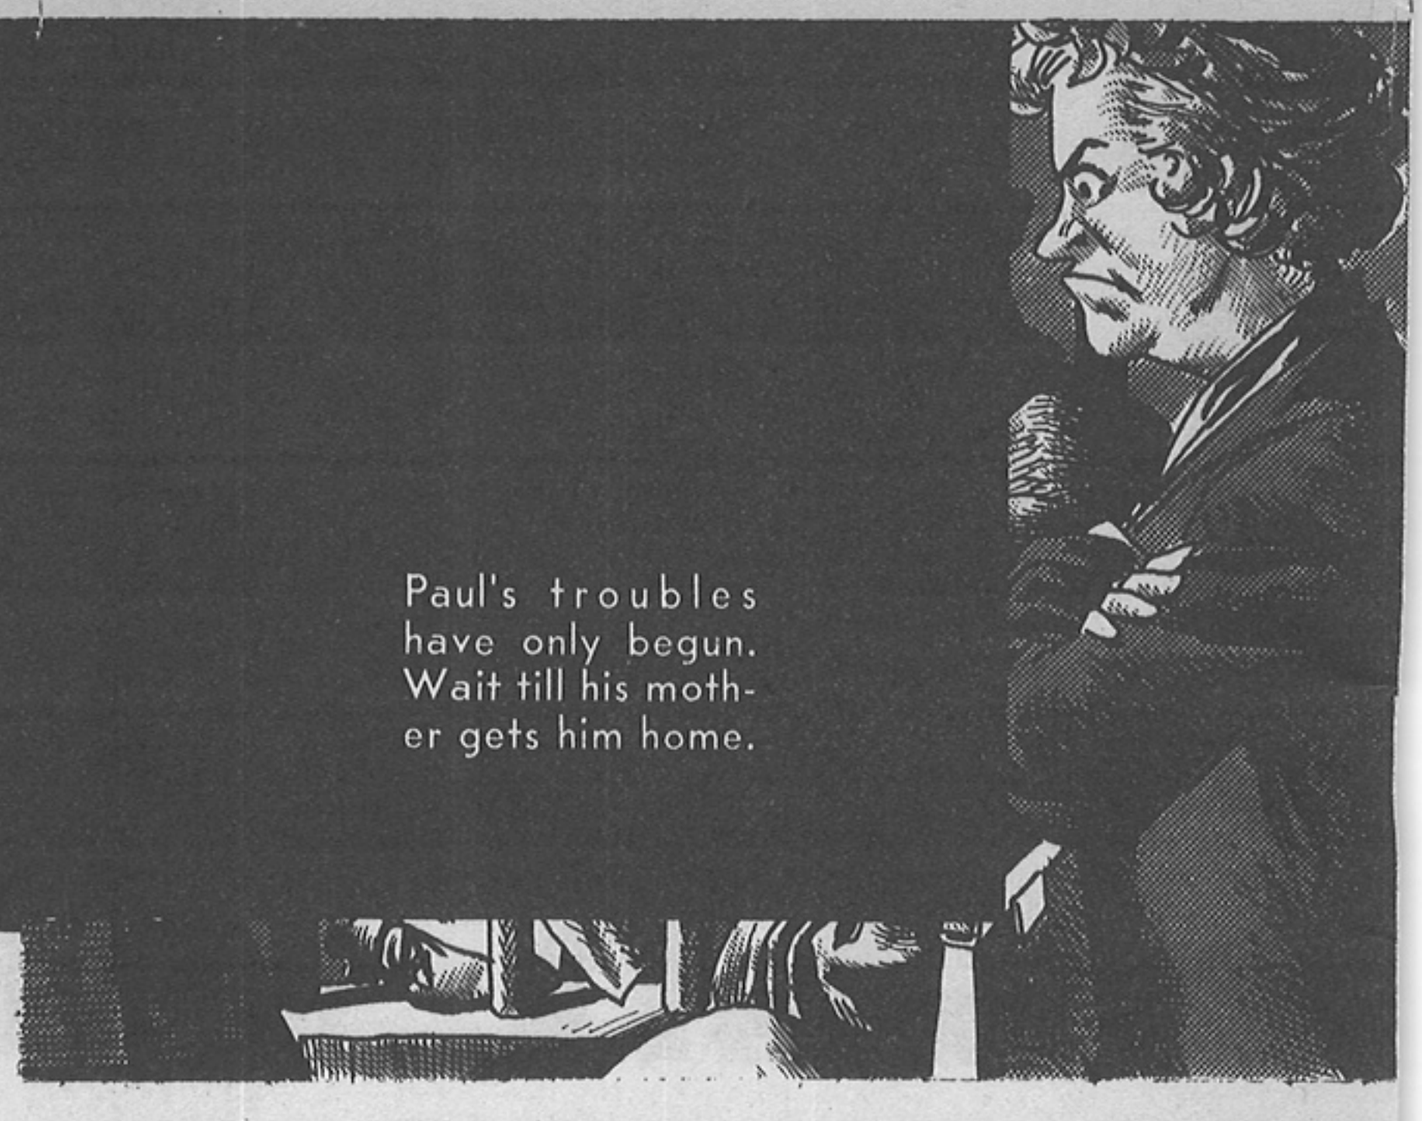
It isn't every day that a lucky ensign can get to marry the admiral's daughter. Sanford Gootch is shown with his bride, the former Miss Thelma Beauregard.

And Admiral Beauregard is there to make sure Ensign Gootch doesn't push his luck by trying to get out of the "saber wedding."

SEVERIN



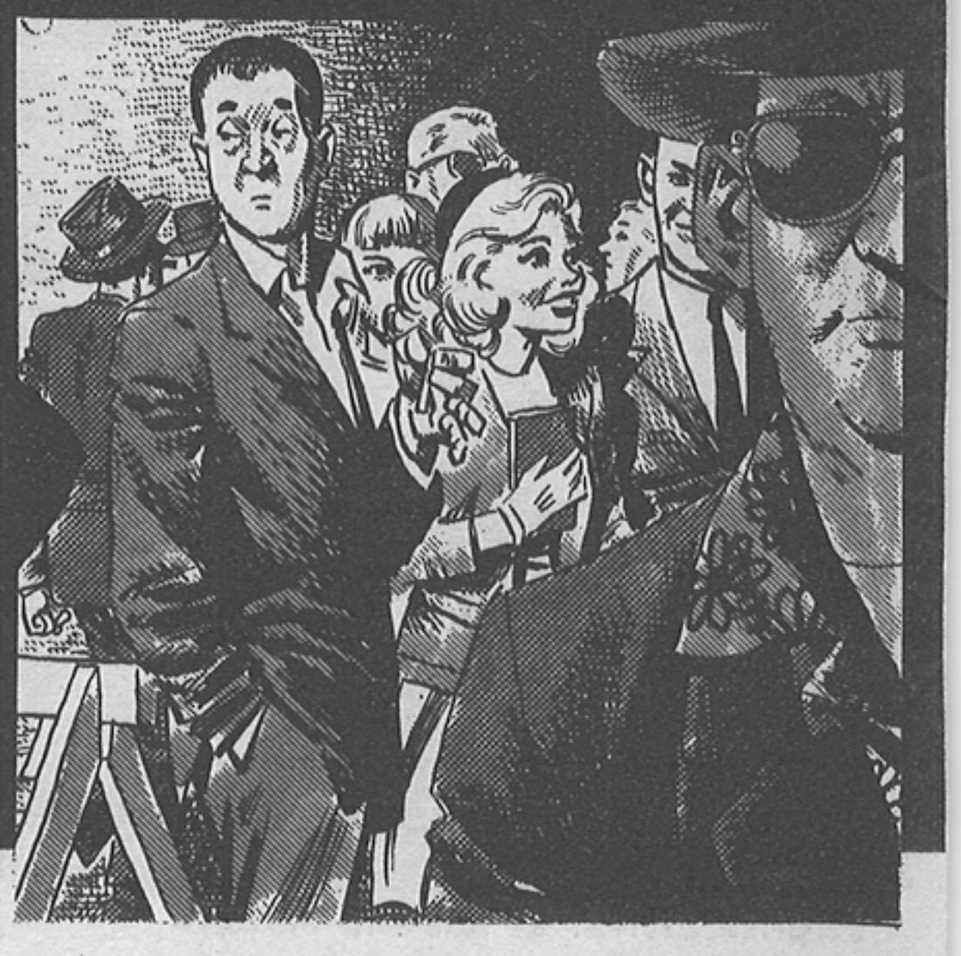
Rescuing policemen comfort 5 year old Paul Caple with the assurance that his ordeal is over.

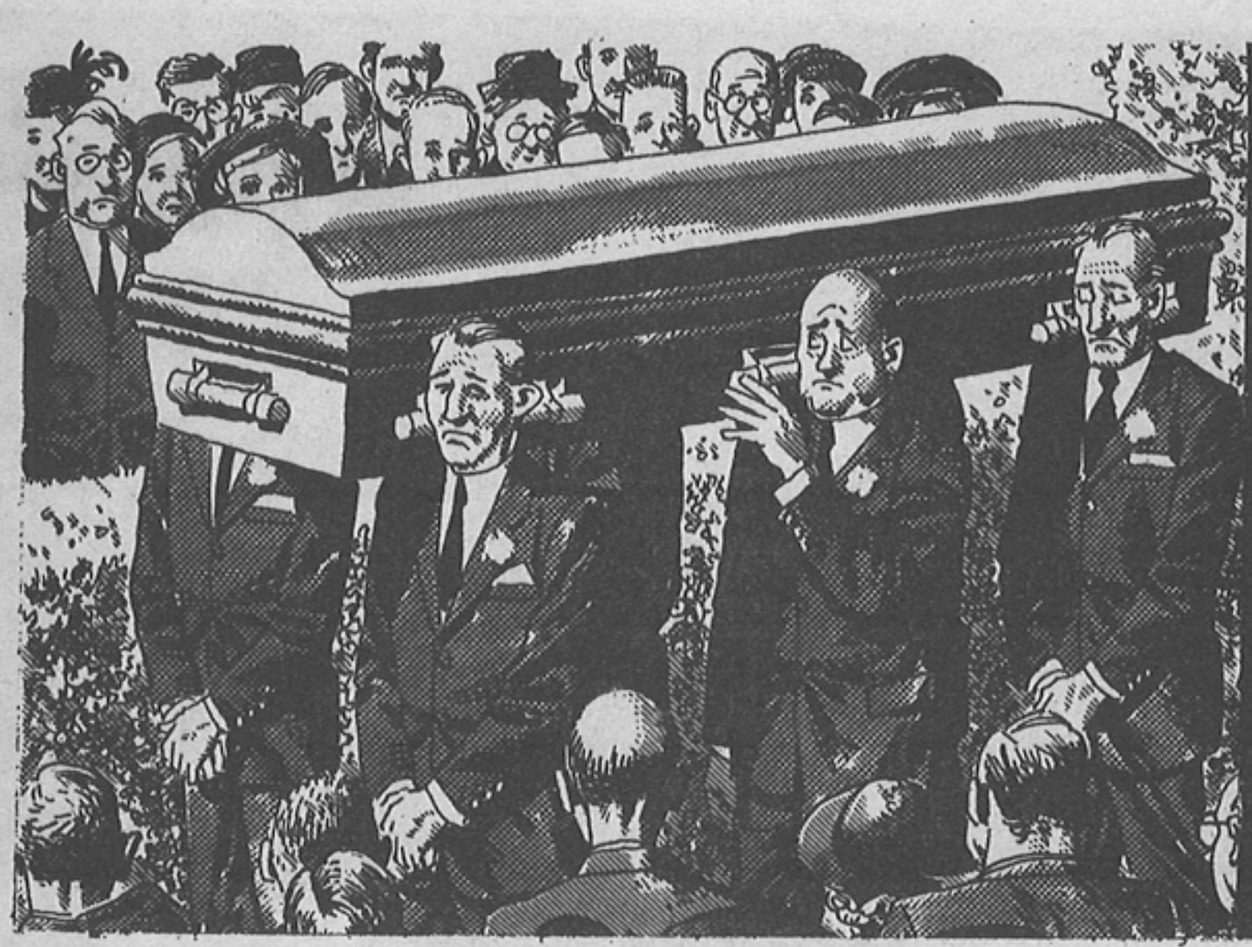


Paul's troubles have only begun. Wait till his mother gets him home.

"The most exciting moment ever to hit Broadway"—is the press agent's blurb on this photo of celebrities attending a premier.

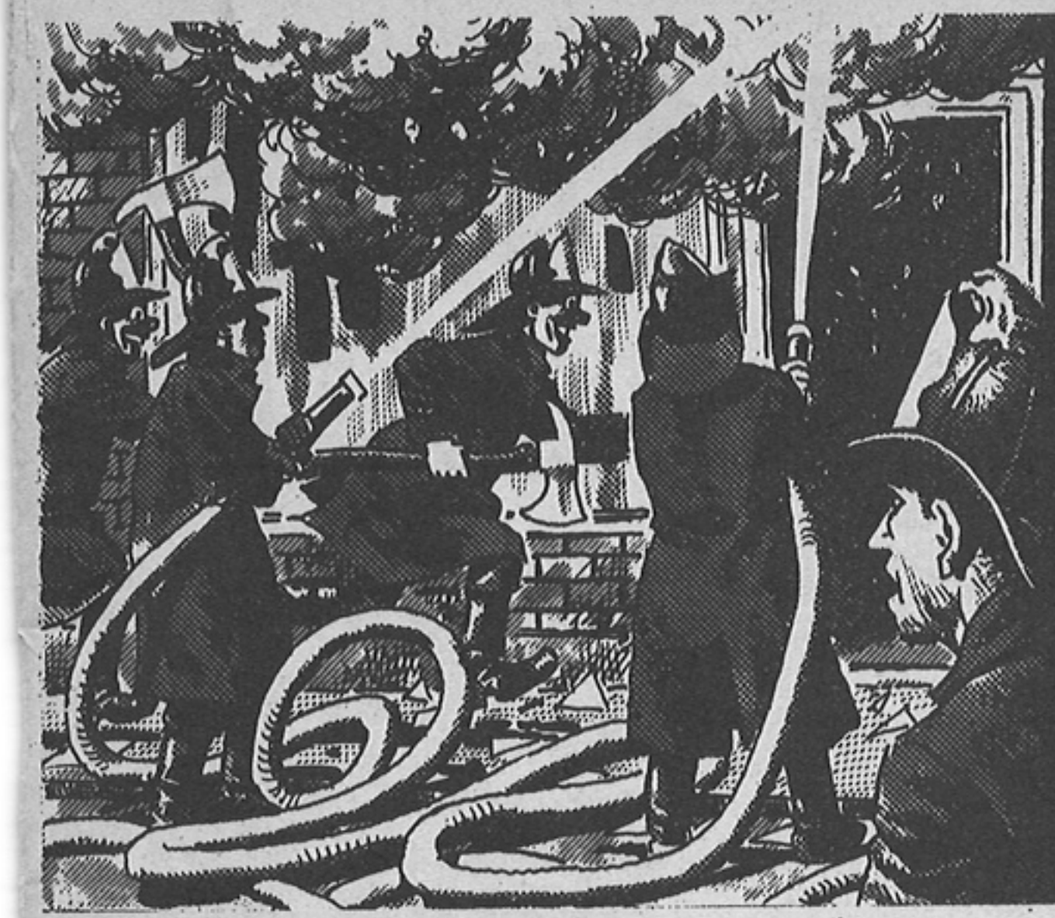
What you don't see are the thousands of Broadwayites who couldn't care less.





Grief-stricken friends and relatives attend the funeral of the late industrial magnate, Cyrus J. Throckmorton.

The only grief-stricken friends and relatives at Throckmorton's funeral were those who were left out of the multi-millionaire's will.



Fire tragedy strikes clothing merchant.

Tragedy??? It's the greatest thing that has ever happened to Klutz in his 25 years of business.

A capacity crowd is proof that the citizens of Yukstown are appreciative of the city's new pro football franchise.

The crowd is appreciative alright — of the management's desperate attempt to pack the stands.

Professor Gunther von Quatschkopf, Phd, noted scholar and lecturer, raves about the brilliant satire to be found in CRACKED.

Too bad the boys in white don't agree with his ravings.

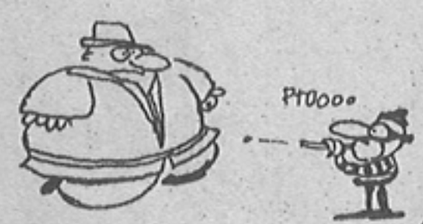
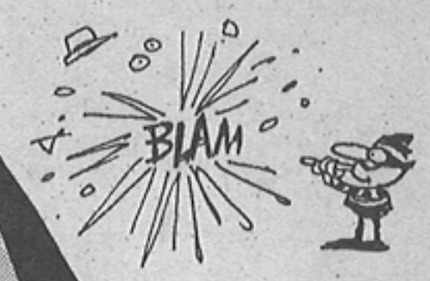
And now to see what you look like!

THERE'S A DARK, HOODED BAT-LIKE FIGURE IN THE COMIC PAGES LOVED BY THOUSANDS...THIS AIN'T ABOUT HIM! THIS IS ABOUT THAT LIGHT, HOODED, BAT-LIKE FIGURE ON TV LOVED BY MILLIONS!





BATTYMAN

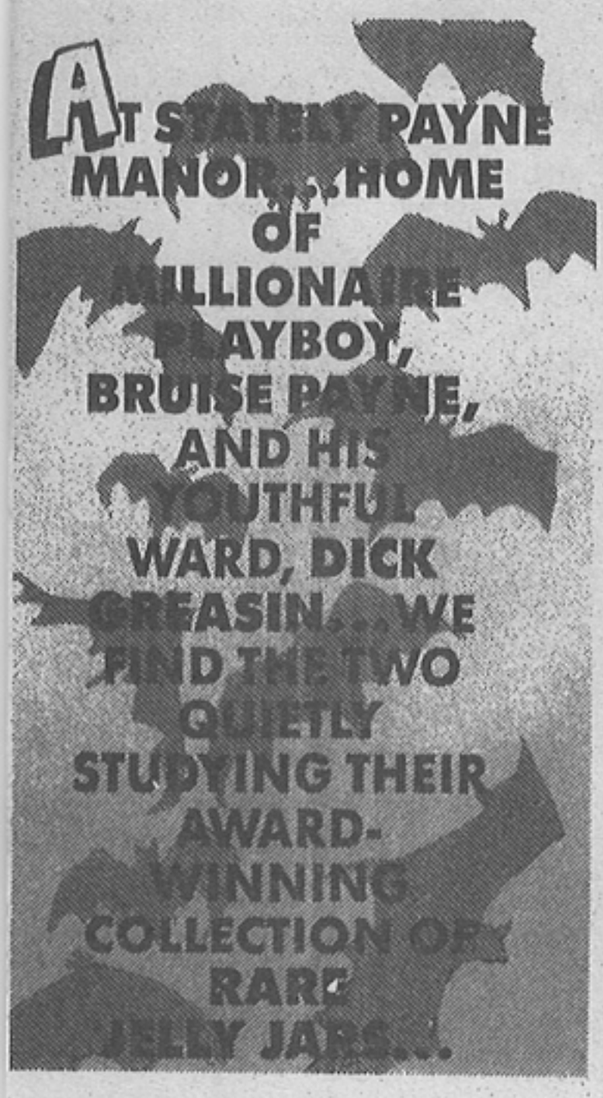
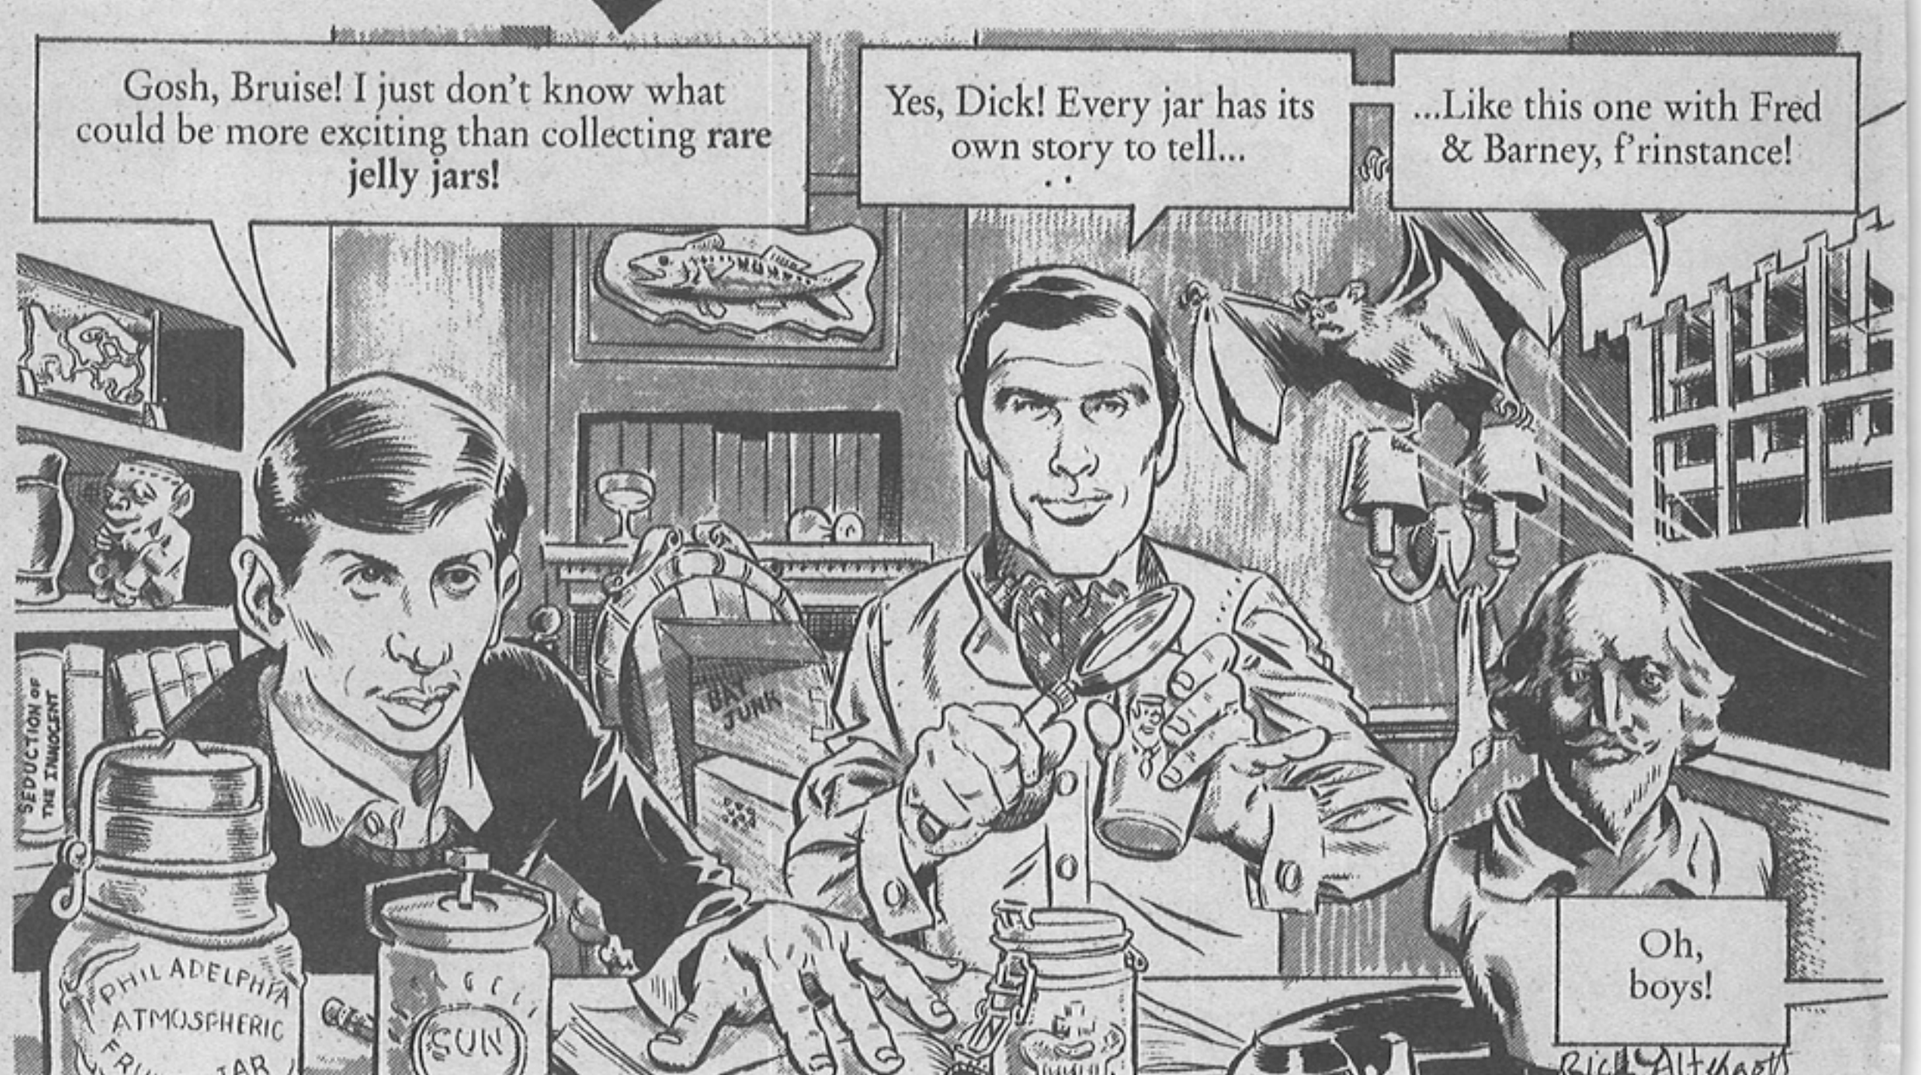
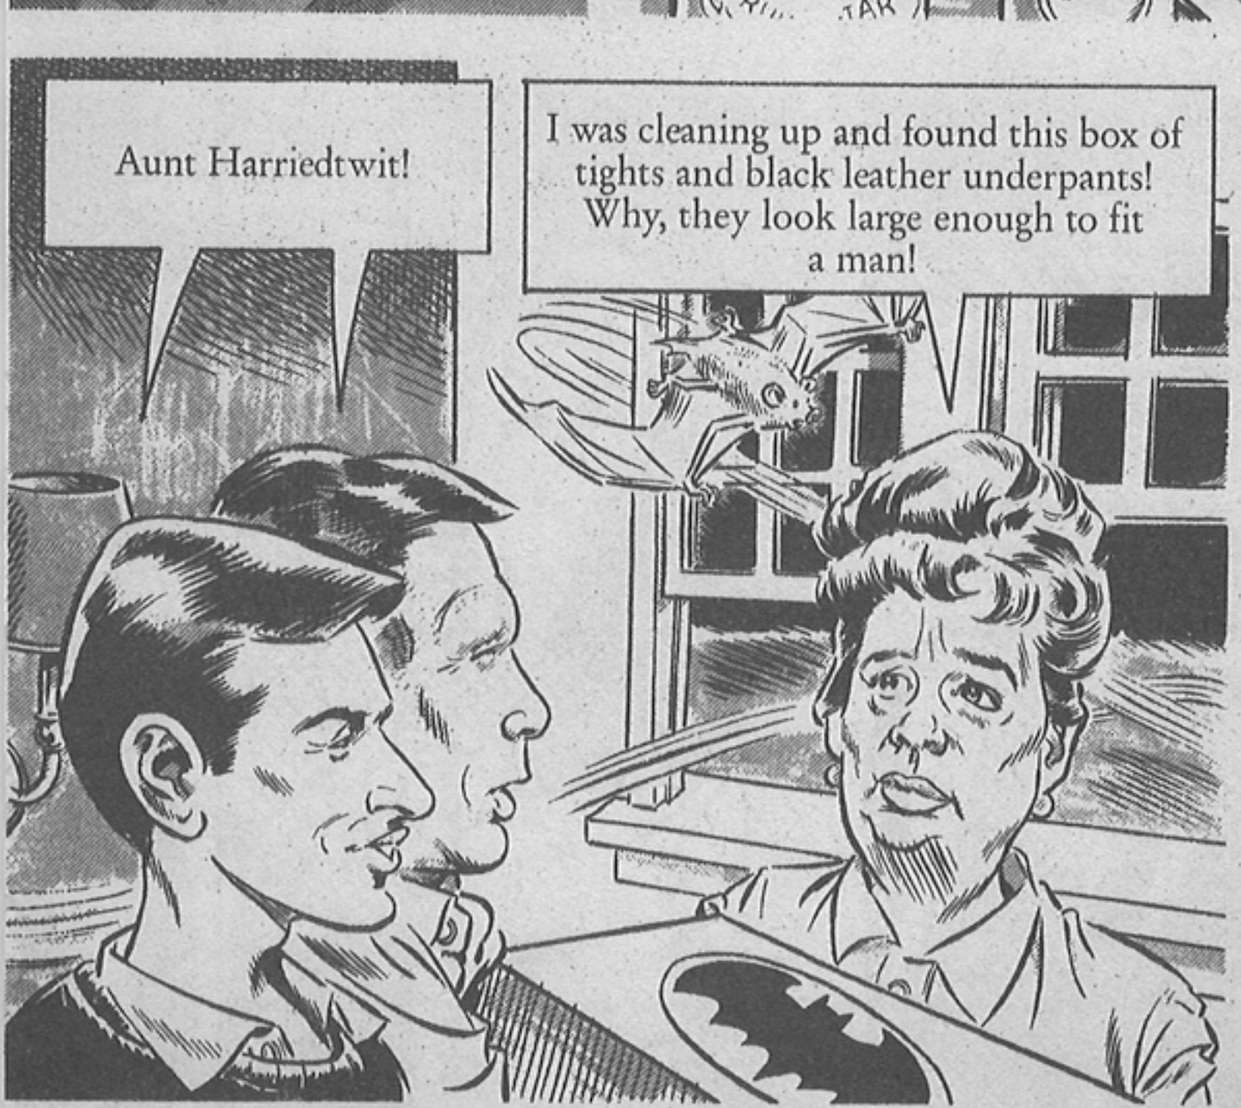
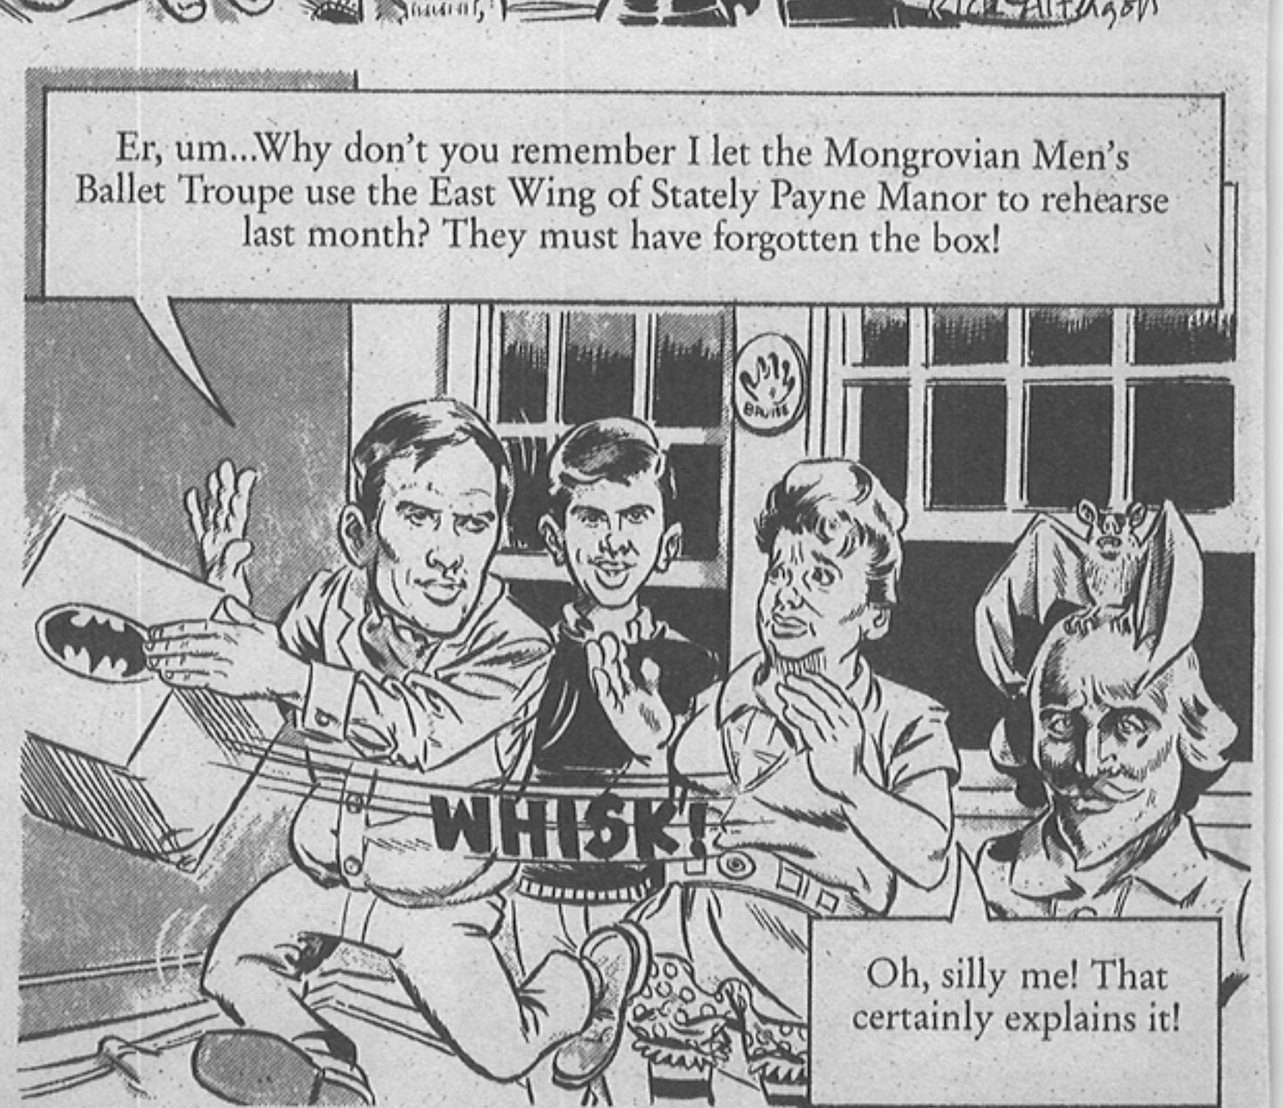
BATTY-ARTIST









Gee, Bruise! Can **anyone** be more gullible than Aunt Harriedtwit?

CLIK!

Just because her two closest relatives lead double lives and've built an atomic reactor under her without her knowledge is **no** reason to call her gullible!

Excuse me, sir! There's a (cough) telephone call (wink wink) in the study (hint hint)!

Thank you, Alfredo!

Is Alfredo all right? He always **twitches** so!

BEER

Yes, Commisioner?

Battyman! How did you know it was me?

I've spent **years** analyzing voice patterns...plus, this is a **direct line** to your office!

Amazing! I'll get to the point! Some criminal mastermind has freed the **Jerker, Twiddler, Kittywoman** and the **Pencilguin** from the Gutham State Pen! We may be in for a **major crime wave!**

What about Chief O'Hairy and his men?

Well, the Gutham Mets are playing tonight!

METS

MEAN WHILE, AT AN ABANDONED SUB-BASEMENT IN THE GUTHAM ABANDONED SUB-BASEMENT FACTORY...

Hey, Jerker! When do we get a hideout with a **level floor!?** The ice cubes keep falling out of my Ginger Ale! Quack **quack** quack!

Shut up, my foul-feathered felon! You **know** how expensive rent is in the city! Now, listen to my plan...

CRACK!

The folks that broke us out are helping us send Battyman and Rabid back where they came from...

...Namely by squashing them into **batty-cakes** between the pages of a giant **comic book!**

AND BACK AT THE FABLED BATTY-CAVE...

Missive for you, sir!

Thank you, Alfredo!

"Hurry up and don't be wary...Kitty fell for the Caped Fairy!"

Holy socks! Is it from the Twiddler?

Obviously! But what can he mean..."Caped Fairy"?

Proceed carefully, Rabid! Something's not quite right here!

Purr-lease save me, Battyman! I'd clean my catbox for you! Help!

Holy Hot-Off-the-Presses! The ink on this comic is still **wet!** We're stuck!

Those fiendish devils! We've been snared by a "clever" ruse!

That's right, **caped clods...dynamic dum-dums...masked morons...**Did I forget one?

You'll **never** get away with this!

SPLAT!

Won't we? When the ice cube holding the umbrella melts, you and the Boy Blunder will be smooshed into two dimensions beneath ten tons of **primo** mando comic paper!

But don't worry, Battyman! Your vivid colors will be preserved in an extra-large, plastic, protective comic bag!

You clownish crimester! At least tell me...who helped you escape and set up my finish?

It was **them**...the producers of the new Battyman movie!

Sorry, guys! In this movie we see **The** Battyman as a dark avenger of the night!

You two just don't cut it!

Holy Reverse, Type-Casting!

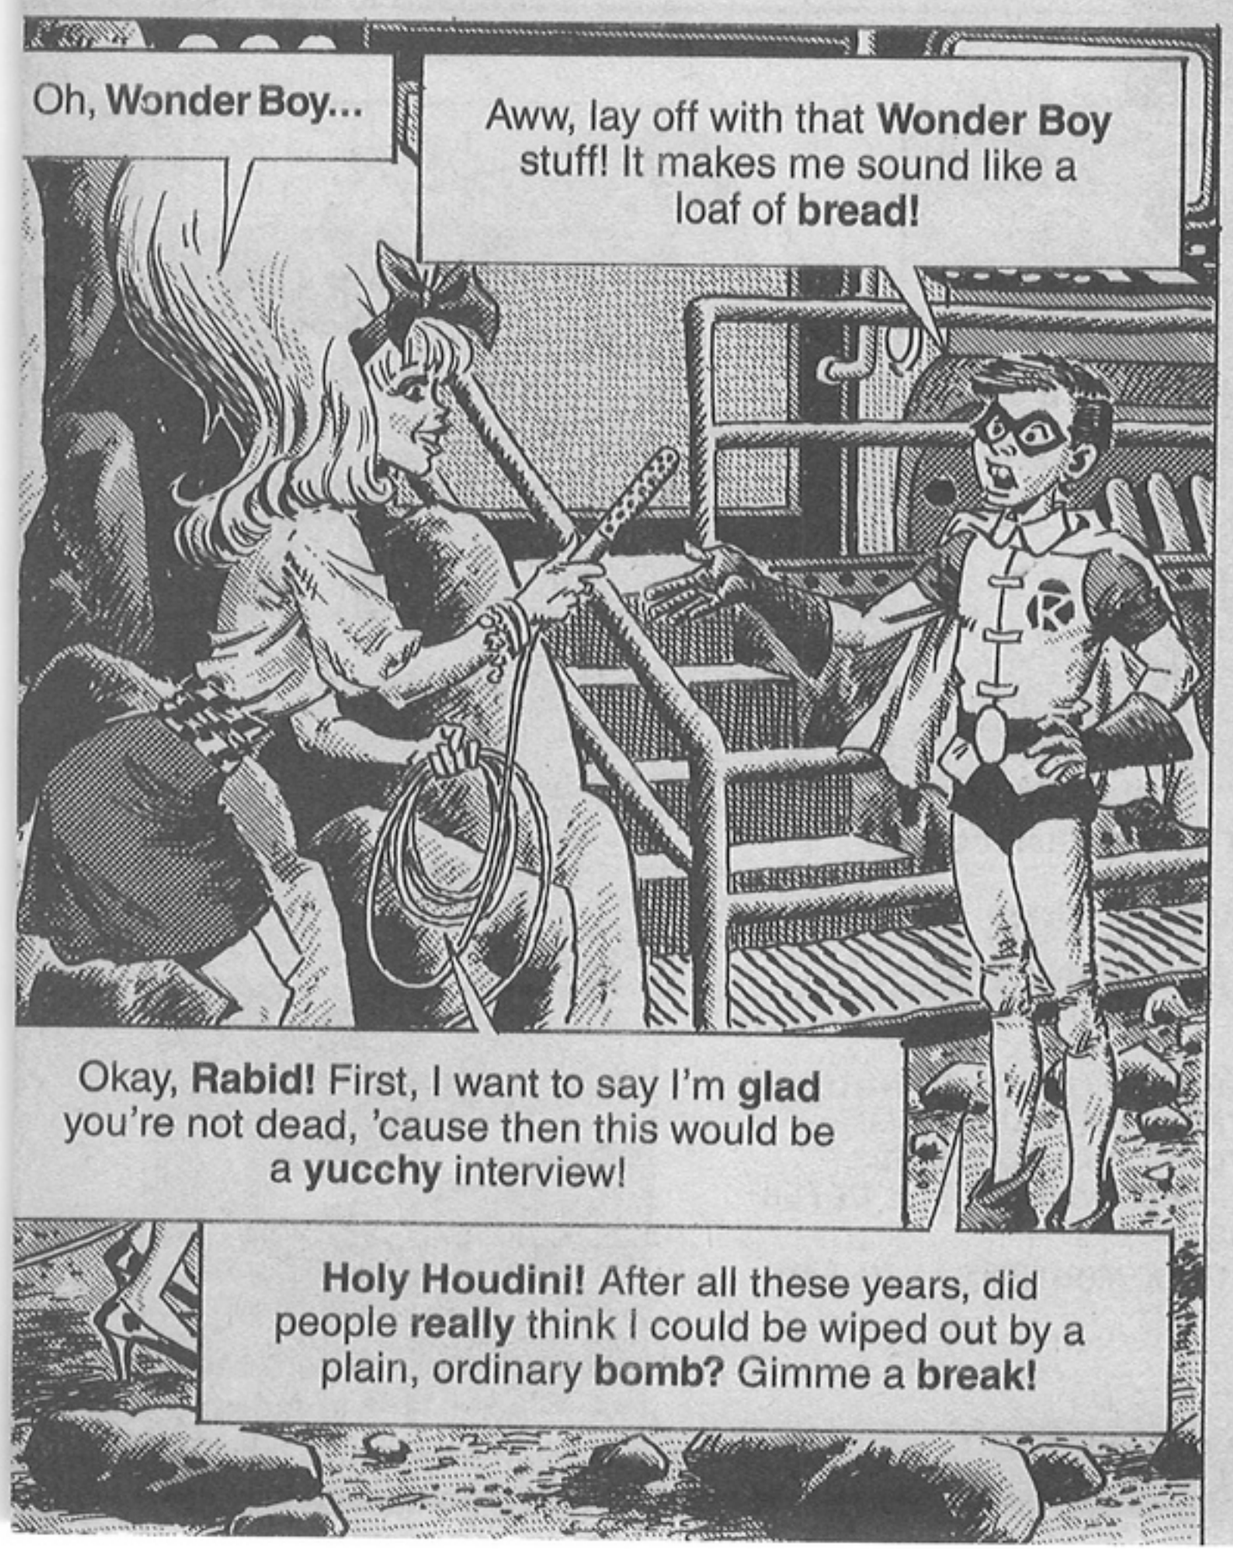
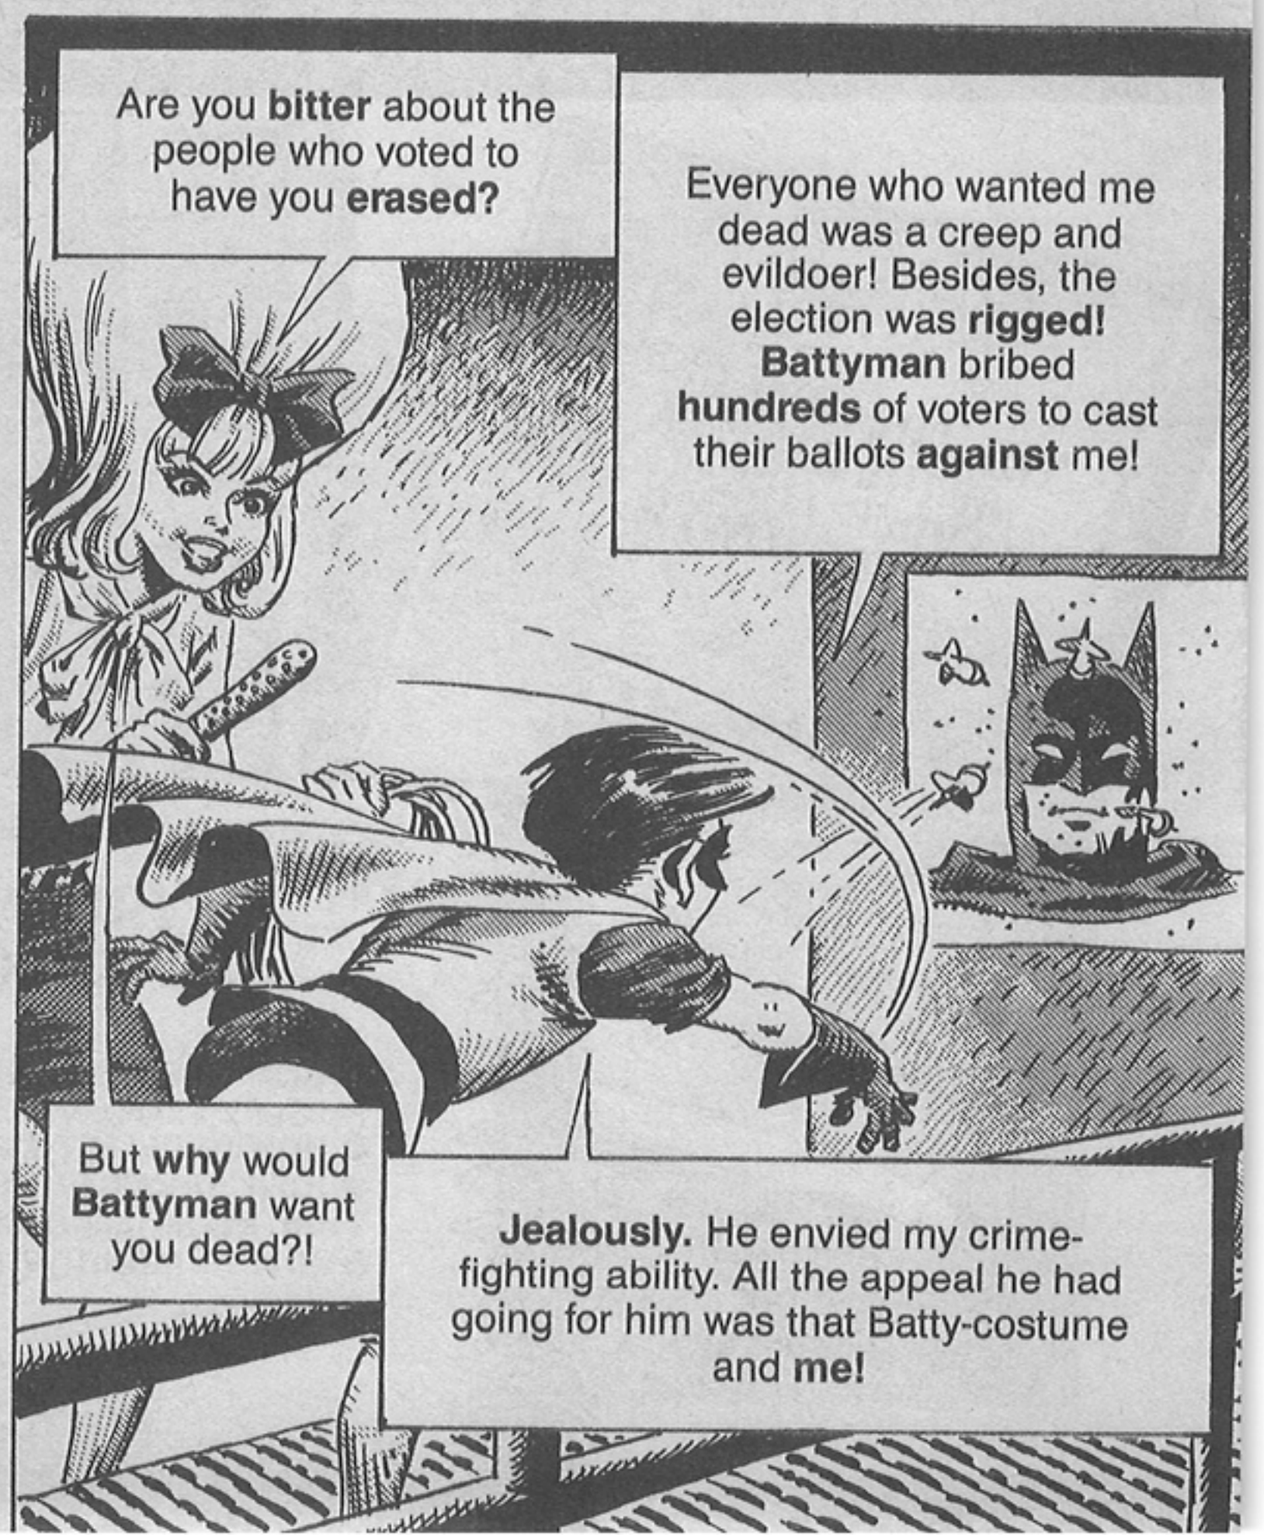
In **case** you didn't know it, we had a **very** important election last year! No, I'm not talking about the one between **Mr. Bush** and ol' **What'shishead...**I mean a **very** important election where **Battyman** readers voted to decide the fate of **Rabid, the Wonder Boy!** Should the **Capered Crusader's** loyal sidekick be **killed** in an explosion or **survive?** Unfortunately for **Rabid** he lost by 69 votes. **Rabid** was dead...or **was** he? Just like **Elvis,** whom I recently interviewed, **Rabid** is alive and kicking! Gosh! I've been interviewing so many dead people, I'm beginning to feel like **Elvira!** Join me for the no-holds-barred...

CRACKED interview with RABID The Wonder Boy!

Rich Kriegel transcriber

John Severin illustrator





How did you and **Battyman** get together in the **first** place?

I was part of a circus act with my parents, the **Flyin' Greasins,** where we were shot out of a cannon all day! We were playing Gutham City and the millionaire playboy, **Bruise Payne,** was in the audience.

Preeeesenting the Flyin' Greasins in their death-defying act! They will be shot out of a cannon and land **without** a net!

Duh, I got some bad news! Somebody lost your dummies and you'll have to go in their place!

Holy Broken Neck! You want us to be shot out of a cannon without a net? **Forget it!**

Duh show must go on! It's a circus tradition! Also, it's in your **contract!**

As Fate would have it, Dad had put on a few pounds so there was no room for **me** in the cannon!

Holy Nuclear Fallout! I'm an **orphan!**

Leapin' Lizards! Welcome to the club!

Jeepers! What happened next?!

Not much. I mean, y'know, Annie was okay, but I couldn't get used to a girl with **pure white eyeballs!**

BAT CAT

BAT BOY

I meant what happened next with you and **Battyman!** Did you find out who killed your parents?

Bruise Payne came into my dressing room...

I'm **Bruise Payne,** millionaire playboy! I'm sorry about your parents... Would you like to become my ward and help me fight **crime** and **injustice** wherever it exists?! I **know** the identity of the **arch-fiends** who commited this **dastardly** act against your parents! The two of us can hunt them down and bring them to justice!

THE FLYING GRAVESTONES

Holy Fillibuster! Knock off with the long speeches already! This is a **comic book,** not **Gone with the Wind!**

Bruise had a **surprise** for me!

Holy Trick-or-Treat! What are **you** supposed to be?!

By day, I'm **Bruise Payne,** millionaire playboy and by night, I assume the identity of the **Battyman,** a shadowy figure that strikes fear and terror into the hearts of cowardly criminals!

So when do you sleep?!

A PRETTY GIRL IS LIKE A MELODY

...And this is **your** costume! How do you like it? You'll be my loyal sidekick, the **Red Bird!**

Holy Fashion Statement! Did you get this outfit at **Nancy Reagan's** garage sale?

HEY! IT'S TWO OF THOSE MASKED WRESTLERS!

YEAH! A TAG TEAM!

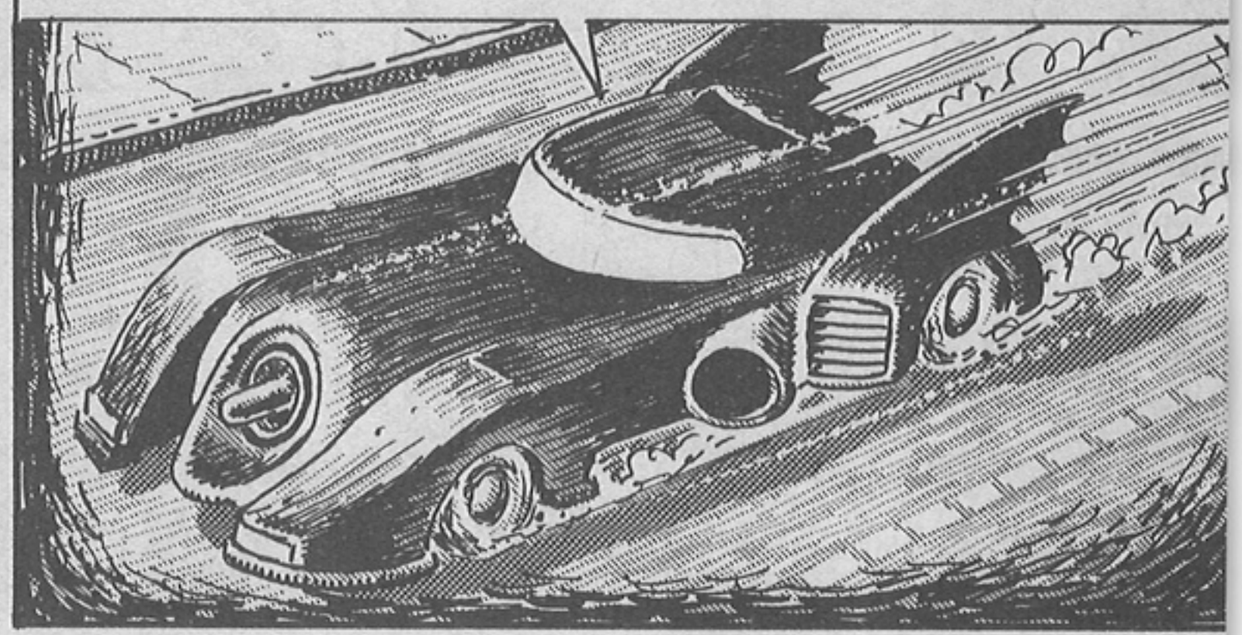
Nº34

How do you like **this** one? You'll be known as **Rabid the Wonder Boy!**

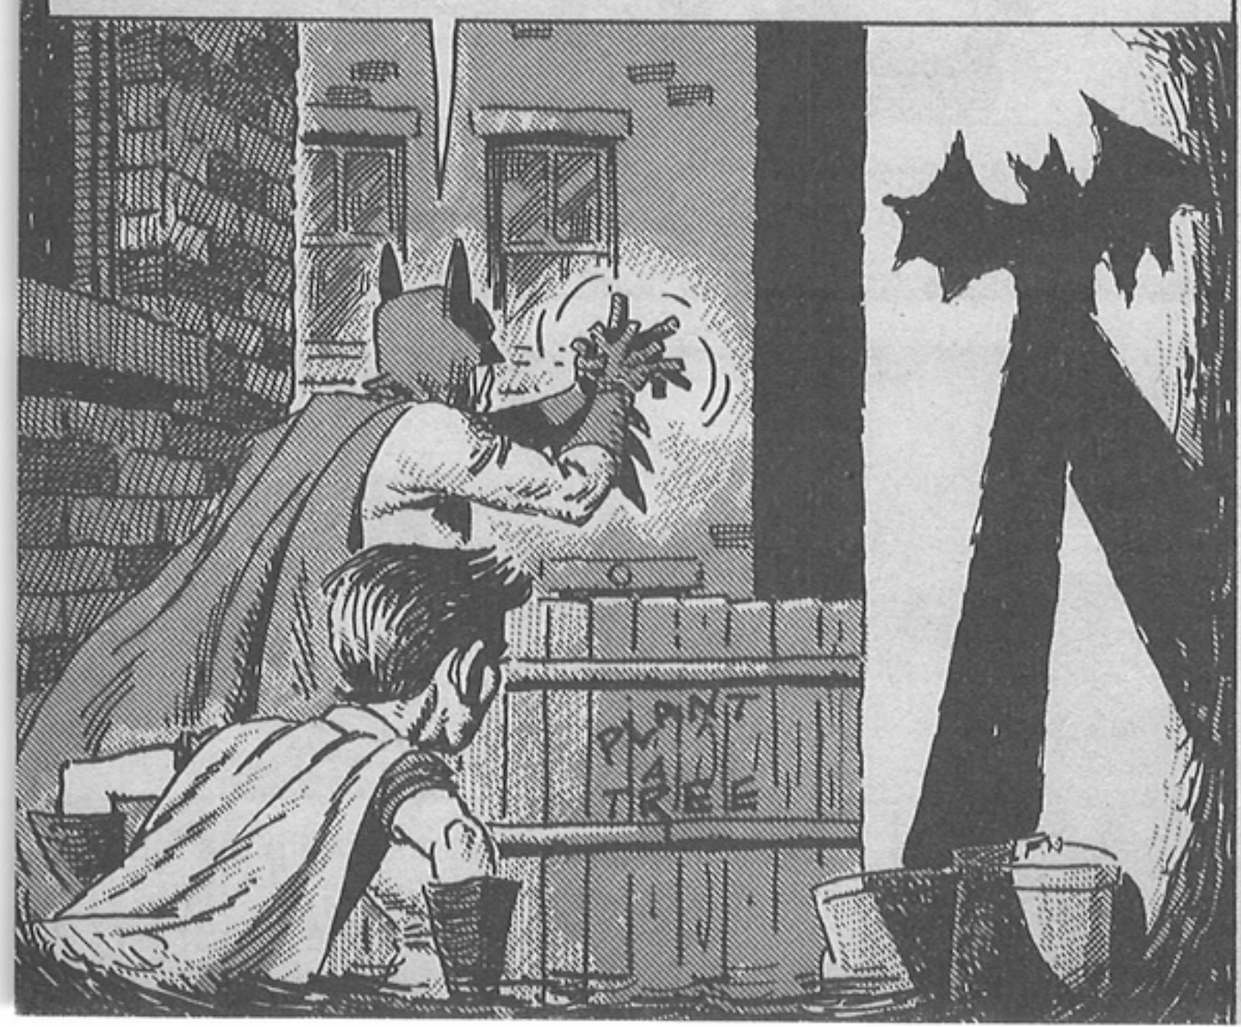
Frankly Battyman, I don't think this outfit is gonna strike fear in the hearts of any criminals, but on the other hand, they **might** become **paralyzed** with laughter!

TO BELFRY

The man responsible for your parents' murders is **Boss Baccala!** He killed them because the circus owner refused to pay him protection money! Tonight, Baccala is going to be at the construction sight of **Trumpet Towers II,** that building being erected by the other playboy millionaire, **Donald Trumpet!**



I have an idea! Let's frighten Baccala and his henchmen by throwing spooky shadows on the wall!!



Battyman, I **don't** think those dudes are going to be scared by bunny rabbit shadows!

Wait! I can do a doggy, too!

So you the bad guys what kilt my parents! Oh, I'm gonna give you **such** a thrashin'!

I don' believe it! Th' toughest hoods in th' country an' we're gettin' beat up by a twerpy kid in panty hose!

Battyman! Are you okay?!

Yesss, except for a possible broken nose and some minor contusions, I'm **fine!** I did that to distract Baccala and his hoods so you could capture them! **Hooo boy!**

Wow! That was **really** exciting! Golly! Everybody always thought **Battyman** was the hero when it was you **all** along!

You got **that** right, sister! I did **all** the work! Battyman is a big klutz! I'm setting the record straight with my new book, **BATTY DEAREST,** a tell-all tome that reveals the **true** story of **Battyman** and **Rabid!**

BATTY DEAREST

Rabid, now that you're an author, are you going to retire from crime-fighting?

Not as long as there are fiends and villains making our world unsafe for law-abiding citizens! In fact, I'm interviewing prospective crime-fighting partners today!

Don't call me, I'll call you! **...Next!**

AS YOU WILL RECALL, BATTY FANS, AT THE END OF OUR LAST EPISODE IN CRACKED 234 (FEB 87 and repeated in SUPER CRACKED #3), BATTYMAN AND RABID HAS BEEN LURED INTO A TAP BY A MALVOLENT CONGLOMERATION OF ARCH CRIMINALS HIRED BY THE PRODUCERS OF THE NEW BATTYMAN MOVIE IN AN ATTEMPT TO GET THEM OUT OF THE WAY SO THEY CAN PROCEED WITH THEIR OWN VERSION OF THE DARK KNUGHT! YOIKS! NOW THE DYNAMIC DOO-DOOS ARE HOPELESSLY MIRED IN THE WET INK OF A GIANT, JUST-PRINTED COMIC BOOK! IT'S 10 TONS OF DEADLY PAGES ARE PRECARIOUSLY SUPPORTED BY THE PENCILGUINS'S OVER-SIZED UMBRELLA, IT'S HANDLE HELD IN PLACE BY A SINGLE, RAPIDLY SHRINKING ICE CUBE!

The best I can do for you is to book a stand-by flight for you and the young master on Incontinental Airlines!

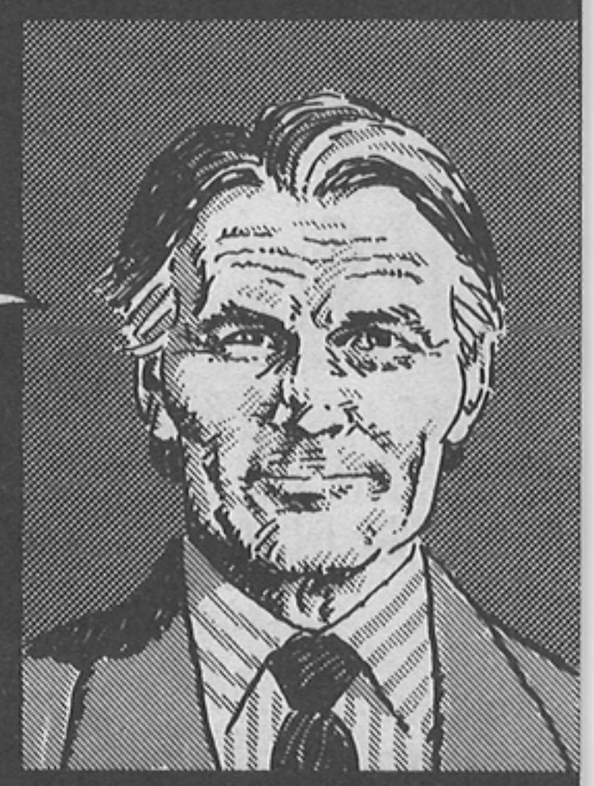
Hello. My name is not important. This summer it was **Legion** or as the lesser informed might call me…the **Bat Geek!** I bought **two** of every bat thing that came out…one to read, wear, play with or eat and the other to save because **some** day it's **sure** to become a collector's item!

I've got 549 different bat shirts, 15 bat jams, 6 pairs of bat sneakers, 1023 bat pins and 923 **other** bat products! The **one** bat thing I **couldn't** find **anywhere** was something a girl told me she had… a **bat mitzvah!**

This is what I wore on the opening day of the bat film. Me and about twenty million others! And I only had to wait three weeks to get in! Every couple hours someone held my place so I could do important things like get more bat stuff that came out!

When I first got cast for the role, people said **"Michael Kreaton** is all **wrong,** not the right type at **all!"** Well, I proved them wrong and **Mr. Mom** was a **hit!** Now I have **no** idea why I got cast for **this** part!

Grrr…I'm **Jack Offbalance** and I've been out of work for a few years, **believe it or not!** I love this cameo as a crime boss! At least I don't have to wear clown make-up and all that sissy stuff!



I'm production designer **Anton Wurst.** Besides creating Bratman's futuristic crime fighting devices, I also designed the look of the city. I conceived it being claustophobic with high eerie towers looming over the small island base…

Since then, I got the **bat film novel, bat film book** and **bat film magazine!** And I just found out they even put out **bat comics!** I've even got all the **bat parodies!** CRACKED made fun of the movie first in 1987 in a satire called BATTYMAN. Then that other humor mag came out with **theirs** also called BATTYMAN! So, for CRACKED to use that name again, they'd have to be...

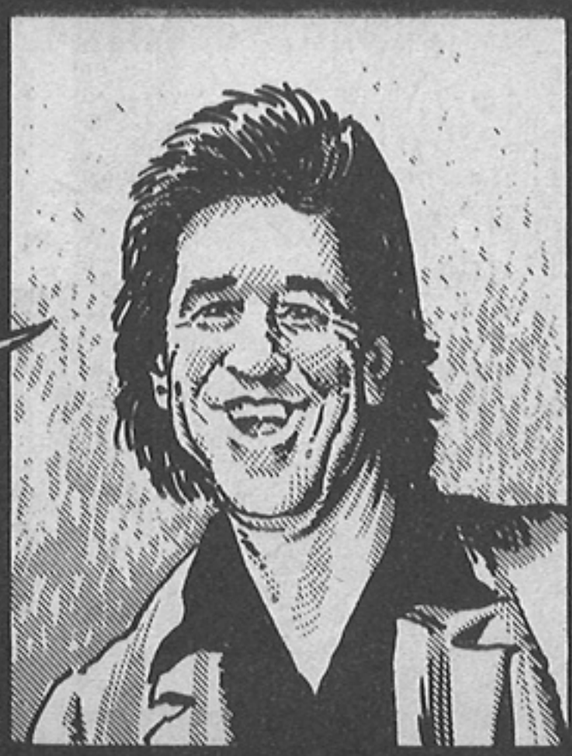
I'm **Kim Bazinger** and romancing super heroes is nothing **new** to me, I was a **Bond** girl...or **heavy** romancin' as displayed in **9½ Weeks!** Even **that** wasn't as kinky as what I do in **this** flick...make out with a sado-maso-schizo in a black rubber suit!

Ah'm in-ter-nation-ally famous moduhl **Jerky Haull** and Ah wuz given just a **great** role with over **3** whole lines! As yuh kin see, th' producers shure took ad-vantage of muh natcherl-born beauty, too!

I'm **Dee Billy Dee** and though viewers don't realize it, my character is fated to be doused with toxic chamicals and to become a master criminal! Pretty original concept, eh?

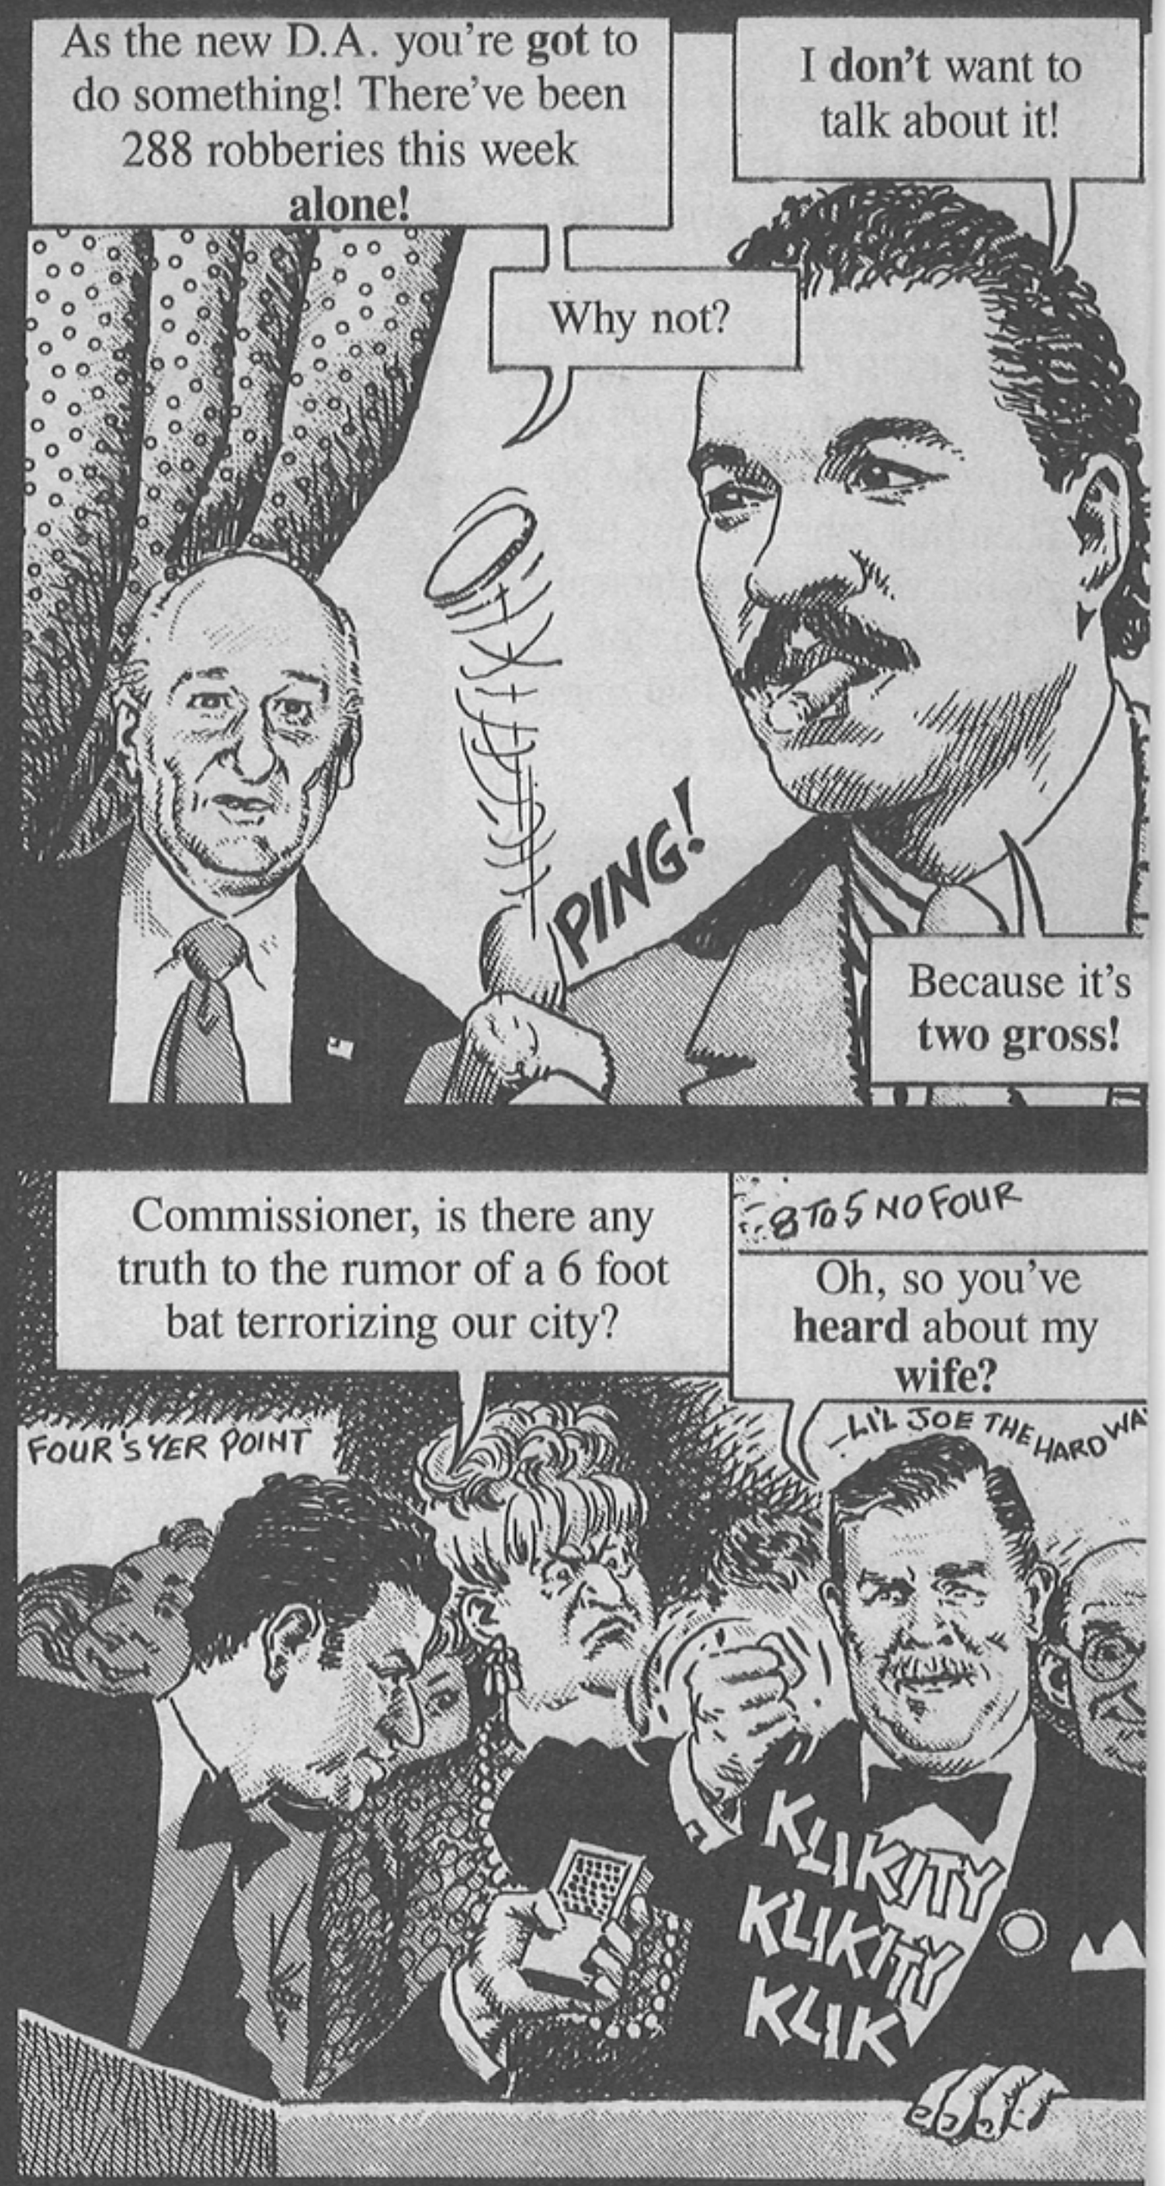
I'm boy wonder director **Tim Burpin** and if this film **didn't** do well, I would've been **deader** than the **comic book** boy wonder! People didn't like my casting for Bratman so we dropped my first choice, **Pee Wee Herman,** and hired **Michael Kreaton!**

I'm producer **Jon "Goober" Peters.** Too bad we didn't think of shooting in New York City! It would've saved us the **millions** it cost to build Gutham City in the middle of farm land in England!



Hoo hoo! After playing the **Devil** in my **last** movie, I wanted to play a **really** evil character! Know what makes me **laugh** so much? What I got **paid** for this film! Ever hear of laughing all the way to the bank?! Hoo hah! The joke's on **you,** guanophiles!

UGH! You threw me through a closed door, lassooed me with your batsamahoozis and dragged me across the gravel roof! What are you?!
I'm Bratman!
POK
Did you beat us up 'cause we robbed a family unit and it reminded you of your grim origins?!
No, I beat you up 'cause you were humming that awful Bratsong by Prance!
Jay-ack, yew look bee-u-ti-ful!
I didn't…
Ah know, Ah know, "Yew din't ask!"
No, I was gonna say I didn't expect you to have a speaking part in this film with that weird accent of yours!



As the new D.A. you're got to do something! There've been 288 robberies this week alone!
I don't want to talk about it!
Why not?
PING!
Because it's two gross!
Commissioner, is there any truth to the rumor of a 6 foot bat terrorizing our city?

Oh, and what do you do for a living?
I sell bootleg bat t-shirts and make millions! How many can I put you down for?

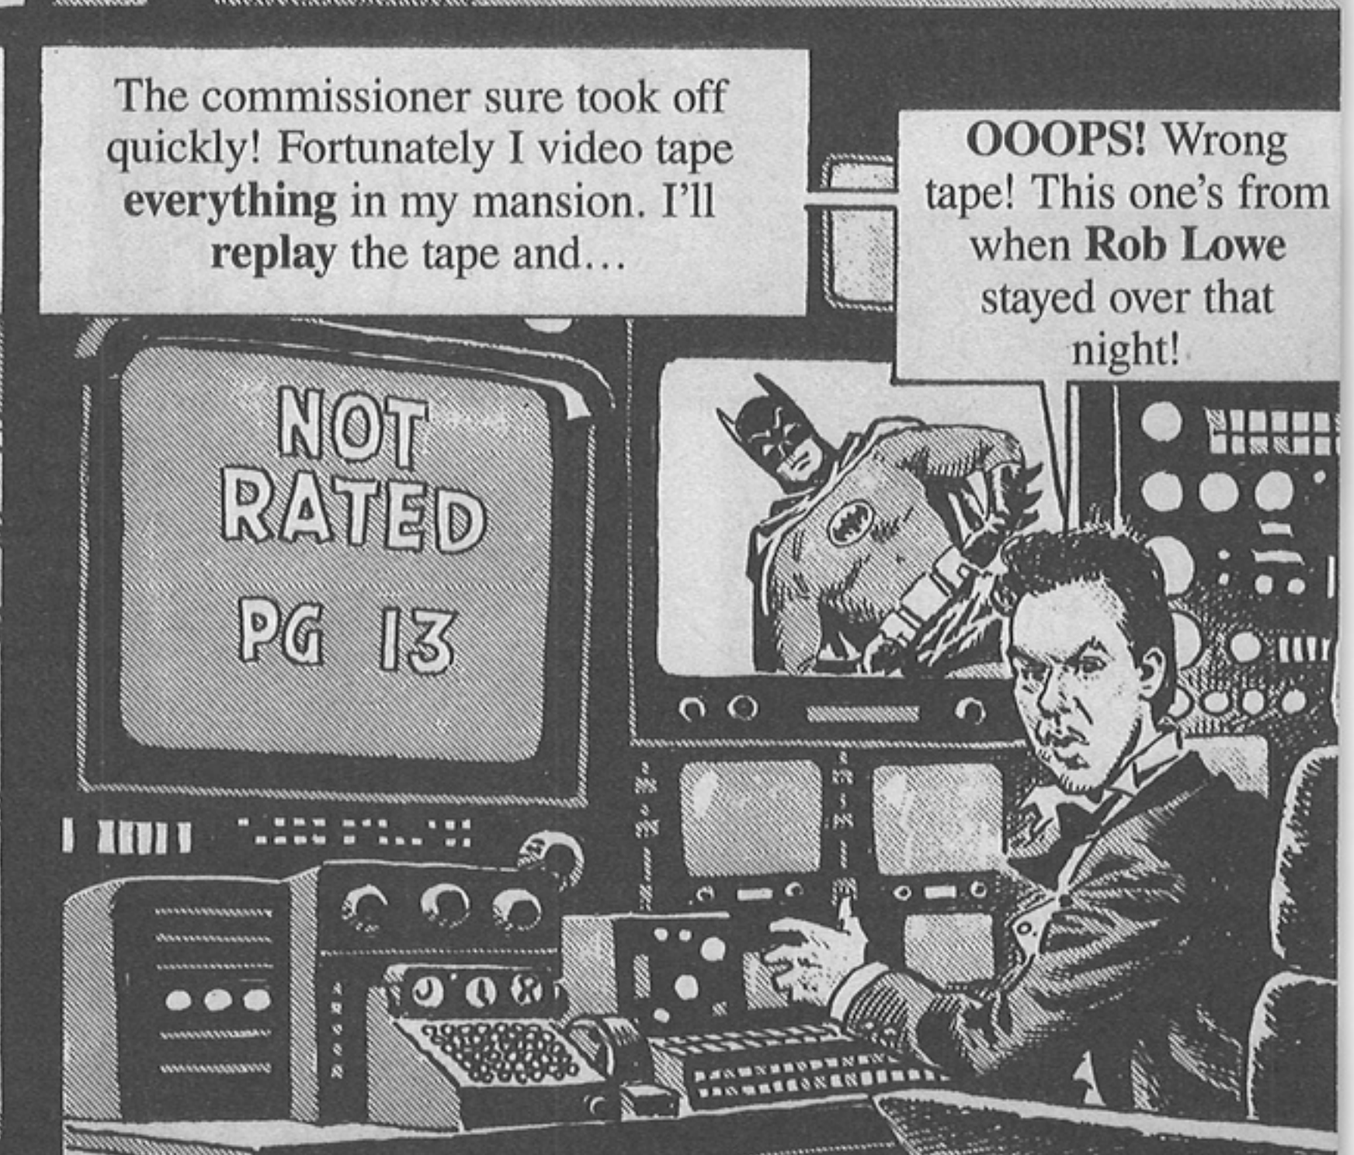
RRRIIP!



The commissioner sure took off quickly! Fortunately I video tape everything in my mansion. I'll replay the tape and…
OOOPS! Wrong tape! This one's from when Rob Lowe stayed over that night!
NOT RATED PG 13

This better be @#$•!in' important! I lost $150,000 in police retirement funds to Payne by gambling and I've **got** to recoup!

The word is that **Jack A. Napes** is hitting the chemical factory and our Lt. Ecchardt is out to hit **him!**

Ecchardt is on the take and out to kill Napes! In the name of law and decency, **we** have to kill Napes first!

Hey! Nice Bratman! In this movie, like in the comics, you **still** don't kill people, **crooks,** like me, right?!

Naw, but I **will** huck you into a vat of acid!

Yow! I thought I gave up doing "acid trip" movies in the late '60s!

SPLOSH!

Before you **kill me** for putting a hit out on you, tell me: Why would a plunge in acid turn your skin **white** and your hair **green?!**

'Cause I'd look **silly** with plaid skin and blue feathers!

My fellow fiends, the upcoming city celebration for the 250th issue of CRACKED will be ripe for plundering!

If you disagree with me, like Roastelli here, you're invited to a barbecue which'll have plenty of **shake** and **bake!** Heee tee hee ho!

FUFZAP!

So, what did you find out about Bruise Payne?

You mean besides the fact he wears rubber underwear?

Well, I followed him around the city and picked up these two roses he discarded in the alley! I also got some deposit bottles he threw out, some used gum and a half-smoked stogie!

Hoopy doopy! I've got that **nerve gas** that will bring Gutham City and that winged freak to its **knees!**

You mean the gas what **kills** people and puts a **horrible grin** on their countenance?!

REMEMBER THE JOKER'S WILD

No, this is **worse!** You **live,** but this **Syllex** gas makes you look like **Sylvester P. Smythe!**

Isn't what I'm doing to this art **outrageous?!** Have you ever **seen** such a mess?!

Sure! When's the last time you looked at the art in a current comic book?

I'm an **artist!** A **homicidal** artist and humans are my canvas!

Seems artists become **most** successful after they die...So I wish you **great** success!

My, my...Where **does** he get those wonderful toys?!

Duh, why boss, y'kin get all that bat junk at K-Mart, Woolworth's, Toys Is Us, Sears, Spencer's Gift and Head Shoppe, any direct sales comic shop, a local street corner, J.J. Newberry's, McClory, McClellans, Taco Bell...

Where's that parking valet? I need my 'mobile **quick!**

That was **one** good thing about having a boy wonder...He'd always fetch the car!

FURSTENHEIM MUSEUM

Those geeks are still **after** us! Why did you **stop?!**

I'm out of **bat gas!** I only get 500 feet per full tank! Maybe that's why the **Bratmobile** was never mass-produced!

Y'can't shoot Bratman! He's **bullet-proof!**

POW POW POW POW POP!

FFWOOSH!

Yeah, but if you puncture his puffed-up rubber suit, he'll fly like a **ruptured balloon!**

And so, we will **cancel** the 250th…

Not so fast, Mayor Kroch! Not only will I **continue** the celebration, I will give out free Jerker toys!

Now he's gone **too** far! Mass murder is one thing, but now he's getting into mass merchandising and he might cut in on some of **my** bat revenue!

First, I'll blow up the Jerker's toy manufacturing factory…

And the irony of it is that I can do it safely from afar with my remote control Bratmobile! Hee hee!

CLICKITY CLICK!

Pretty **heroic** of me, huh?

Oooh hoo! I'll get back at that **dork knight!** As the Guthamites revel, we will release the gas from these balloons on them! Hoo boy!

What are they filled with, boss? **Laughing gas?**

Here, Mr. Jerker! Should we sue Bratman for swiping your balloons?
No, I wanted to kill you for not thinking of merchandising a Jerker jet first!
I'm firing every bat thingamajig I've got against that jeering jackanapes! Heat seeking missles, automatic weapons, napalm, lasers, atomic zip guns and nuclear stink bombs should deter him a bit!
Uh-oh! What's that secret weapon the Jerker's producing?!
He's aimed…He's firing!

Why did you ever turn to crime, you miserable miscreant?!
OOF!

'Cause I get such a (OUCH) kick out of it!
You dance divinely, m'dear! We are like Beauty and the Beast!
ZZZ ZZZ ZZZ
Yecch! I take exception to that! Why not pick on the Phantom of the Opera instead of me!
You made me, you bat freak!
No, you made me! You killed my parents!
No! You made me first, then I was made by my mading me!
I still say you made me first!
You're both wrong!

How do **you** know, buddy?

I'm **Bob Kayne,** the creator of **Bratman** and 50 years ago I made you **both!**

Ha ha ha! This is just a **minor** setback… I'll bounce back!

THAT'S WHAT **HE** THINKS!

My mom always **said** I'd make an impression on this city!

Does it **hurt?**

Whenever the studio is in need of cash flow, just turn on this oversized flashlight and it'll pour in!

Thanks Bratman, but **look** what it's attracting!

Holy oversaturated box office! I don't believe it!

One side, Bratman! There's enough gold in the silver screen for **all** of us comic book superheroes!

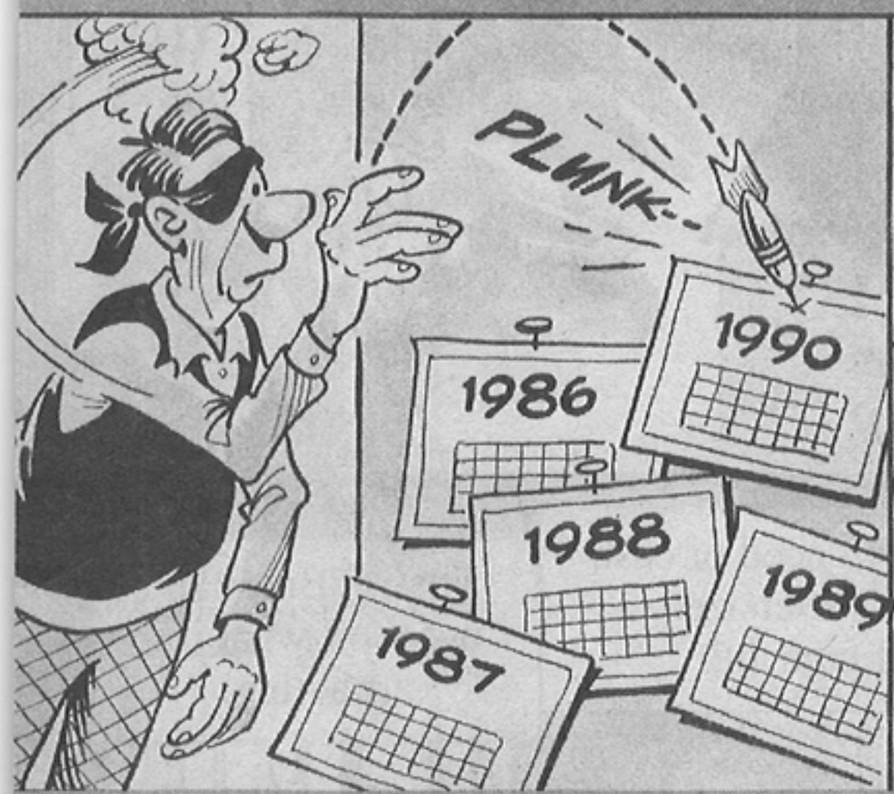
TH'END

Cigarette smoking threatens your health, annoys others, costs LOTS of money and sets a bad example for the future generation. This article suggests many ways to STOP smoking, but we at CRACKED advise that the BEST way to is...

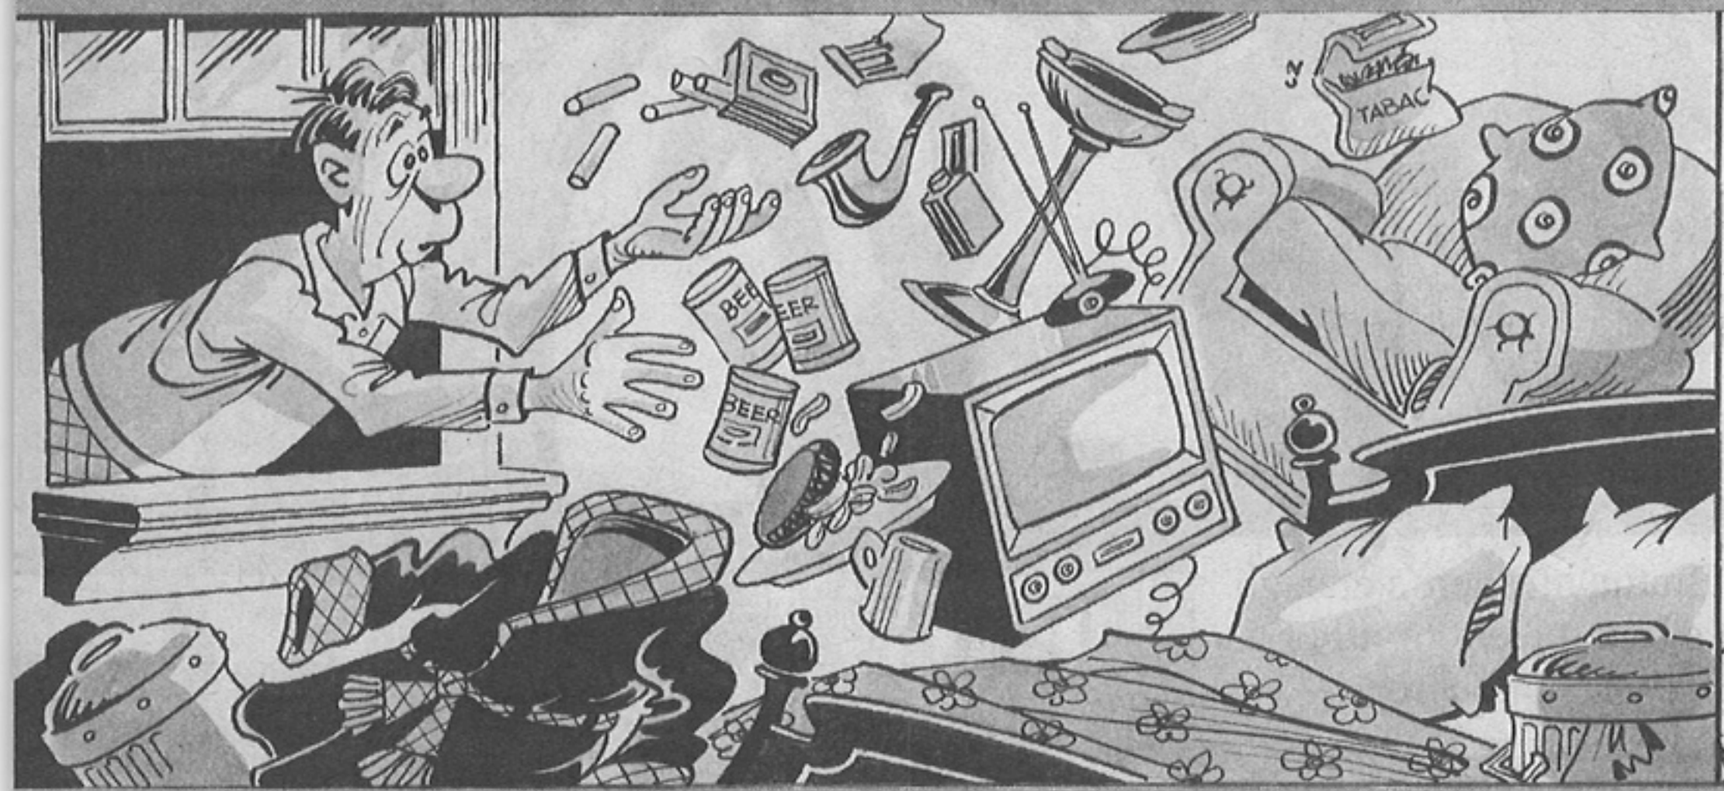
When you've made up your mind to quit, be *fair* and *honest*...pick a *target date* to stop!



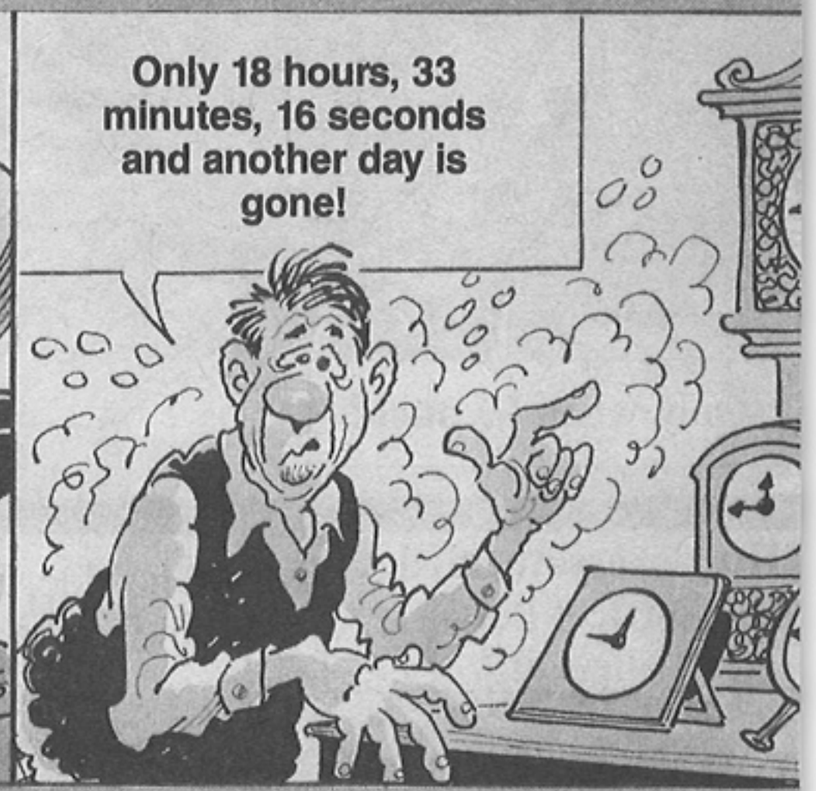
If you're *sincere* about quitting, *promise* in the presence of *witnesses!*

You're *not* sincere if you promise in a setting like *this!*

Discard *everything* you associate with smoking...cigarettes, matches, lighters, pipes, ashtrays, beer, clothes, favorite chair, etc, etc...



Don't dwell on the fact that you will be quitting *forever!* Live one day at a time! I'll only *seem* like *forever!*



If you associate smoking with drinking coffee, *avoid* coffee and drink a *substitute!*

Be careful *what* you substitute for the coffee...it may be *more* hazardous than smoking!

Also use substitutes for your oral fixation...like f'rinstance raisins, gum, lolly pops, licorise and other tooth decayers!

DON'T EVEN START!!

art and writing by Al SCADUTO

Eating candy *may* stop your smoking, but it can also rot your teeth out *real quick!*

So try *other* oral substitutions, such as celery, lettuce, carrots and radishes!

But eating too much of the veggie substitutes can cause *physical changes* as well as *behaviorial changes!*

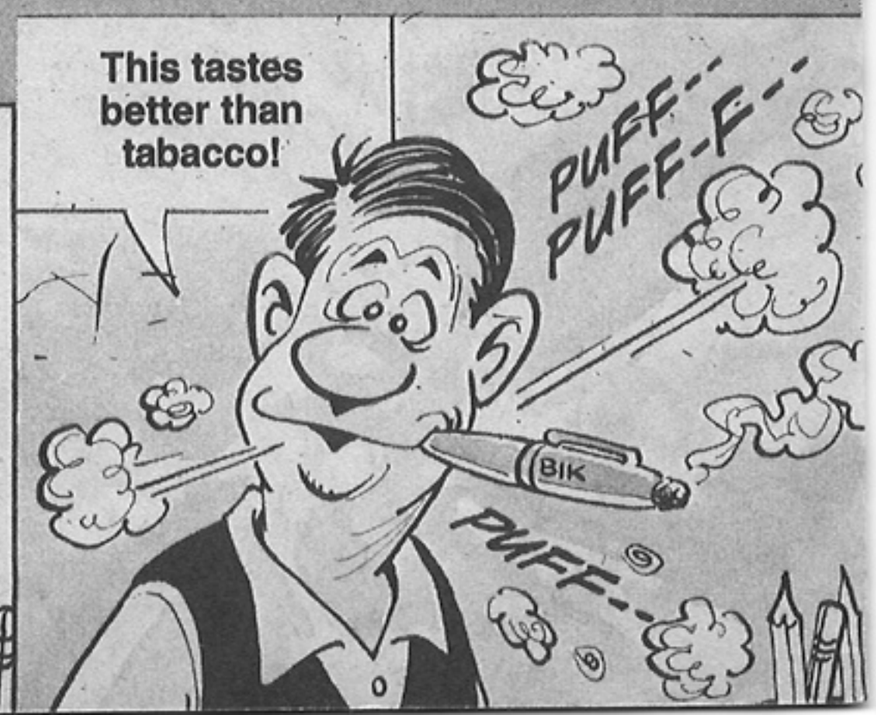
If you miss the feeling of having a cig butt in your hand, do *other* things to keep your paws busy. Keep a "kitty" cup nearby...you can pick up extra cash if people *like* your performance!

Try *deep breathing* exercises. This is the *proper way* to do them...

This is the *incorrect* way to do breathing exercises!

Don't put *anything* shaped like a cigarette in your mouth! Pencils and ball-point pens are a *no-no!* They might cause you to automatically *light up!*

Then you'll have the even harder problem of breaking the *ball-point pen habit!*



Save the money you'd've spent on smokes and buy yourself that *treat* you've always wanted!

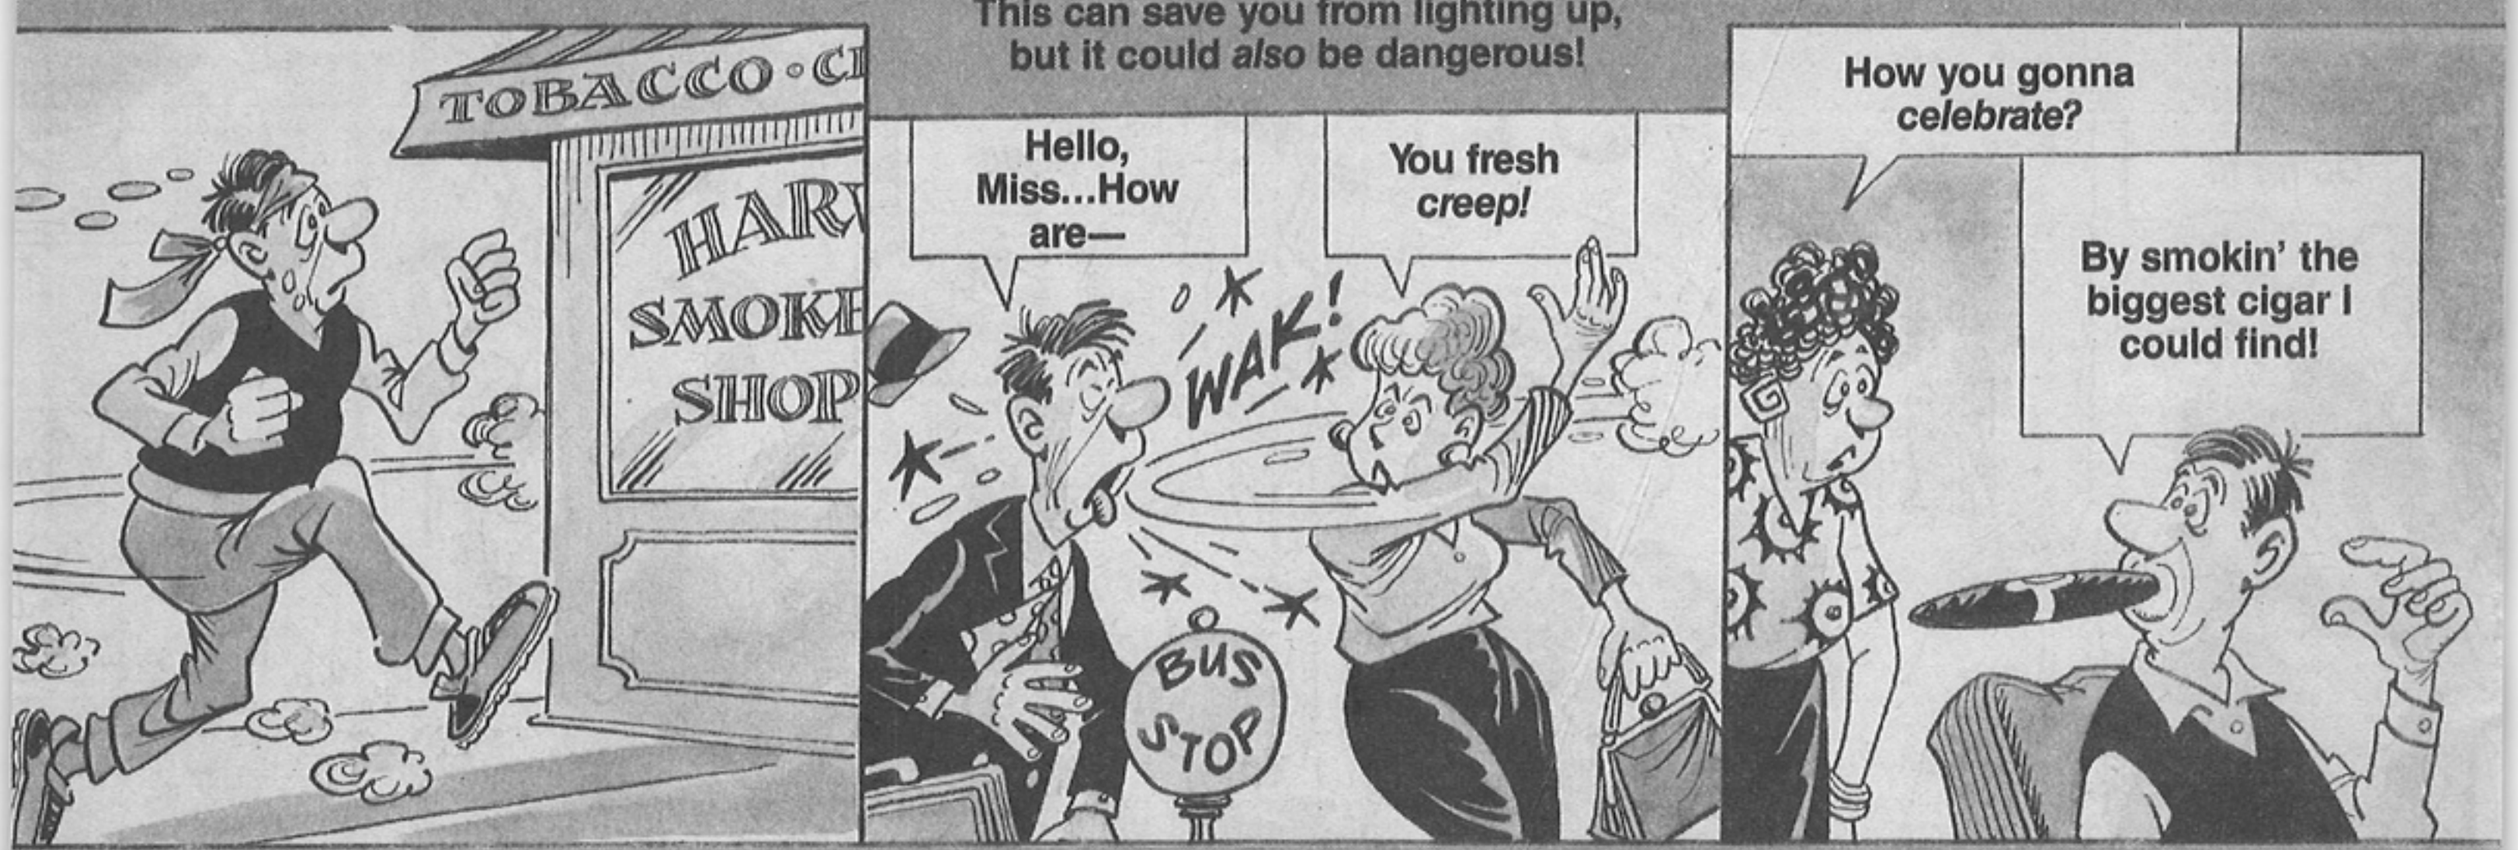
When you're *tempted* to smoke, take a *shower* instead!

It's *very* important to *exercise!* Exercise will thwart the urge to smoke...but do it *indoors!*

Don't jog! Jogging *outdoors* is *bad!* The temptation to jog to a smoke shop could be *dangerous* to your health!

Instead of striking a match, strike up a conversation with someone...*anyone!* This can save you from lighting up, but it could *also* be dangerous!

Celebrate each month on the anniversary of your quit date. Be good to yourself...plan something *special!*



Eat good nourishing food. When you want to smoke, grab a *bite* instead!

When the long ordeal is over and you've finally *beat* that *nasty habit,* go to your doctor for a check-up! Get ready for the *good news!*

Oh, Henry. Can we **keep** him?

Well, I... He's **probably** some neighborhood boy who just got **separated** from his parents.

And **fell** through our **roof?**

Why he's... **Darn!** My false teeth fell out of my **mouth** and rolled **underneath** the molding.

FLOOP!

Henry! Look at **that!**

Hey! **Put** that **wall down,** you little brat.

Do you **still** think he's from around here?

RRRRAAA LLK

Definitely. He's probably **Arnold Schwartzenegger's** little boy!

And so Henry and Henrietta Clone adopted the little boy and named him Cluck. And as the years passed, Cluck grew.

You know, Pop, it's been **tough** having these super powers and not being able to show them off.

Well, we agreed to keep them **secret** for your protection. You see, I believe you were sent here for a **purpose** and **one day** that purpose will be revealed to you.

You're **right.** But I guess for now I'll just go on doing my daily chores. Shall I milk the cow after this?

No! Last time you did, she was **sore** for a **month** from your grip.

By the way son. You look different than you did last night. **What** happened?

My **braces** came off. They **straightened** out **everything!**

Even your **eyes!!**

But Cluck was not to stay on the farm long and, at the tender age of 40, he left Smellville for the large city to join a great metropolitan delicatessan where he vowed to fight for truth, justice and lean pastrami.

Cluck Clone, welcome to the **Large City Deli Planet.** You'll find that we have **all** the latest technical advancements from digital scales that short weight automatically to computerized cash registers.

Don't I get introduced, Running Water?

Oh...Cluck, meet Lewis Paine.

How'd a good looking dame like **you** get hooked on delicatessans?

Every girl's got to have a **dream** and I guess this's been mine—to work at a major deli. It started when I was a little girl. At Christmas, my parents and I would sit around the tree and make potato salad while waiting for Santa to arrive.

TRY the DELI-PLANETS

WE SERVE ONLY DICKLES PICKLES

GENUINE KOSHER HAM

But, that's the **past** and...hey!...I gotta get over to the eye doctor.

Is there something **wrong** with your **pupils,** Miss Paine?

Oh, **no.** My father **saved** Dr. Spectacle's **life** in the war and as a courtesy he lets me read all the magazines in his waiting room **free** of charge on Fridays between 11:15 and noon. See you all later.

Running Water, I need an olive loaf and jelly sandwich to go—and make it **quick!** There's a huge rhinestone robbery taking place over at the eye doctor's.

Rhinestone robbery?!!...Why **Lewis** is there! It looks like it's time for me to **reveal** myself to the world!

I'll be **right back,** Running Water. I have to go to the **bathroom.**

What's **wrong** with the **employee's rest room** here?

I **don't** have a **dime.**

Oh my gosh! Lewis is in **trouble** and there's not a **phone booth** to be found! I'd better use my super brain and think of where I'm gonna change before it's too late...**Wait!** I've **got** it!!!

How many **pairs** of pants did you want to try **on?**

Just this one.

You're **sure** you have the right size?

Look lady, **please!** I'm kind of in a **hurry.**

O.K. Dressing room **3** is **free.**

Let's **go** buddy—out into the waiting room.

Stop the **shooting** copper, or the doc here **gets** it!

Oh **wow!** Dr. Spectacle is getting **ANT and ROACH** now, the only magazine recognized by exterminators around the world.

You're **bluffing!**

He's **not!...Help!...PLEASE!**

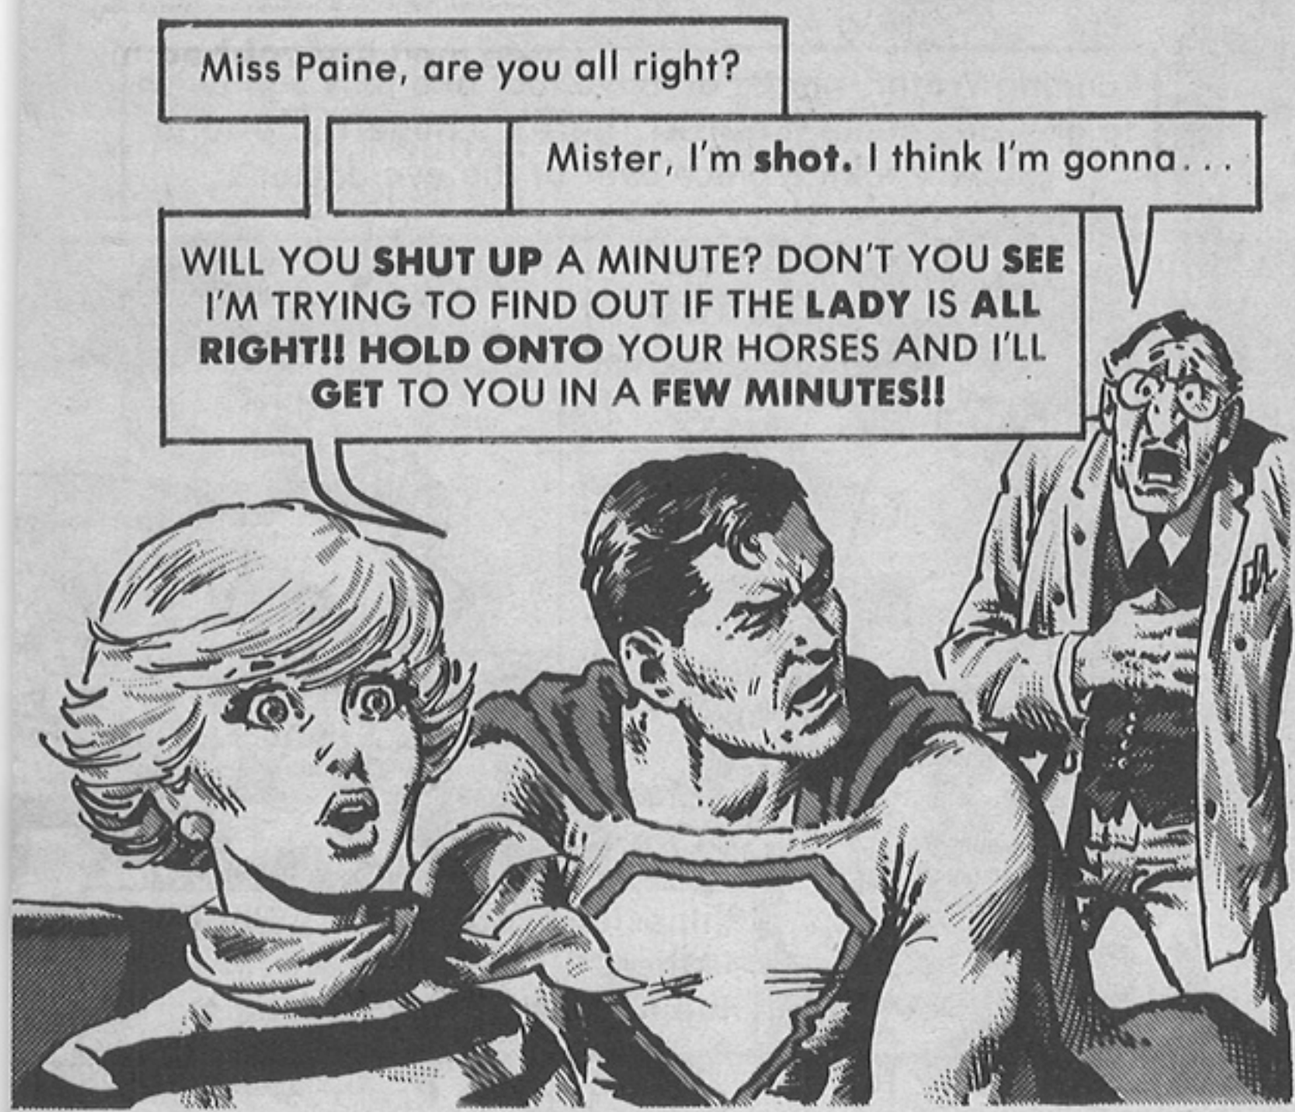
Dr. Spectacle! Is something **wrong?**

Don't you know those are **dangerous?**

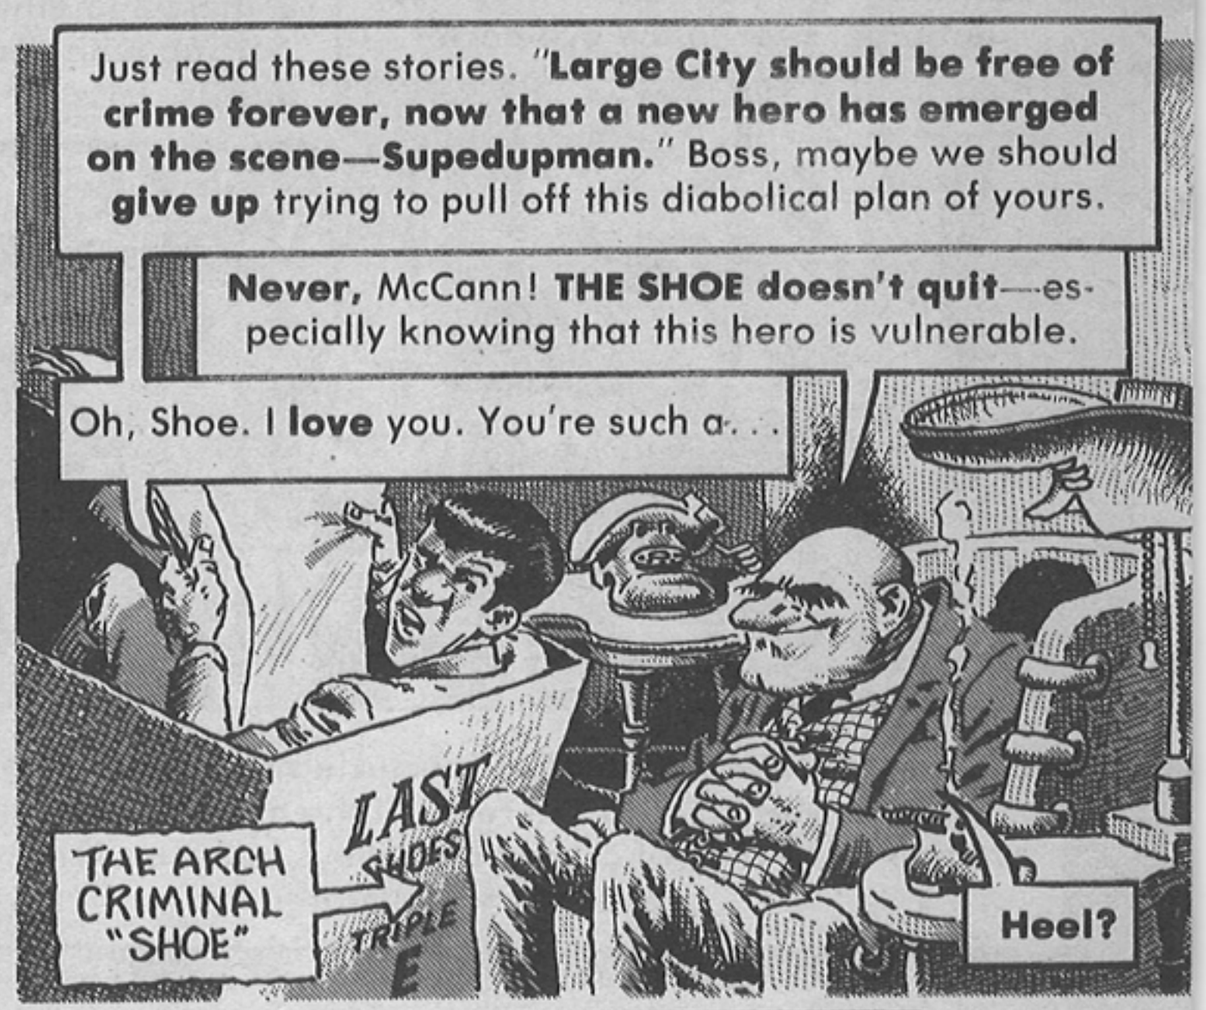
What the...?

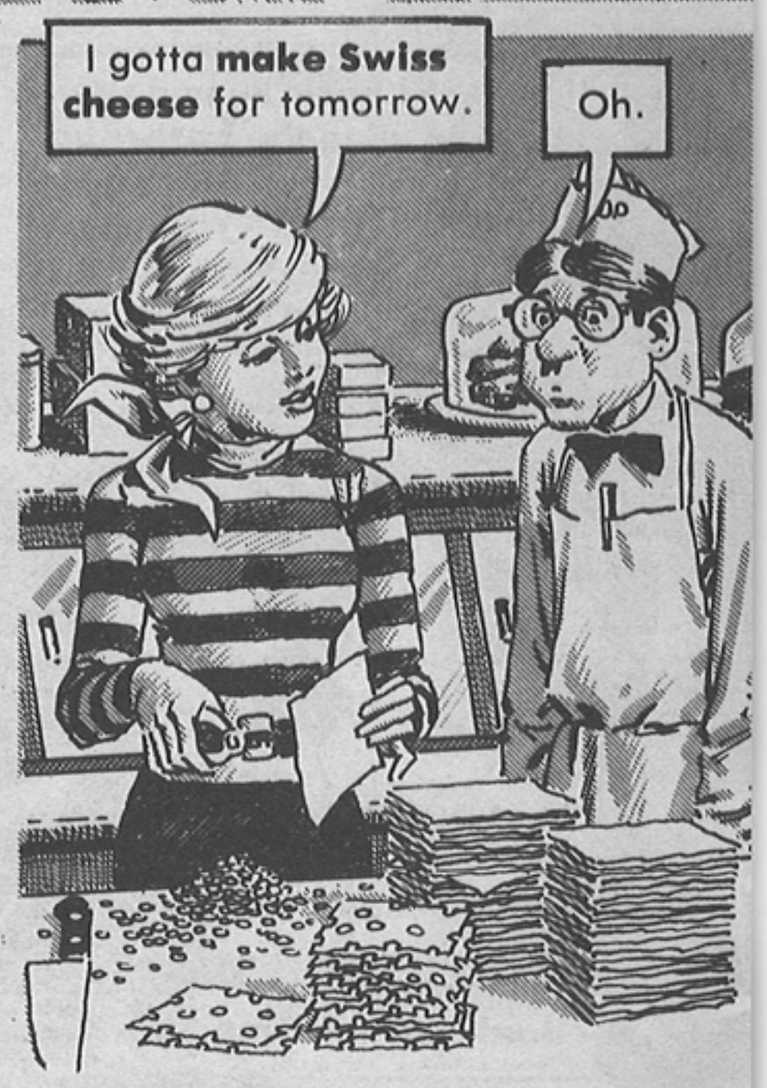
Hey! He **stole** our guns!

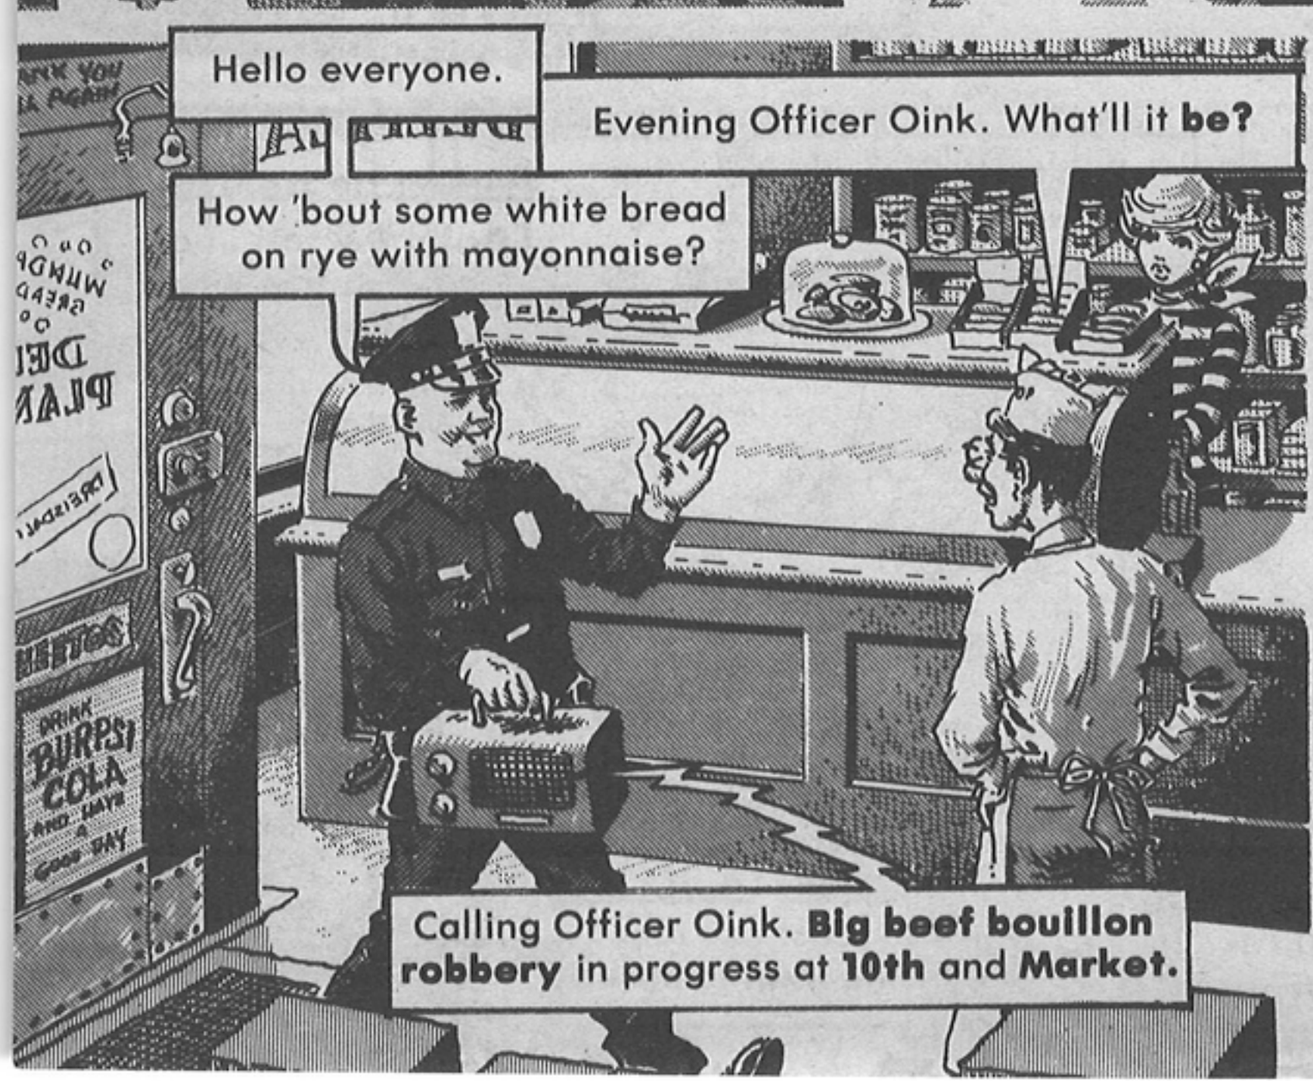
Just call me the **man** of **steal!**



MEANWHILE, IN ANOTHER PART OF TOWN







Now to make a **quick change.**

Weren't you here just **45 minutes ago** trying on a pants suit?

I HATE TO PLAY SOLITAIRE ALONE!

Ah, **yes**...you see, I'm planning a **big wardrobe change**...Now if you don't **mind!**

Dressing room 7.

Police! Help!

Could I be of some assistance?

Three men just **robbed** my **store** of over **$3.00** and **38¢** in **bouillon!** They escaped in the helicopter up there.

Maxi, it's **Supedupman!** I **think** we're in **trouble!!**

Relax. He's just **standin'** there.

Maybe. But he's **standin'** there **holdin'** our **propeller!**

We're **fallin'** into the **river** below!

That's **odd.** The **river** is **missing**...all except this trail of drops. Perhaps if I followed them...

Supedupman, the **city's** on **fire** from that copter you caused to crash. Can you help us?

In a **minute.** First, I gotta **follow** these drops of water.

They lead into this water cooler which goes down this **dooooor...**

BLOOOP!

Well, if it isn't **Supedupman.**

And **you!** I've seen **your** face on dozens of **police posters** and **moccasin boxes.** You're...don't **tell** me...**you're**...don't **tell** me...**you're**...ah...**ah**...,**SHOE!**

Gesundheit!

I have a **feeling** you're **behind** all this falling water.

SNAP! SNAP!

True. And I'll explain it all, but **first,** can I **get** you something? Coffee? Tea?

Or **this?**

Good **gravy! NO!** My **Achilles heel!!**

Not **feeling** too **well?**

A **photo** of **Dolly Parton** in a **string bikini?** It leaves me **weak! Shoe,** have you no **soul?**

It wore out long ago.

And now, while you fade away, I'll **prove** to you that the Shoe is no **loafer**—but is **really** your **arch enemy.** By tomorrow night I plan to have **all** the **world's water** in my possession, which I'll then **sell** for **$600 a glass.** I'll send the world into **economic chaos!!**

Here! Have a free sample, Suped. It's the **last** water you'll **ever** see.

Don't leave me like this, Shoe—**please!**

What did you call me?

Shoe! Shoe!

SPLAT!

All **right,** I **will.** Bye!

This looks like the **end**. . . I'm growing **weaker** and **weaker**. . . **Wait!**. . . What's the knocking?

Is anyone home? Mr. Shoe? I have the **tongue** you ordered from the **Deli Planet.**

It's **Lewis!** I must muster up the **little strength** I have to yell to her.

COME IN!

Supedupman?!! What are **you doing** here?

Lewis—that **photo**—It's **lethal!!** You must **do** something with it to save my life!

But **what?**

Draw a **shawl** and a **pair** of **toreador pants** on it. It's the **only** way!!

I'm afraid it's not very **good,** being all I had to work with was **mustard** but. . .

Thank you, Lewis. Now to **find** where Shoe's **hidden** the world's **water** supply.

How about that **closet?**

Of course! It's **lined** with **liver**—the **only** thing I can't **see through.** I'll just. . .

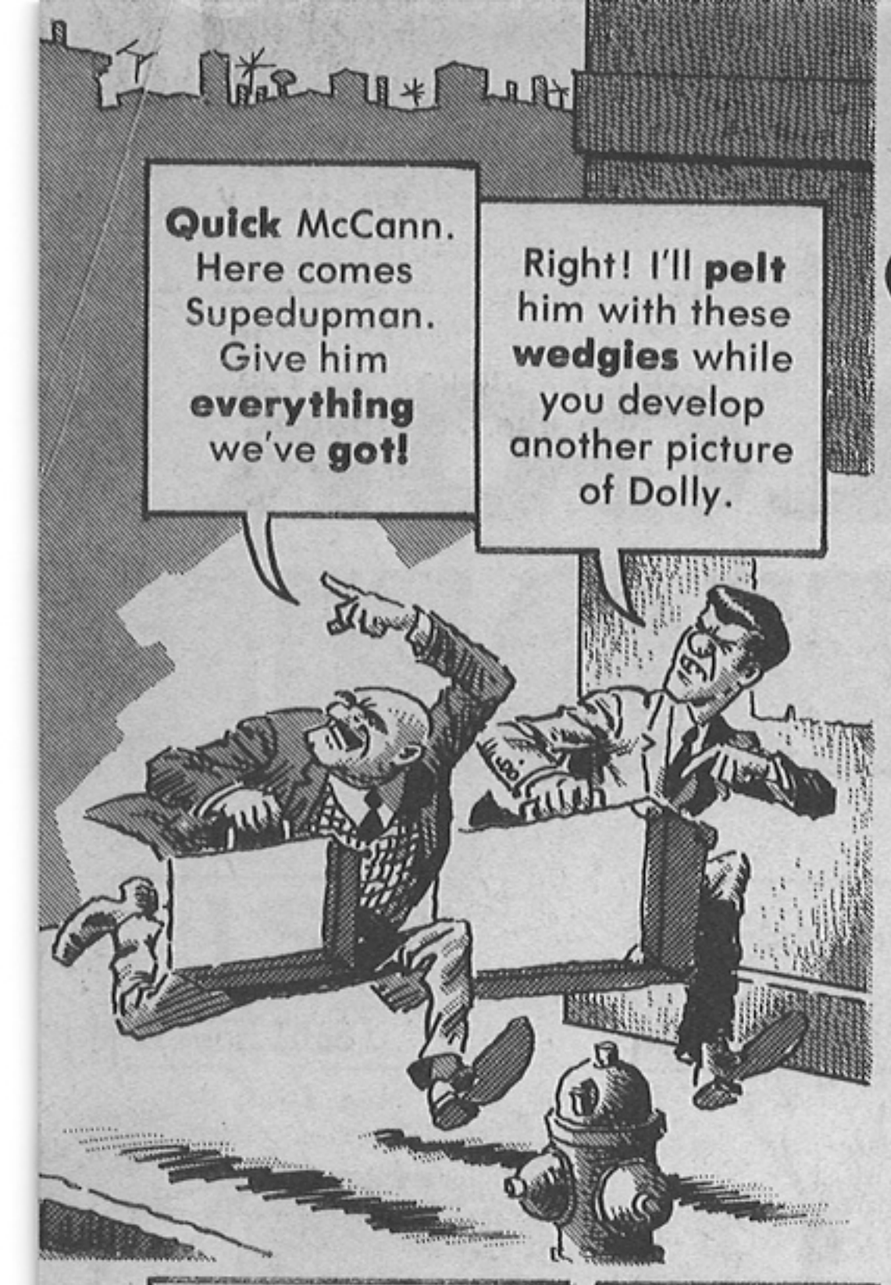
That's **it** Lewis!! You **found** the water!!

Help! I **can't swim!**

Fake it! I have to nab Shoe before he escapes!

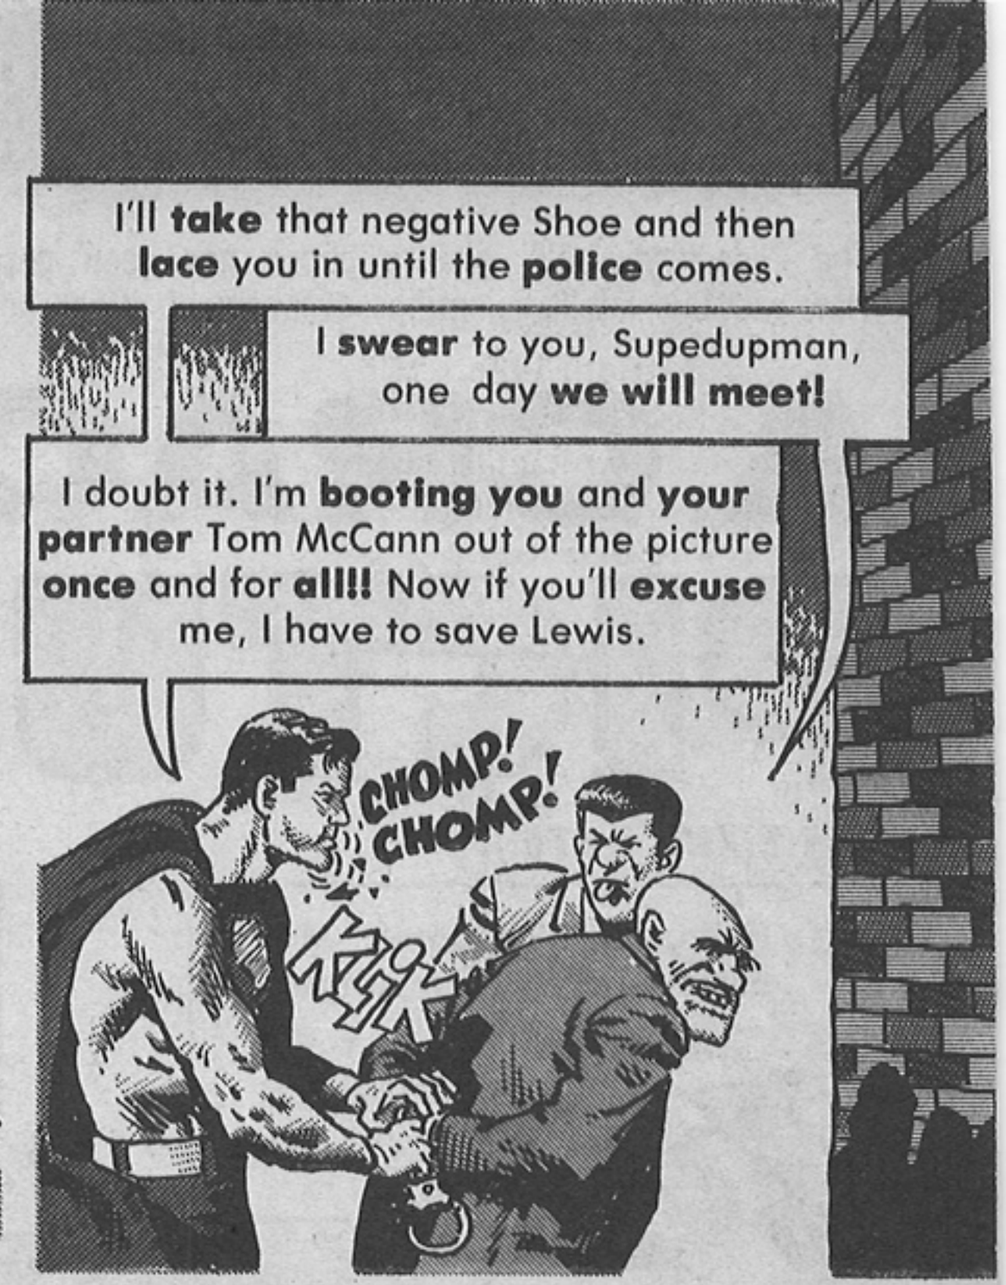
Let's see. How would Shoe **travel?** . . . By **foot!** Of course!! And **there** he is!!

FLAP FLAP FLAP



Quick McCann. Here comes Supedupman. Give him **everything** we've **got!**
Right! I'll **pelt** him with these **wedgies** while you develop another picture of Dolly.

OOOO!
DARKROOM DO NOT ENTER



I'll **take** that negative Shoe and then **lace** you in until the **police** comes.
I **swear** to you, Supedupman, one day **we will meet!**
I doubt it. I'm **booting you** and **your partner** Tom McCann out of the picture **once** and for **all!!** Now if you'll **excuse** me, I have to save Lewis.
CHOMP! CHOMP!
KLK

Help! I'm going under for the **103rd** and **last time!!**
Hang in there, **Lewis!**

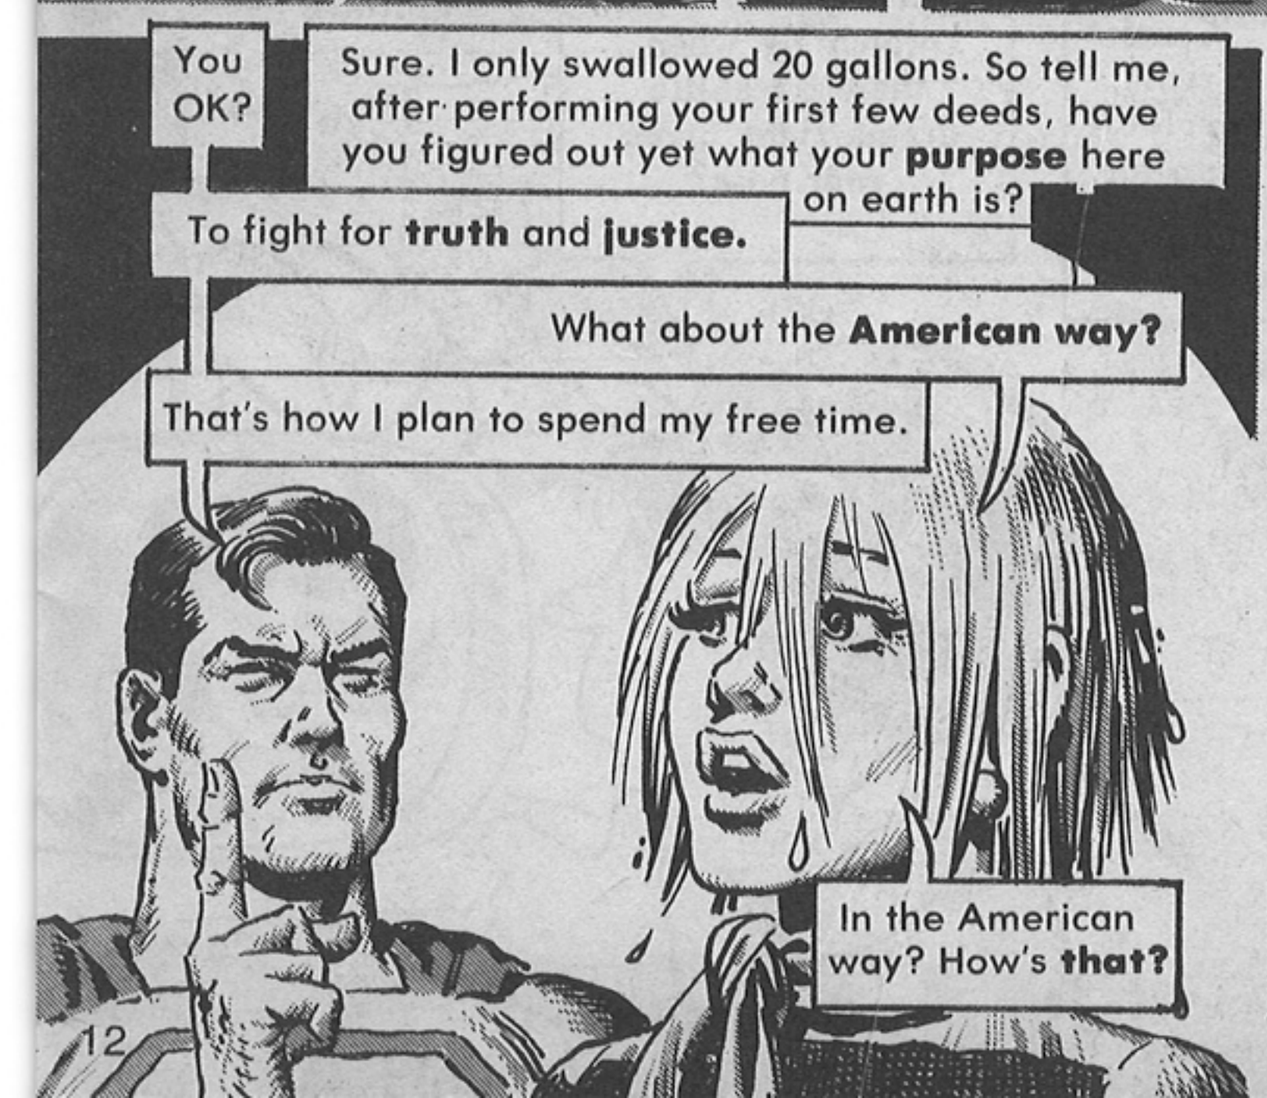
You know, it would have been a **lot** easier to just pluck me from the water.
I know, but **this** was **flashier.**
HIK! URP! HIC!



You OK?
Sure. I only swallowed 20 gallons. So tell me, after performing your first few deeds, have you figured out yet what your **purpose** here on earth is?
To fight for **truth** and **justice.**
What about the **American way?**
That's how I plan to spend my free time.
In the American way? How's **that?**
